

2+2 TRANSFER ARTICULATION AGREEMENT
between
SUNY ADIRONDACK
and
SUNY POTSDAM

The purpose of this agreement is to facilitate the transfer of students from the A.A. Liberal Arts: Humanities and Social Science - Art Studio track degree program at SUNY Adirondack to the B.A. Art Studio degree program at SUNY Potsdam. Students transferring with an associate degree will enter Potsdam as juniors and, assuming normal academic progress, have the opportunity to complete the B.A. degree in two additional years of full-time enrollment.

This document was developed in order to provide a seamless two-plus-two transfer opportunity that reduces unnecessary repetition of general education and curricular content. It follows SUNY Transfer Paths and complies with SUNY General Education requirements thereby enabling students to complete their intended program of study on time, without unnecessary cost and/or duplication of effort.

Admission

- the application is available online at www.suny.edu/student - the application fee is waived for students transferring with an associate degree from SUNY Adirondack
- an official transcript is required from every college attended in order to be considered for admission
- an official high school transcript or copy of the GED is also required to be on file for federal financial aid purposes
- students transferring with the A.A. degree and a 2.25 or higher grade point average are guaranteed admission to SUNY Potsdam

Transfer of Courses

- all college-level courses from SUNY Adirondack transfer
- non-major courses with grades of "D" will transfer, a "C" or higher is required for all major courses
- an official evaluation of transfer credit is mailed with the admission acceptance letter

SUNY General Education

- students transferring to Potsdam with a SUNY Adirondack associate degree, having completed 30 semester hours of general education including 7 out of 10 SUNY General Education requirements, will be exempt from any additional Potsdam General Education Foundations and Modes of Inquiry requirements not already satisfied. As defined by SUNY, the 7 out of 10 must include Basic Communication and Mathematics.

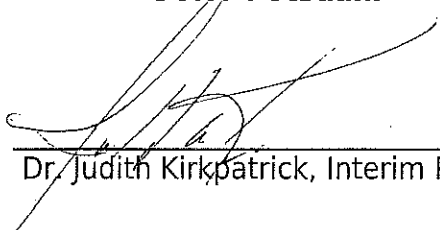

■ transfer students must complete Potsdam's Modern Language requirement on a pro-rated basis, a PE activity/HW requirement (2 courses), and Speaking and Writing Intensive requirements if not already satisfied at SUNY Adirondack. The SI and WI requirements are typically satisfied by completion of upper-division major course work.

Transfer Services

- students have the opportunity to attend a Transitions Conference immediately prior to the beginning of the fall and spring semesters
- individual advising with specially trained advisors is available for new transfer students

This agreement commences upon the date of its signing and shall remain in effect until terminated by either college. The major information will be reviewed on a periodic basis and updated as curricular changes are made at both colleges.
