PE</p>	English	Math	Social Sciences/History	Biology	Geology		<p><b>Grade Requirements:</b></p> <ul style="list-style-type: none"> <li>• 2.7 or higher required grade in each Education course (EDUC &amp; EDLS courses)</li> <li>• 2.0 or higher required grade in Arts &amp; Science courses (Math, Science, English, History, etc...)</li> </ul> <p><b>Gate Requirements:</b></p> <ul style="list-style-type: none"> <li>• 3.0 or higher overall GPA (initial requirement for admission into an Education program set by SUNY)</li> <li>• Transition: 2.5 or higher overall GPA to remain in the Childhood/Early Childhood Education major <b>prior</b> to entering Block I</li> <li>• 3.0 or higher overall GPA required to enter Block I, Block II and Student Teaching</li> <li>• 3.0 or higher GPA in Education major required to Student Teach (EDLS and EDUC courses)</li> <li>• Perform satisfactory on Disposition Form</li> </ul>
English	Math						
Social Sciences/History	Biology						
Geology							

Note: Students who do not meet the Gate Requirements will be dropped from Childhood/Early Childhood Education. Students who do not meet the GPA requirement to enter Block I, Block II or Student Teaching will be dropped from the major and those courses. Policies can be found at: <http://www.potsdam.edu/academics/SOEPS/education/advising/CEC/policies.cfm>

**Specialization Areas- Includes courses below in addition to all other courses in the specific discipline**

- Students must select and declare **one** of the following Specialization Areas and be assigned a Specialization Advisor to select courses. Email [onestop@potsdam.edu](mailto:onestop@potsdam.edu) to declare a Specialization.
- Each course in the Specialization Area must be completed with a grade of **2.0 or higher**.
- Substitution of any Specialization course may occur **only** with prior approval from the Specialization Advisor.

<p><b><u>English Specialization (15-17 cr.)</u></b>  <b><u>Required- Select courses from two of the three areas below (6-7 cr.):</u></b>  <u>Communication:</u>          3 cr. – COMM 105 Survey of Human Communication or          COMM 106 Basic Principles of Speech  <u>Writing:</u>          4 cr. - COMP 201 Writing Arguments or          COMP 202 Intro to Creative Writing  <u>Literature:</u>          3 cr. - LITR 200 Literary Traditions or          LITR 201 Patterns of Literature  <b><u>Electives: (9-10 credits):</u></b>          Select courses from three of the four different areas below:          3 cr. - One 300-level COMM course or          4 cr. - One 300-level COMP course or          3 cr. - One 300-level LNGS course          3 cr. - One 300-level LITR course</p> <p><b><u>Social Science/History Specialization (16-17 cr.)</u></b>          3 cr. - HIST 379 History of New York State          4 cr. - POLS 110 US Politics          3 cr. - Upper Division Elective in European or North          American History          3 cr. - Upper Division Elective in Asian, African, or Latin          American History- Recommended- Pre-Requisite-          History 100          3-4 cr.-Upper Division HIST, ECON, POLS or ANTH          Elective</p>	<p><b><u>Geology Specialization (16-18 cr.):</u></b>          Required:          4 cr. - GEOL 200 Historical Geology (every semester)  <b><u>Choose one of the following:</u></b>          3 cr. - GEOL 380 Climate Change (fall)          3 cr. - PHYS 330 Meteorology (fall)  <b><u>Select 3 courses from the following courses:</u></b>          4 cr. - GEOL 301 Sedimentary Geology (spring)          4 cr. - GEOL 302 Principles of Paleontology (spring)          4 cr. - GEOL 410 Hydrogeology (every other spring)          4 cr. - GEOL 350 Geomorphology (fall)          3 cr. - GEOL 440 Economic Geology (some springs)          4 cr. - GISC 101 Geographic Information Systems          3 cr. - PHYS 335 Astronomy (spring)</p> <p><b><u>Biology Specialization (16-18 cr.)</u></b>          4 cr. - BIOL 152 General Biology II (Fall Only)          3 cr. - BIOL 311 Genetics (Spring Only)          3 cr. - BIOL 300 Ecology (Fall Only)          6-8 cr. - BIOL Upper Division Electives</p> <p><b><u>Mathematics Specialization (17 cr.)</u></b>          4 cr. - MATH 151 Calculus I- (MATH 141 &amp; MATH 142 =          MATH 151)          4 cr. - MATH 152 Calculus II          3 cr. - MATH 340 Set Theory and Logic          3 cr. - MATH 375 Linear Algebra I          3 cr. - MATH upper division Elective - Chosen Under          Advisement</p>
