

Budget/Resource Worksheet

This form is for your use in estimating the costs for exchange and the financial resources available to fund them. Consider the length of your exchange (part of the academic year or all of the academic year), the number of times you are likely to travel to and from your home to your host campus, and the cultural and geographic opportunities you would like to take advantage of while on exchange. Note that tuition, fees, room, and meals frequently increase from 5-15 percent per year. Financial aid while on exchange may vary from that which is currently received. **This form is for your use and does NOT need to be submitted.**
