Note: At least 36 credits must be Liberal Arts (LA) credits. All courses receive LA credit unless the course title has an "@" in front of it in the Schedule of Classes newspaper.

General Education Courses:
Students must complete the required number of credits within each Gen Ed designation. No more than eight Gen Ed credits can come from the same department. AC and AE must be taken from different departments. Note: Music Education, Performance, and Theory/Musicology are considered to be different departments. Further, students must satisfy at least one of the AE, AC or XC modes outside of Crane. Transfer students who have completed AA or AS degrees are considered to have fulfilled the Freshman Experience and the Mode of Inquiry requirements (AAS degrees do not count for this); check your transfer audit for confirmation.

Freshman Experience:
- FW - Writing and Critical Thinking (4 cr)
- FM - Freshman Math (3 cr)

Modes of Inquiry:
- SB or SP - Scientific Inquiry (3 cr)
  (LB - a Laboratory course is recommended) (1 cr)
- SA - Social Analysis (3 cr); must be Child Development, PSYC-220
- AH - American History (3 cr)
- WC - Western Civilization (3 cr) satisfied by Lit&Style I or II (MUCB-301 or 312)
- XC - Cross-Cultural (3 cr)
  XC must be taken outside of Crane if AE is taken in Crane
- AE - Aesthetic-Experiential (3 cr)
  AE must be taken outside of Crane if XC is taken in Crane
- AC - Aesthetic-Critical (3 cr)
  AC must be taken outside of Crane if AE is taken in Crane

Modern Language Proficiency: (0-9 cr)
- ML - Students must complete through the equivalent of French or Spanish 103, or any single 200-level ML course. Students entering with proficiency lower than the 103-level courses begin in either 101 or 102, and take either one, two, or three courses. See Gen. Ed. Manual for placement info. Credits for ML courses count as LA electives.
- List below as LA Electives

Physical Education: (4-8 semester hours; 0-6 cr)
- PE - Students must complete 4 courses with PE designation. Courses from the Physical Education Department satisfy this requirement, but do not count as Degree credits nor as LA credits. PE courses offered by other departments (i.e. Dance) do count as Degree credits and often (but not always) as LA credits. Up to half of the requirement can be satisfied by taking the same activity twice. Sports or skills (such as Varsity Lacrosse, Fitness Training or Archery) count as different activities; in Dance, ballet, modern, and jazz dance are considered different activities.

Liberal Arts Electives: (14 cr)
- These courses cannot have an "@" in front of the title in the Schedule of Classes newspaper. These courses must be taken outside of Crane.
