NOTES:

1 These courses can be taken either semester listed, but must be taken in one of the semesters indicated in order to complete the degree requirements in the prescribed time.

2 See page 4 for detailed information, but the required non-music courses (aside from FW and FM) are:
   - Two General Education courses that must be taken outside of music (a Science and an XC course),
   - a non-music liberal arts elective (2 credits minimum), and
   - the three non-music courses required for certification:
     - PSYC 220 Child Development (also counts as SA)
     - EDLS 307 Literacy Education in the Arts
     - HLTH 230 School Health (also counts as one PE/HW)

3 Music Electives: students must take at least one:
   - 3 credit Upper-Division Music Education (MUCE) elective,
   - 3 credit Upper-Division Music Theory or Music History (MUCH or MUCT) elective, and
   - 3 credits of free music electives (limit of one ensemble per semester can count towards this requirement)

"Upper-Division" means the course number must be at least 300 (typically a 3XX or 4XX course, although students may take 5XX courses as undergraduates as well).

4 Vocal Techniques II is only offered in odd-year springs. Student should take two ensembles (choral and an elective ensemble) in the sophomore or junior spring semester, whichever is the one in which they do not take Vocal Techniques II.
