Instructions and Guidelines

Selection Criteria:

1. Students must have an overall GPA of 2.5 or higher.
2. **Students must be a major in Computer Science, Mathematics or Informatics Programs**-a double major or major/minor combination is encouraged, e.g., CIS/Math
3. If receiving academic credit for the internship, students must meet minimum qualifications established by the Experiential Education Office.
4. **Students must secure an internship in the Aerospace & Defense industry. Preference given to an internship at Lockheed Martin**
5. Students involved in Greek life are encouraged to apply.
6. Students must report an internship for credit on BearTracker and upload their internship proposal into the online system.
7. Students must submit a letter stating why they need and deserve the Scholarship.
8. Academic Internship must be a minimum of 6 credits.

When reporting an internship for credit on BearTracker, students should describe in detail and pay special attention to the following selections:

**Marketable Skills:**
- Successful candidates will describe in detail what marketable skills they hope to develop through their internship experience.

**Relation to Major or Degree:**
- Successful candidates will describe in detail how their internship relates to their academic major or degree of study.
- Successful candidates must also explain how their course work relates to their desired internship.

**Anticipated Learning Outcomes:**
- Using the BearTracker module, students will describe in detail what they expect from their experience (i.e. expected learning outcomes, impact on course study).

**Deadline to Apply:** May 5th, 2017 by 4:30pm*
