MASTER OF ARTS, MATHEMATICS

**Bachelor's Degree Requirements**: Applicants must hold a baccalaureate degree granted by an accredited college or university with preparation substantially equivalent to that required of mathematics majors at SUNY Potsdam.

**GPA Requirements**: The program requires a minimum 2.75 grade point average in the most recent 60 credit hours of undergraduate study, as well as a minimum grade point average of 3.0 or higher in all undergraduate coursework in mathematics.

Students typically begin this program in the Fall term, however starting off-template may be possible on an individual basis. Applications are reviewed on a rolling basis.

- **Completed online application** (Visit www.potsdam.edu/graduateapplication)
- **Letter of intent** - Expressing how the program fits your professional goals. Specific attention must be given to the program guidelines, and the document should be no greater than three pages.
- **Three letters of recommendation** - Professional/Academic References only that address your readiness for graduate study. Two of which must be from members of the mathematics faculty with whom the applicant has taken courses.
- **Transcripts from all institutions previously attended** - Unofficial copies will be accepted for the purpose of admissions decisions, however official copies must be received after commitment to enroll is received. Transcripts showing a conferred bachelor’s degree are required for full admission.
- **Curriculum vitae/resume**
- **International Applicants** must visit [https://www.potsdam.edu/admissions/graduate/apply/international](https://www.potsdam.edu/admissions/graduate/apply/international) for detailed information related to degree and language proficiency

*May be uploaded along with graduate application*
