PLEASE NOTE: SPCCC will be OPEN for the SUMMER of 2018. It is anticipated that we will be CLOSED for the week of August 13-17 with a Staff Development Day on August 15 and use August 16 & 17 to prepare our classrooms for the Fall.
It MAY be necessary to be closed for the week of August 20-24 depending on the new Center’s completion, the move and the licensing of the new building.
However, it is our PLAN to open the new Center on August 20th.

PLEASE COME to our annual FAMILY FUN NIGHT which is scheduled for “Music Monday” the first day of NAEYC’s Week of the Young Child on April 16th. The event will run from 4:00 to 6:00 p.m. in the Merritt Hall Gym and will feature the Native North American Traveling College. This is a five-person troupe of cultural educators: dancers, singers and storytellers. They have traveled the world breaking stereotypes and expressing the diversity in culture and practices of Indigenous people. From a Mohawk perspective you will be immersed in Iroquois life and traditions. The songs and dances are designed to be interactive and are kept simple so sharing is fun and easy. Ancestral teachings of the Haudenosaunee are ideal for everyone and focus on strengthening the human bonds between us all. (www.nnatc.org)
