(See page 4 for course locations and parking information)

SOAR COURSE LOCATIONS and PARKING INFORMATION for SPRING 2008

On Campus Parking

NOTE: There are links to the SUNY Potsdam Campus Map, Parking Map, and Maxcy Hall Map on the SOAR web site: <http://www.potsdam.edu/soar>.

Parking is at a premium on the SUNY Potsdam campus, with a large number of students and staff filling up the spots. If you have difficulty with mobility, consider having someone drop you off and pick you up. **Fill in your license plate number on your parking permit. Park only where permitted.**

Always display your parking permit on your rear view mirror. With the permit displayed, you will only get a ticket if you are parking in a wrong lot, in a handicap spot, or improperly (e.g. on a curb or lawn, or too close to a hydrant). **Reuse your fall parking permit; it is good through Aug. 31, 2008.**

On Campus Locations – Consult the campus map (*see link above*) to locate the class buildings SOAR uses this semester.

Flagg 162 – a computer classroom in the basement at end of building near parking lot #1. Park in lots #1 or #2.

Kellas Hall 102 – ground floor at the end near Merritt Hall (across from Snell Theatre). Park in lots #2, # 6 (or #1, #7, #9).

Maxcy Hall – Park in lots #30 or #27 (**NOT** lot #29, the front row, closest to the main entrance of the building).

Room 220 – Second floor. Enter from lot #30; go to end of right corridor, turn left and go to end of that corridor to staircase, ascend to second floor (room is on right); or take **elevator** (at very end of right corridor) to the second floor, cross through the gym, then turn right; Room 220 is on the left, just before the staircase.

Dance Studio – Third floor. Enter from lot #30, bear right, take **elevator** (*see above*) or first stairs on left up two flights - room is opposite.

Raymond Hall 8th Floor Lounge. Park in lot #1 or #2

Satterlee Hall 314 – Third floor art room. **Elevator** available. Park in lots #1 or #2.

Stowell Hall Planetarium – basement (near end of building facing the Student Union); **elevator** nearby. Park in lots #6 or #9.

Thatcher Hall – Fall Luncheon - second floor banquet room. **Elevator** available. Walk from lots #20 or #22, or take **car shuttle** from lot #9.

Van Housen Extension – Ground floor. Room SB27A is the first door on the right after you enter from the parking lot. Park in lots #22 or #20.

Off Campus Locations – Directions for locations are also posted (with pictures, where possible) with links from the individual course pages to a separate page named “Course Locations” found on the SOAR web site: <http://www.potsdam.edu/soar>

Canton VFW – on the right, just as you leave Canton on HWY 11 towards Gouverneur (near Stewart’s). Park in front or beside the building. Enter at the side entrance, directly into the meeting room.

Knapps Station Community Church. From Potsdam, go north on Rt.56; turn right just before Merriman's onto CR48 (Dry Bridge Rd – bridge is one-lane, be careful!); at the T, turn right onto CR47 (*or* take Rt.56 to Norfolk, turn right at liquor store onto CR47 to **KS**) – church is on your right.

Mayfield Apartments in Potsdam – Community Room. There are a few visitor parking spots at the back of the circle or park behind Save-a-Lot / Kinney's and use walkway; go between buildings to get to the Community Room which is in the middle of the circle driveway.

Partridge Knoll – 30 Sullivan Drive, Canton. Large complex, just off intersection of State St. and Rt.310 (near Canton Central schools). Park wherever you find a spot (but **NOT** on the lawn!). **Multi-Purpose Room** is across the hallway from the far left entrance door to the building.

Potsdam Civic Center – on Park Street, an extension of Pierrepont Ave. (between the Library and Museum). The **Community Room** is on the second floor. Park behind the building or in another nearby public parking lot. Enter at the back of the building (same entrance as the Police Station), go right and up the stairs; turn left and go up the 2-3 steps and into the door on the right. (There is an **elevator** near the back entrance.)

Potsdam Museum – on Park Street, an extension of Pierrepont Ave (at the corner near Elm St.). Park in the Civic Center Parking lot (see above), or in another nearby public parking lot.

Recreation Center, Harte Haven Plaza, Massena – arena is on the south side of Hwy 37, just east of Rt.420 (Main St.). Park in front.

Silas Wright House – 3 East Main Street (Rt.11), Canton (white house with picket fence, across from park). SOAR courses are held in the **County Gallery in the Red Barn Addition to the Silas Wright House.** Main entrance is at the back. Large parking area at the rear of the house; enter from Main Street (left of the house) or from Court Street (turn right behind buildings at alley-way to bank), park behind the Red Barn Addition.

QUESTIONS? Check the SOAR web site: <http://www.potsdam.edu/soar>, email: soar@potsdam.edu, call SOAR at (315) 267-2690, or write SOAR, 389 Van Housen Ext., SUNY Potsdam, 44 Pierrepont Ave., Potsdam, NY 13676

The SOAR office is located on the SUNY Potsdam campus in room 382 Van Housen Extension. Office Hours: 8:30-2:00 MWF
