## Quiet Study Living Environment Agreement (Study Intensive)

The Quiet Study Environment is designed for students who desire to live in an environment where they can focus on their academic studies. Residents choosing to live in the Quiet Study Living Environment agree to abide by the following standards in addition to all those listed in the Student Code of Conduct.

- (1) All residents will adhere to the extended Quiet Hours. The extended Quiet Hours will be determined by a majority vote by the residents at the initial floor meeting for each year conducted by the Resident Assistant (RA). Quiet Hours will begin prior to the campus-wide Quiet Hours. The extended Quiet Hours can be reviewed and altered at any time during the academic year as agreed to and voted upon by a simple majority of residents and approved by the Residence Hall Director.
- (2) All residents are encouraged to address excessive noise issues with each another as they happen. Residents still have the option to call upon their Resident Assistant, another Resident Assistant, or the Residence Hall Director.
- (3) All residents will be responsible for the conduct of their guests. Guests include both residents and non-residents of SUNY Potsdam.
- (4) All residents will behave in a manner which promotes community within the Quiet Study Living Environment including leaving room doors open and interacting with other residents on the floor as much as possible. Residents should close their room doors during times when excessive noise may come from their room and disturb other residents in the Quiet Study Environment.
- (5) All residents will make every effort to attend programs and events implemented by the Residence Life Staff, and your RA, especially those that are related to the floor's theme.

I have read, understood, and agree to abide by the terms and conditions of the Quiet Study Environment Living agreement. I understand that this agreement shall remain in effect throughout my residency in the Quiet Study Living Environment and that the Office of Residence Life may change or modify this agreement at any time. I may terminate my participation in this agreement by moving to other college housing that is not part of the Quiet Study Living Environment. If no other space is available, I agree to abide by this agreement and these guidelines until I can locate and move into another space in other college housing. I understand that violations of this agreement may result in administrative or judicial action, which may include a reassignment to other college housing.
