Part III.

ESSAY QUESTION: Please submit an essay (500 words or less) in which you explore an educational project that will contribute to a field of interest and that you will pursue in the Presidential Scholars Program. Clearly describe how you will develop the project and include the following information:

- What is your goal with this project, and how will you show us that you have met that goal?
- If you plan to use resource people, who will they be?
- How do you plan to use the \$600 stipend for your project?
- What background do you bring to the Presidential Scholars Program that reflects your intentions and interests?

Note: Provide the names of resource people you have discussed your project with. If possible, include a least one letter of recommendation from one of these people.
