Crime Awareness and Campus Security

Campus Law Enforcement

The University Police Department is the law enforcement agency for the campus. All University Police Officers are certified by the State of New York with full law enforcement responsibilities. All officers are required to attend a certified Police Academy in The State of New York in order to be certified with full law enforcement responsibilities. They also receive specialized training and in-service training in first aid, defensive tactics, legal updates and other law enforcement topics.

University Police officers are appointed by the State University of New York as defined in the Criminal Procedure law. They have the authority to make arrests, conduct criminal investigations, issue uniform traffic tickets, execute warrants and issue summonses for parking. The officers also enforce any general, special or local law or charter, rule, regulation, judgment or order.

The main emphasis is to protect the people, campus, grounds, and roadways within this area. The University Police have signed a memorandum of understanding that allows the University Police to assist the Village Police when requested.

The department forwards crime incident information to the Division of Criminal Justice Services (DCJS) for state and national distribution. Crime reports and related statistical information are entered into the SUNY Campus Crime Information System for statistical purposes. Potential criminal actions and other emergencies on campus can be reported, in person, by any faculty, student or staff member or by calling 315-267-2222. Or anonymously at http://www.potsdam.edu/studentlife/safety/incidentreporting/witnessform.cfm.

The University Police Department enjoys a close proximity to and a working relationship with the Potsdam Village Police, the St. Lawrence County Sheriff’s Department and the New York State Police. Crimes committed and arrests made at recognized off-campus sites are reported to this department by the Potsdam Village Police Department on a daily basis.

Alcohol and Drugs

The legal use of alcoholic beverages, narcotics, and dangerous drugs is governed by laws of the State of New York and college policy as detailed in the Student Handbook, the Code of Student Conduct, the Residence Hall Policies, the Personnel Handbook and the Policies and Procedures Manual. Irresponsible and/or illegal possession, use or sale of alcohol, narcotic or dangerous drugs and/or the resulting inappropriate behavior, is strictly prohibited.

There is a need to send both a consistent and strong message that illegal consumption of alcohol abuse as well as drug abuse and the resulting behavior will not be tolerated. The University Police Department is responsible for the enforcement of all federal, state, and local laws related to alcohol, narcotics and drugs. Therefore, all alcohol, narcotics and dangerous drug violations that are reported receive immediate attention and are thoroughly investigated.

Drug and Alcohol Abuse Education

As an educational institution, SUNY Potsdam believes that the best approach to drug and alcohol abuse is education. The college provides ongoing drug and alcohol awareness educational programs and dissemination of pertinent information as illustrated below:

Programs conducted by Counselors and Peer Educators:

Crime Prevention Programs

Orientation programs are conducted during the summer to inform parents and new students about crime prevention and personal safety. Crime prevention tips in the student newspapers and other college publications, as well as brochures distributed throughout the residence halls and department offices, enhance the educational process. University Police Officers complete ongoing checks of blue light phones and campus lighting. The reports are submitted to appropriate personnel for review and action.

University Police services include: Operation ID (property identification), rape awareness, transmittal of crime information, monitoring the blue light phone system and red emergency phones in academic buildings, publishing crime tips in campus media and on the University Police website (www.potsdam.edu/studentlife/safety).

New employees receive a campus orientation packet and are provided with information on personal safety, crime prevention, emergency procedures and other prevention measures.

Educational programs are offered each semester in the residence halls on Crime Prevention. Listed below are some of the programs offered:

- Operation Identification
- Sexual Assault Awareness and Prevention
- Personal Safety
- Drug and Alcohol Awareness

Programming on Security and Safety

The Residence Life Department is involved in sponsoring a large number of safety and security related programs on campus during each academic year. The staff in the department is dedicated to providing a safe and secure environment within the residence halls where students live and learn. The Central Office staff is a group of seasoned professionals who have a great deal of combined experience with residential living. In addition, each hall has a professional, live-in Residence Hall Director or Area Coordinator who is responsible for the overall management of the building and available to help meet students' needs, especially for emergencies that may arise after regular business hours. Moreover, there are student staff members, called Resident Assistants, who live on every residence hall floor. These students are specially selected and trained to work with students on a variety of concerns. The entire staff works together to develop a strong sense of community within the halls and to help students make the transition to living away from home. Department planned programs and activities focusing on safety and security are a big part of residence life community building.

SUNY Potsdam offers many opportunities for campus-wide programming throughout the year. These programs, designed to inform students and employees about campus security procedures and practices include: lecture series, residence hall meetings, personal safety, counseling, health services, classroom discussions and new employee orientation.

The Physical Plant Department maintains the entire campus with a concern for safety and security. Inspections of campus facilities are conducted regularly and repairs are made as needed. All safety and security hazards should be reported to University Police at ext. 2222 and/or the Environmental Health and Safety Officer at ext. 3123.

The cooperation and involvement of all members of the campus community in a campus safety and security program is essential. Everyone must assume responsibility for his/her own personal safety and security of personal belongings by taking common sense precautions. Residence hall rooms should be locked at all times. Students, faculty and staff should report to the University Police Department any suspicious persons who they believe do not belong in their residence halls or offices, or any unusual incidents that are observed. University Police officers will do presentations on safety and security related topics to any interested groups.
Crime Awareness and Campus Security

Keeping Informed
The college realizes the importance of having a system in place to advise students about security problems. The methods used at SUNY Potsdam are:

**Timely Warning** – A campus-wide notification regarding an incident or circumstance determined to present an ongoing or continuing threat to the safety of the campus community. This warning will provide the campus community the opportunity to take precautions to maximize their safety and will be issued as soon as sufficient information is available.

Timely Warnings are required for all incidents which constitute Clery Act Crimes and which present an on-going threat. These crimes include: Criminal Homicide, Sex Offense, Robbery Aggravated Assault, Burglary, Motor Vehicle Theft and Arson.

**Emergency Notification** – An Emergency Notification is issued in situations requiring immediate notification which may include but are not limited to: weather emergencies, active shooter situations, major crimes, haz-mat incidents and other dangerous situations which present an immediate threat to the health or safety of students, faculty, staff or visitors on campus.

**Campus Media** - In addition to the alert notices, the campus may utilize the campus radio station and the student newspaper [The Racquette] to alert the community of security concerns.

**Off-Campus Media** - It is often deemed necessary to utilize off-campus media (which would include local newspapers, radio stations and television stations) as an additional method of informing and updating students and other members of the campus community of security issues and concerns.

The above represents the primary method of advising the campus community of security threats or concerns. A secondary method which is also utilized involves direct contact with resident students. As part of the program of education outside the classroom, staff members (from Residence Life, University Police, Counseling Center and other college professionals) conduct discussion and training sessions on topics such as date/acquaintance rape, women’s self-defense, relationship violence, crime prevention, alcohol, drugs and other issues as needed. These programs are at various times throughout the year including:

**Counseling Center**
• QPR Suicide Prevention Training

**Student Health**
• Alcohol awareness—"Sense on Suds"
• Sex, Drugs, Rock and Roll
• National Condom Week
• Sexual Assertiveness
• Date Rape Prevention

**University Police**
• Rape Aggression Defense (R.A.D.)- Women’s Self-Defense Course
• Sexual Assault Awareness and Prevention
• Personal Safety

**Sex Offender Information**
The Sex Offender Registration Act (S. O. R. A.) requires the Division of Criminal Justice Services (D.C.J.S.) to maintain a Sex Offender Registry. The Registry has classified all of the sex offenders as to their risk of re-offending: low-risk (level one), moderate risk (level two), and high-risk (level three).

University Police Department is working closely with the Potsdam Village Police Department to keep the community informed of specific offenders residing within our jurisdiction. For more information, call the Customer Contact Center at DCJS at 1-800-262-3257 or go to their website at http://criminaljustice.state.ny.us.

Monitoring Off-Campus Criminal Activity

Criminal incidents are monitored each month by the University Police Department. All offenses and arrests (which take place at recognized off-campus locations) are reported to college officials by the Village of Potsdam Police Department and are included in the crime statistics for this campus.

Only Greek letter organizations currently recognized by SUNY Potsdam would be considered off-campus student organizations.

Annual Safety and Security Report (Clery Act) can be found on the University Police Website.

Police Log of all Reported Crimes

The University Police Department has available to the public, copies of the Daily Shift Report. This report contains all of the activities of the University Police Department for each day, which includes all reported crimes. This document is available for inspection twenty-four (24) hours per day, seven (7) days per week, at the University Police Department, which is located in Van Housen Hall. University Police also maintains a crime/fire log which is available upon request. This report only contains crimes and fires reported on campus.

Reporting Emergencies and Criminal Activity

The State University of New York at Potsdam provides to the campus community the availability of its University Police Department. The department consists of a team of people who work to create a safe environment in which to live, work and learn. The department operates 24 hours a day, 365 days a year.

Criminal acts and/or emergencies are to be reported to the University Police Department, which is located in Van Housen Hall or by calling 267-2222. Emergency telephones are available throughout campus.

An emergency “blue light” phone system is available on the campus grounds. This system provides a means for immediate contact with the University Police Department. In addition, various campus buildings have strategically located red emergency phones for emergency use.

Upon receipt of a call, appropriate University Police or emergency personnel will be dispatched to your location. Criminal offenses are investigated by the University Police for future prosecution. Further, the campus community is notified of situations that pose a threat to the safety and well-being of our community through the following methods of communication: NY-ALERT, campus alerts (emergency notifications and/or timely warnings), The Racquette (student newspaper), WAIH-FM (campus radio station) and a press release to area news media.

The University Police Department provides an on-campus escort service which is available to any student, employee, or visitor. The campus has a Disaster Preparedness Plan which provides for the dissemination of information and response to any critical incident or disaster.
Security and access to on-campus facilities is controlled by card and key access. The University Police and the Physical Plant Department monitor all access to the campus facilities. This does not include any Greek letter organizations located off-campus. Residence halls are locked 24 hours a day. Extensive foot patrols are performed by University Police Officers through all of the campus buildings each day. A special emphasis is placed on foot patrols in the residence halls between the hours of 10:00 p.m. and 7:00 a.m. In addition, door viewers have been installed in most residence hall rooms to increase safety and security.

Other security considerations used in maintaining campus facilities include the checking of campus lighting by University Police and Physical Plant personnel. The Grounds Department checks areas which may be potentially dangerous and takes corrective action.

University Police Officers provide 24-hour per day vehicle, bicycle, and foot patrols of campus properties owned by the college. Campus facilities are open to the public during the day and evening hours when classes are in session. The general public can attend cultural and recreational events on campus. Access is limited only to the facilities in which these events are held. After evening classes/functions and during times when the campus is officially closed, campus buildings are locked and only faculty, staff, and students with written permission from their professors are admitted. Campus employees with assigned offices are issued keys and are responsible for reporting missing and stolen keys.

Academic Buildings on campus are closed after 11:00 p.m. and don’t open again until 6:00 a.m. If, for any reason, you need to gain access to an academic building after 11:00 p.m., you need to request this through your faculty member and the faculty member will send the request to the University Police listing the name/s of those allowed and the time frame that this permission will be allowed, otherwise you will be referred for violating the college policy on being in an academic building after 11:00 p.m. without permission.

**Sexual Assault Awareness & Prevention**

SUNY Potsdam is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated. Specifically, SUNY Potsdam strictly prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. These acts have a real effect on the lives of survivors. They not only violate a person’s feelings of trust and safety, but they can also substantially interfere with a student’s education. It is the policy of SUNY Potsdam that, upon learning that an act of sexual misconduct has taken place, immediate action will be taken to address the situation. This includes working with State and local law enforcement to bring possible criminal charges, seeking disciplinary action through the college/university, and enforcing mandatory transcript notifications so other institutions are on notice of the offense committed.

SUNY Potsdam encourages the reporting of sexual misconduct that is prompt and accurate. This allows the college/university community to quickly respond to allegations and offer immediate support to the survivor. SUNY Potsdam is committed to protecting the privacy (and confidentiality when possible) of survivors, and will work closely with students who wish to obtain confidential assistance regarding an incident of sexual misconduct. All allegations will be investigated promptly and thoroughly, and both the survivor and the accused will be afforded equitable rights during the investigative process.

It is the collective responsibility of all members of the SUNY Potsdam community to foster a safe and secure campus environment. In an effort to promote this environment and prevent acts of sexual misconduct from occurring, the college/university engages in ongoing prevention and awareness education programs. All incoming students [and employees] are required to participate in these programs, and all members of the college/university community are required to participate throughout the year in ongoing campaigns and trainings focused on the prevention of sexual misconduct on campus.
