Ms. Lori, Ms. Linda and Ms. Susan were very glad to be given the opportunity to attend this year’s SLCCC Early Childhood Conference at SUNY Canton on September 16th. The theme was “It’s all about me… or IS it?” — Honoring Our Children with Jeanine Fitzgerald. The day began early at 7:30 a.m. with a delicious breakfast that gave us a chance to mingle and catch up with colleagues. That was followed by an amazing presentation that set us up for the afternoon workshop: our own personality test using the DISC Model with an exploration of four basic personality types and ways to “adjust our fit” for greater harmony and understanding. Balancing our needs with the needs of others begins with recognizing four types of children/adults and how to connect.
