

KILMER UNDERGRADUATE RESEARCH AWARD PROGRESS REPORT

Student Name _____

Semester/Year of Award _____

Email address _____

Phone Number _____

Faculty Mentor _____

Email address _____

Project Title _____

Number of course credits enrolled for this project for the semester _____

Describe your progress on the project during the semester (or summer). What did you accomplish? What did you learn?

Describe in what ways the anticipated learning objectives and skill sets described in your application were fulfilled or acquired.

Did you present your findings in an academic forum? If yes, describe the forum where you presented. Provide name of event, date, location, and any other pertinent information. If no, explain when and where you plan to present.

Do you expect to continue work on this specific project? If 'yes', then describe how you plan to proceed with your research project.

Describe your experience in the Cohort Discussion Sessions. Do you think this was helpful to your work or to the understanding of your work? What could we do to improve the quality of the discussions?
