## **NOTES:**

<sup>1</sup> Piano, harp and guitar students will automatically begin their degrees in the general music track. Other students may switch to the orchestra track with approval as described in the Crane Student Handbook (in section VII). For the most part, the coursework for all students in the general music track will be the same, as is listed here. However, students for whom piano is their primary instrument will not take the listed functional keyboard courses (MUCB 101 & 102, MUCC 201 & 202) but instead take MUCC 303 in the spring of their sophomore year, and voice students do not need to take MUCC 350 Vocal Tech. Ensemble requirements will also vary depending on the student's instrument; see page 3 of this document.

<sup>2</sup> These courses can be taken either semester listed, but *must* be taken in one of the semesters indicated in order to complete the degree requirements in the prescribed time.

<sup>3</sup> See page 4 for detailed information, but the required non-music courses (aside from FW and FM) are:

- Two General Education courses that must be taken outside of music (a Science and an XC course),
- a non-music liberal arts elective (2 credits minimum), and
- the three non-music courses required for certification:
  - PSYC 220 Child Development (also counts as SA)
  - EDLS 307 Literacy Education in the Arts
  - HLTH 230 School Health (also counts as one PE/HW)

<sup>4</sup> Music Electives: students must take at least one:

- 3 credit Upper-Division Music Education (MUCE) elective,
- 3 credit Upper-Division Music Theory or Music History (MUCH or MUCT) elective, and
- 3 credits of free music electives (limit of one ensemble per semester can count towards this requirement)

“Upper-Division” means the course number must be at least 300 (typically a 3XX or 4XX course, although students may take 5XX courses as undergraduates as well).
