Dear Applicant:

Thank you for your interest in Crane Youth Music scholarships! The Roy Schaberg/CYM Scholarship is designed to assist CYM Alumni who are attending the Crane School of Music as an undergraduate music major in the Fall of 2012. Awards will be based on financial need, recommendation from a music instructor, and a New York State School Music Association solo evaluation or a representative evaluation of the student's talent from another source.

Please review the accompanying application form, which asks for the following to be submitted on behalf of the applying student:

1. A letter from the student or parent describing financial need or circumstances
2. A recommendation from a music teacher with knowledge of the student's abilities

Please submit materials no later than April 30th. Awards will be made by May 11, 2012. Thank you for being part of Crane Youth Music! I'm confident that you will find your time at the Crane School of Music and SUNY Potsdam to be rewarding and meaningful to your musical development. Return all material to: Casey Nelson, Center for Lifelong Education and Recreation, 389 Van Housen Ext., SUNY Potsdam, 44 Pierrepoint Ave., Potsdam, NY 13676.
