SUNY Potsdam Spring Electronic Check-In Process for Registered Students

SUNY Potsdam's electronic check-in process for all registered students began on Monday, Jan. 7. Students were asked whether or not they plan to attend for the Spring 2013 semester when they sign in to BearPAWS. The purpose of the check-in is to confirm student attendance as well as to remind students of their financial responsibility and the proper procedures to take if they decide to leave the college. It also frees up more class seats for students who will be attending.

Please note that all students registered for a class at the college need to check-in, including those who are student teaching, participating in off-campus internships, studying abroad, taking an on-line course or attending at a remote site such as Watertown or Ottawa. This process also includes staff members taking a course, whether cross-registered or on-campus.

An e-mail was sent to all registered students on Monday, Jan. 7, informing them of the check-in procedure. A follow-up e-mail will be sent on January 21 to all non-responders.

The deadline for registered students to complete the check-in process will be Friday, Feb. 1. Registered students who have not checked in by the deadline will have an All-Services Hold placed on their records, which can only be removed by the office responsible for their student type.

The School of Education and Professional Studies Seminar Series: "Disciplined Inquiry in Education" Spring 2013

Presentation Entitled: Lessons from the Pedagogy of Practice: Reflections of a Piano Teacher

Presenter: Dean Michael Sitton, Crane School of Music

Date: February 6, 2013

Time: noon

Where: 300 Satterlee Hall

Abstract: While my academic credentials are in the area of piano performance, I learned early on that there is an intimate connection in music between teaching and performing, no matter how one engages either. A particularly strong undergraduate piano teacher taught me well how to reflect on teaching and its relationships to performance. Later I developed my own ideas about what I came to call the pedagogy of practice, and arrived at some understanding of the role of the teacher in cultivating a spirit of independence in student learning. This talk will attempt to illustrate the musical sources of those lessons and to suggest broader applicability.

Relay for Life

Many of us have been touched by cancer. The fight against cancer belongs to everyone. SUNY Potsdam will host its seventh annual Relay for Life; a major fundraiser for the American Cancer Society, on April 5 & April 6, from 7 p.m. – 7 a.m. in the Maxcy Hall Fieldhouse. This year's goal is for more than 700 individuals to participate in Relay at SUNY Potsdam to raise \$52,000.

Relay for Life is a family oriented all night event where participants walk or run on a track relay style. This celebration brings neighbors, friends, work associates and families together to celebrate those who have survived cancer and remember those who have not. While Relay is going on, team members "camp" out and enjoy entertainment, food, games and camaraderie in a community party atmosphere.

We are asking your department/area to help us continue this tradition. There are many ways to get involved in Relay:

Form a Team

This can consist of colleagues, family (including your children) and friends. You can form a team online at www.relayforlife.org/sunypotsdam. By signing up, you agree to participate in Relay for Life on April 5 & April 6 and raise a \$10 participation fee (\$20 if you sign up after March 22).

Can't Stay up all Night? Get involved by raising money that will be donated to Relay for Life. Consider these ideas for your office.

Anti-Complaint Day

Once a week charge colleagues 25 cents for a general complaint, 50 cents for a complaint about a student and \$1 for a complaint about a budget situation.

Brown Bag Lunch Day

Have everyone bring in their own lunch and donate the money they would have spent on lunch to Relay for Life.

Recycle for a Cure

Ask that people keep the redeemable bottles and cans they use in the office, collect them all in mid March and donate the money to Relay for Life.

Change Jar

Set up a donation jar in the department's main office.

Purchase a luminaria to honor or remember someone who has battled with cancer through the Relay for Life www.relayforlife.org/sunypotsdam.

There will be an informational Kickoff on January 31, at 6:30 p.m. in the Barrington Student Union in the Fireside Lounge (Room 202). At this event, you will learn about how you can participate in Relay for Life and specifically the event here on campus and if interested, sign up a team.

For more information you may contact one of the following Relay Coordinators:

Alex Allen at x2738 or by e-mail @ allenaw@potsdam.edu

Julie Dold at x2947 or by e-mail @ doldjm@potsdam.edu

Nancy Hess at x2168 or by e-mail @ hessnl@potsdam.edu

More information about SUNY Potsdam's Relay for Life can be found at www.relayforlife.org/sunypotsdam.

The curricular proposal may focus on plans to revise an existing course, design a new course, or introduce a course that relies primarily on experiential pedagogy to promote individual and small group student research projects.

Application deadlines: March 5, 2013 & April 16, 2013.

The maximum award per project is \$1,000. Generally, this program does not provide funding for conference travel, computer equipment and general office expenses.

DEADLINES: April 3, 2013

Grant Development Program 2012-2013

This program will provide awards of up to \$1,500 to full-time faculty or professional staff to pursue the development of new proposals for submission to external funding agencies. All successful applicants will be required to submit a full proposal (with a budget of at least \$50,000/yr.) to an external sponsor within one year from the time of award.
