Welcome to the State University of New York at Potsdam!

Your experience here at Potsdam is not only about your education, it is also about learning things about yourself and others while you are here. Our best advice to you from one student to another is to take advantage of the opportunities offered to you here. Join clubs, make friends, take classes you know nothing about and most of all talk to those around you and experience life here and all it has to offer.

The student handbook explains your rights and privileges as a student here at SUNY Potsdam. The few years you spend here will go quickly but you are likely to make lifelong friends and memories while you are here. This handbook is designed to help you better understand the expectations the university has of you and what you can expect to get from the faculty, staff, and students of this campus. It contains valuable information such as contacts for different services offered to you as a student as well as organizations and activities on this campus. Use this information wisely and it will take you far! I hope you find this information useful throughout your college career here at Potsdam.

As your Student Government Association leaders, our job is to represent you and your feelings to the faculty and staff. Please don’t hesitate to stop by our office or e-mail the SGA president with any questions, comments, or concerns you have about our campus. The current SGA President is Sandra Cruz and her office is located on the 2nd floor of the Barrington Student Union.

Best Wishes In All You Do,

Student Government Association

Administrative process for canceling classes due to inclement weather:

In the event of inclement weather and in consultation with the President, the Provost, upon the recommendation of the Chief of University Police and the head of Facilities, may cancel classes. This recommendation will be made as early as circumstances permit for day classes and by 2:00 p.m. for evening classes (classes that begin at or after 4:00 p.m.) whenever possible.

The Provost will notify the Office of College Communications and the President’s Council of the decision, at which time the Office of College Communications will notify the campus community via email and/or RAVE Alert, and contact all local media outlets. The Provost’s Office will telephone the offices of the Deans of the three Schools, CLEAR, Extended Education, Registrar and the chief Student Affairs officer, who will in turn contact those who may need to know as quickly as possible.

The decision to cancel classes does not presume cancellation of other events on campus, which will be determined on an individual basis by the sponsoring offices. When such events are cancelled, sponsors should notify the offices of College Communications, the President and the Provost, as they often receive inquiries about such matters. The campus policy on severe weather (http://www.potsdam.edu/about/safety/weather/policy) is still in place as it relates to employees and services required.

ACADEMIC INFORMATION

Graduate Programs

SUNY Potsdam is one of 12 University Colleges in the SUNY system offering graduate degree programs of study. Please refer to the Graduate Catalog for admissions information for each program. SUNY Potsdam offers the following programs in each school.

School of Arts and Sciences
The School of Arts and Sciences has two Master of Arts programs.

The M.A. in English and Communication prepares students for teaching or professional careers. Applicants should have earned a bachelor's degree with a major in English, Communication, or Writing. Outstanding applicants who hold degrees in other areas may be admitted; however, additional coursework might be required.

The M.A. in Mathematics is designed to develop students’ abilities to work independently and to enable them to obtain a basic knowledge of algebra, real and complex variables, and topology. The program prepares students for both postgraduate study and careers in the field of mathematics.

There is also a mathematics honors program, which allows students to achieve a combined B.A./M.A. within a four-year time period. Students enter this program on the recommendation of the mathematics faculty.

School of Education and Professional Studies
Several master’s degrees and one certificate program are offered in the School of Education and Professional Studies.

The Master of Science in Education leads to professional teacher certification at the early childhood, childhood, and adolescent level. M.S.Ed. programs leading to an additional certification are also available in literacy, special education, and educational technology.

The Master of Science for Teachers degree offers a graduate program leading to initial teacher certification in childhood or adolescence education to students with liberal arts backgrounds, but who have no undergraduate teacher education coursework or experience.

The Master of Science in Community Health is a degree that prepares students to practice in the field of public health, which serves to enhance health through education, research, and policy.

The Master of Science in Organizational Performance and Technology is designed to prepare students for careers in human performance improvement, training and development, with an emphasis on the use of technologies to solve performance problems.

In addition to degree programs, a Certificate of Advanced Study (C.A.S.) is available for those seeking to prepare for careers in Inclusive and Special Education. The C.A.S. completion is shorter in duration to a full degree program, but does result in an additional credential.
Graduate Programs

On-line Learning

SUNY Potsdam offers a variety of graduate and undergraduate Distance Learning courses, coordinated by the Division of Graduate and Continuing Education. More than sixty online and hybrid courses were delivered during the 2015-2016 academic year with many more under development. Courses are offered during the Fall and spring semesters, Winterim, and Summer Session.

These web-based courses are delivered through the Blackboard Course Management System hosted by the College. Designed with a student-centered approach, faculty members facilitate content delivery and activities to actively engage students in discussions, collaboration, group work, and critical thinking. Two types of Distance Learning courses are offered: (1) online and (2) hybrid (a mix of online and on-campus sessions/meetings).

For more information please visit the Online Learning web site: http://www.potsdam.edu/academics/online or email the Distance Learning Coordinator at online@potsdam.edu. Additional information is available at the Division of Graduate and Continuing Education offices, 206 Raymond Hall.
Summer Session

Spending the summer in Potsdam? There are a few good reasons for staying here during the summer months. First, the weather during June, July and August is beautiful. Just as the climate is much more inviting, so is the environment. In the nearby Adirondack Mountains, there are great places to camp, canoe and hike. Even though Potsdam is fairly quiet during the summer, excitement can be found in Lake Placid, Montreal and Ottawa. All three are less than two hours away.

Another great reason to stay in Potsdam during the summer months is to enroll in courses offered in one of our several summer sessions. If you are an undergraduate student, Summer Session is a good time for you to fulfill course prerequisites, lighten your load for the upcoming fall semester, take a travel or other type of special interest course that is not offered during the regular fall or spring semesters, retake a course to achieve a higher grade, or to make sure that you earn your degree and graduate on time.

Our summer sessions are of varying lengths, typically beginning the week after spring graduation and ending in the middle of August.

Registration for credit courses is surprisingly easy. Fax, mail or walk-in registration is available through the Division of Graduate and Continuing Education, located in Raymond Hall, Room 206. In addition, web registration, through BearPaws, is available to all matriculated graduate and undergraduate students. Additional information, including course schedules and registration, can be found on the www.potsdam.edu/academics/grace

Financial aid is available to students enrolling in Summer Session credit courses. Each aid program requires that a student be matriculated in a degree program and registered for a minimum of six credit hours. It is important to contact the Financial Aid Office (267-2162) as far in advance as possible to confirm your eligibility and to complete the necessary forms. Just in case there is a rainy or cool day, Maxcy Hall’s facilities are available Monday - Friday while classes are in session. Also open during the summer is the Advising Center, Bursar’s Office, the Student Union, the Counseling Center, Financial Aid Office, Office of Graduate Studies, Registrar’s Office, Student Health Services, the Library, the Levitt Computer Center and the College Bookstore. On-campus housing, as well as food service, is available for students during all summer sessions. Consult the Summer Session Schedule Bulletin for a complete listing of services, locations and time schedules.

In addition to over 70 undergraduate and 80 graduate courses, sports, music and language camps, as well as numerous conferences, seminars and workshops on a variety of topics are offered. Examples of camps are the Basketball Camp and the very popular and well-known Crane Youth Music Camp. Fax, telephone, mail or walk-in registration for non-credit courses, conferences and camps is available through the Division of Graduate and Continuing Education, located in Raymond Hall Room 206. The telephone number is 267-2167 or (800) 458-1142. Additional information, including course and camp schedules and registration, can be found online at www.potsdam.edu/academics/grace

Winterim

Winterim is a two-week mini-session typically offered in January prior to the beginning of the regular spring semester. Typically between 30 and 35 graduate and undergraduate credit courses are offered. Students enroll in Winterim for many reasons. The three most prominent reasons are: "To be able to graduate on time; to lighten the course load for the spring semester; and to complete needed pre-requisite courses or required general education elective courses." Additional reasons that Winterim has proven to be very beneficial with students is to: "Take a course that would not otherwise fit into a student's fall or spring schedule; enroll in a special interest/unique topic course that is not offered in regular semesters such as domestic and international travel courses; and to take a course of personal interest."

The Winterim schedule of classes is available in mid to late October with Web registration beginning in the first part of November. The full schedule and related information is also available under The Division of Graduate and Continuing Education website. Since Winterim is a "stand alone" session, the official College New York state and out-of-state resident/non-resident undergraduate and graduate per credit hour tuition rates apply. Housing in campus dormitories and special meal plans are available for students for an extra charge.

For further information regarding course schedules, registration procedures, etc., please contact The Division of Graduate and Continuing Education website at (315) 267-2165 or (800) 458-1142. The information can also be found on the College’s web site at www.potsdam.edu/academics/grace

CAMPUS POLICIES AND PROCEDURES

Alcohol Regulations

I. Statement of Purpose
SUNY Potsdam recognizes that a responsible attitude towards the use of alcoholic beverages is a desirable goal and should be encouraged by College policy. These regulations are to act as guidelines to provide members of the College community with an opportunity to develop a realistic and reasoned approach to alcohol use. They presume adherence to New York State Law and respect for the rights of all others in the College community. It is important to note that college policy does not recognize misuse of alcoholic beverages as an excuse for misconduct of any kind.

The SUNY-Potsdam Alcohol Regulations apply to all members of the College community and their guests. They are in effect for all campus buildings and the College grounds. They are meant to provide a framework through which responsible use of alcohol is a prime objective.

II. State and Local Alcohol Regulations
A. New York State Law
New York State has taken major steps to deal with alcohol abuse. The penalties for “Driving While Ability Impaired” and “Driving While Intoxicated” have increased substantially (including fines, suspension or revocation of license, imprisonment.) The best advice: If you drink, don’t drive.

It is a crime in New York State to purchase alcoholic beverages for, or to give alcohol to, a person under 21 years of age. The legislature has passed several bills to substantially increase penalties for these offenses.

Effective December, 1985, the minimum legal age for purchase of alcoholic beverages became 21. The College must comply with State law.

Effective October, 1989, a person under the age of 21 who presents an altered New York State driver’s license for the purpose of illegally purchasing an alcoholic beverage may be subject to a suspension of that driver’s license for up to 90 days and may also be required to apply to the Department of Motor Vehicles for a restricted use driver’s license following the suspension.

B. Civil Liability
General Obligations Law of New York State Section 11-100 provides for civil liability against any person knowingly causing intoxication of a person under 21 years of age by furnishing alcoholic beverages to that person or by aiding such a person in procuring alcoholic beverages. Section 11-100(Dram Act) provides for civil liability against any person selling or procuring alcoholic beverages for an intoxicated person regardless of age.

C. Village of Potsdam
It is a violation in the Village of Potsdam to possess an open container that contains or has contained alcoholic beverages on a street, in a parking lot, on a highway, on a sidewalk, in other public places or in a motor vehicle. This applies equally to the campus premises.

III. General Regulations
A. The College will not accept use of alcohol as an excuse for misconduct.
B. The violation of New York State law and the ordinances of the Village of Potsdam regarding the use and possession of alcohol is a violation of SUNY Potsdam regulations. New York State law regarding DWI and DWAI is applicable to all College property and the violation of same on College property constitutes a violation of these regulations.
C. Misconduct on College property resulting from the use of alcohol constitutes a violation of these regulations which may result in penalty as set forth in Article VI.
D. Possession of any alcoholic beverage by a person under the age of 21 is expressly forbidden.
E. Referrals of alcohol abusers to an appropriate campus program or to the St. Lawrence County Alcohol Referral Service may be a provision of any penalty or sanction for violation of these regulations.

Effective November, 1989, persons under the age of 21 who present falsified or fraudulently altered proofs of age for the purpose of purchasing or attempting to purchase alcoholic beverages are guilty of a violation.

Effective January, 1990, persons under the age of 21 are prohibited from possessing any alcoholic beverage with intent to consume the beverage. Alcoholic beverages involved in alleged violations of this law may be seized by authorized law enforcement officials.
CAMPUS POLICIES AND PROCEDURES

Alcohol Regulations

F. No vendor shall deliver, or cause to have delivered, alcoholic beverages to the campus except where such delivery is made to a College authorized representative or agent of a licensed vendor (i.e. PACES).

G. Any violation(s) of these regulations shall be dealt with in accordance with Article VI.

H. Alcoholic beverage restrictions are determined by the policy governing the type of area in which alcohol is to be involved (i.e. Thatcher Hall, residence hall room) rather than the type of event (i.e. party, function).

IV. Regulation of Alcoholic Functions

A. Campus-wide Regulations

1. Reasonable amounts of solid, substantial food and non-alcoholic beverages must be available.

2. Availability of alcoholic beverages in PACES leased facilities will be authorized by the Director of Dining Services, or designee, in consultation with the appropriate building administrator. The duration of alcohol service at an event will be determined by the vendor (PACES) as part of their responsibility as a license holder.

3. The College reserves the right to charge supervisory fees, cleaning and damage deposits for the use of College facilities. Fees are payable in advance.

4. Outdoor functions must be approved by the Director of Student Life Facilities.

5. The primary thrust of an activity should not be drinking alcoholic beverages. Advertising should promote a realistic activity and advertising will be limited to designated, controlled and appropriate places.

6. The number of persons attending a function is limited to the legal limit of the area.

B. Residence Hall Regulations - See the section on Residence Hall Living

V. Application Procedure

Sale and/or Service of Alcohol

The only group that may sell or serve alcohol on the College premises is PACES (by contract with the State University of New York). The only areas licensed for regular sale of alcoholic beverages are the Barrington Student Union, Thatcher Hall and the Student Union Patio. All other areas require that PACES purchase a one-day caterer’s permit from the New York State Liquor Authority. The permit must be visible at the event and no event will be held without this permit. This requires a significant lead time (presently 8-10 weeks—please check with the catering office for current information.) The cost of this permit will be passed on to the sponsoring group. Failure to receive a permit may require the event to be moved to a licensed facility, if available. or suggestions for modification to these policies should be made to the Chief Student Affairs Office or designee.

VI. Enforcement Procedures

College groups and individuals not in compliance with this policy may be charged under the College disciplinary system.

VII. Policy Questions or Modifications

Questions or suggestions concerning the sale and/or service of alcohol on campus should be made to the Director of Dining Services. Questions concerning alcohol regulations or suggestions for modification to these policies should be made to the Chief Student Affairs Office or designee.

5. Rights of the College

The Division of Student Affairs has designated the Office of Campus Life to provide the appropriate support for the successful implementation of these events. Following College procedure will ensure a safe and effective assembly activity. Every effort will be made by the College to respond affirmatively to all requests to engage in assembly activity. However, consideration must be given to the time, place, and manner of the assembly activity to ensure the health and safety of the participants and the non-interference with authorized College business, activities, or events.

A Campus Life professional staff member will inform you of these modifications and guide you as you plan your assembly activity.

vi. In the event that the proposed assembly activity is planned in direct response to a current event, the Office of Campus Life realizes that it may not be possible to submit a request in advance. In such cases, the event organizer should connect as soon as possible with a liaison in the Office of Campus Life in order to swiftly coordinate the assembly activity.

SUNY Health Requirements

All matriculated students taking 12 or more credit hours are required to have health insurance coverage. See the SUNY Potsdam Insurance Plan webpage for further details.

In addition, Student Health Services (SHS) must ensure all new, re-admitted, and transfer students meet state and local health requirements. The submission of these forms is tracked for each student.

Failing to comply with the health requirements will result in progressive consequences.

- Move-in: If you live on-campus you may not be allowed to get your keys until you have visited Student Health Services.
- First week of classes: You will get a message to complete the requirements every time you use your Student ID card.
- Subsequent Weeks: Your ID card will be deactivated and you won’t be allowed to attend classes.
- 30-45 days after start of classes: If you remain non-compliant with the immunization or meningitis requirements you will be dis-enrolled from SUNY Potsdam, as New York State Law demands. Failure to meet all the other health requirements will result in a “Hold” being placed on your account. You won’t be able to register for classes or receive your grades until the requirements are met.

Follow these two steps to complete your health requirements

**Step 1—Mailing Or Fax Proof Of Immunity To Measles, Mumps and Rubella To Student Health Services**

Rationale: Proving you are immune to Measles, Mumps, and Rubella is a New York State law, and is required for all students born on or after January 1, 1957.

Details: The law says that you must have received two doses of “live” measles vaccine, and one each of mumps and rubella vaccines.

- The vaccines cannot be given more than 4 days before your first birthday.
- The measles vaccines must be given at least 28 days apart.

**Choose one of these options to fulfill Step 1**

- Send a copy of your immunization record to SHS. The copy must be signed by your medical provider or school nurse.
- See your medical provider to have blood tests done to check for immunity, then have the results sent to SHS. If the tests show you are not immune you must be vaccinated.
- Have your provider fill out a “Proof of Immunization Form” and have them send it to SHS. Copies of this form can be found online.

**Step 2—Complete The Online Health Forms**

The online forms should be submitted as soon as you receive confirmation of your deposit with SUNY Potsdam. The information you enter is only accessible to the staff at SHS. Many people are experiencing difficulty completing the forms on mobile devices. Please consider filling them out on a desktop or laptop computer. Please call (315) 267-2377 or e-mail Student Health Services (shs@potsdam.edu) if you have any questions or difficulties completing them.

Access the online forms by following these instructions:

- Set your web browser to accept “pop-ups” from shsweb.potsdam.edu
- Log in to BearPAWS using your campus computer account username and password
- Open the “New Student Services” link.
- Click on “Student Health Services Portal.”
- On the "Home Screen", go to the "To Do List" and click on "Forms."

Complete the Health Information Form, Meningitis Response Form, and Tuberculosis Questionaire.

**Health Information Form**

This form asks you questions about your medical history, medications, allergies, and surgeries. If you click "yes" to any question, please wait up to a minute for a window to pop-up so you can add details. The information you submit is kept in your confidential medical record and is only accessible to the staff at SHS. Failure to submit this form will result in a “Hold” being placed on your student account, with resulting consequences (see above left).
SUNY Health Requirements and Health Insurance

Meningitis Response Form
Submission of a Meningitis Response Form is required by New York State law. Please note that the law does not require you to have a meningitis vaccine. Only submitting the Meningitis Response Form is required. The Meningitis Response Form is completed by clicking on the link. Once this is done, click "submit." Submitting this form is required for all new and transfer students (even if you've completed one at a prior school), but only for some re-admitted students. Failure to submit this form will result in disenrollment from SUNY Potsdam after 30 - 45 days after the start of classes.

Tuberculosis Questionnaire
The US Center for Disease Control and Prevention recommends college students answer a series of questions to screen for tuberculosis risk. Using this method, only some students will need actual testing for tuberculosis. You will be instructed to have further testing for tuberculosis if you are at risk.

If you are required to have further testing for tuberculosis, it must be completed BEFORE ARRIVING ON CAMPUS. Make an appointment with your medical provider and have them fill out the printable version of the Tuberculosis Testing Form. Your medical provider should follow the steps on the form and fax or mail it to Student Health Services.

SUNY Potsdam Insurance Plan (SPIP)
All domestic, matriculated, graduate or undergraduate SUNY Potsdam students enrolled for 12 or more credit hours in a semester are required to have health insurance coverage.

How To Submit A Health Insurance Waiver

You will be notified by United Healthcare whether or not your waiver is approved within a week. If the waiver is approved, the SPIP premium will be removed from your student bill 1-2 business days after that.
Health Insurance Requirement/Non-Discrimination Notice

All domestic, matriculated, SUNY Potsdam students taking 12 or more credit hours are required to have health insurance coverage. This includes both graduate and undergraduate students. Students without health insurance are encouraged to explore all available options to get coverage and submit a waiver proving they have it. Those students who do not submit an insurance waiver must purchase the SUNY Potsdam Insurance Policy (SPIP), a policy arranged by the university. Participation in SPIP is optional for domestic students taking 1–11 credit hours. The deadline for waiver submission is approximately 30 days after the start of classes. Waiver requests, and refund of the SPIP premium, are not allowed after the deadline.

Recycling Program

Recycling not only reduces waste and landfill fees, it also lowers energy, water and primary raw material requirements. SUNY Potsdam will continue to recycle solid waste such as paper, plastic, metal and glass products and access the feasibility of recycling other solid waste as well.

Recyclable Materials

Paper: Computer and office paper, newspapers & inserts, catalogs, "junk mail", books & publications including phone books and paperbacks, paper grocery bags, cereal boxes and other food boxes.

Plastic: "Pourable" plastic bottles and jugs. Recycle all containers with a 1, 2, or 3 recycling number on the container.

Metal: "Tin" food cans, aluminum cans, foil & pans, aerosol spray cans (spent), bottle and jar caps and lids, small metal items.

Glass: Bottles & jars, clear, green, and brown.

Where do I take my recyclables?

There are large recycling containers for paper, plastic, metal and glass on each dormitory floor. Each student room in the Residence Halls at SUNY Potsdam has been supplied with a recycling container to collect recyclable materials. When your student room container is full, simply empty it into the larger container on the floor. The custodial staff will pick up recycled paper (blue containers) in the academic buildings.

How to recycle

Rinse away all residue. Remove and recycle metal caps/lids. It is not necessary to remove labels or metal or plastic rings. Crush large cans, plastic bottles and jugs to the best of your ability. DO NOT crush glass bottles or jars. Remove all plastic and metal items from paper recyclables (except staples & envelope windows). Flatten all non-corrugated boxes. Place all corrugated boxes next to paper recycling container. Place all paper, glass, metal and plastic in the appropriate recycling containers.

Non-Recyclable Items

Items containing any liquid or solid residue, window and plate glass, mirrors, light bulbs, plastic bags/wrap/etc., heat resistant ovenware/ceramic dishes/clay pots/etc., foam cups, foam trays, packing peanuts, Sharps (needles, syringes, razors). *See Special Disposal Procedures below.

*Special Disposal Procedures: To protect our employees, please place sharps in a puncture-resistant container (capped detergent bottle), label it "Needles" or "Sharps" and place in clear plastic bag with rest of trash.

Sales on Campus

Generally, SUNY does not permit commercial sales on campus (including residence halls) by businesses, staff or students. There are some limited items which may be permitted as "cultural events" if they are sponsored by a campus based organization. These are items which are determined to be craft items and are sold by the craftsperson who created them. Most items, however, are either under contract to our auxiliary service corporation or would present unfair competition to local business.

The SUNY policy states, "No authorization will be given to private commercial enterprises to operate on State University campuses or in facilities furnished by the University other than to provide for food, campus bookstore, laundry, dry cleaning, barber and beautician services, and cultural events. This shall not apply to Faculty-Student Corporation (PACES) activities approved by the University."

The fact that SUNY-Potsdam is a public university does not permit individuals or businesses to operate a commercial enterprise on campus, nor does it permit individuals or businesses free access to campus buildings. Additionally, no such commercial activity may occur in the residence halls (as confirmed by the Supreme Court of the United States). Advertisers must comply with the campus posting policy.
THE POTSDAM PLEDGE

Being more than a collection of individuals, SUNY Potsdam is a community dedicated to the pursuit of common goals. While these goals can be elusive and controversial, the community described in this document reminds us not only of what we are seeking to become but of all that we share in common. A Watchful Community: remaining alert to the threats posed by hatred, intolerance and other injustices and ever-prepared to combat them.
CAMPUS POLICIES AND PROCEDURES

Office of Student Conduct and Community Standards

The Office of Student Conduct and Community Standards oversees all aspects of the student conduct system. This office works closely with students, faculty, staff, and the local community on concerns related to policy violations, conflict resolution, appropriate citizenship, academic integrity, and other quality of life issues. It is the goal of the office through coordination of the student conduct process, to help students learn to think proactively about their own behavior and its effect on others. The desired outcome is that students will accept both the responsibility and consequences for their behavior and will strive to make appropriate choices in the future.

Student Code of Conduct

General Procedures for Organizational Hearings

1. Any academic or administrative official, faculty or staff member, or student may file a complaint against an organization. The organization’s president or designee and no more than 2 other organization members shall represent the organization charged throughout the conduct process. All designees/representatives must be current students at SUNY Potsdam.

2. Any organization representatives involved in the conduct proceedings may be accompanied by another individual whose role shall be advisory only.

3. A Hearing Board member who is unable to be impartial for whatever reason shall disqualify himself or herself.

4. All investigations will be initiated by the Director of Student Conduct and Community Standards or designee.

5. The Director of Student Conduct and Community Standards or designee may do a preliminary investigation to determine if the complaint may be disposed of informally or if formal charges are to be filed.

6. If charges are filed, the accused organization shall have the choice of an Administrative Agreement in Waiver of a Hearing with the Director of Student Conduct and Community Standards or designee or a Hearing Board, as directed by the organization conduct charge letter.

7. Upon the service of notice of investigation and/or charges, the Director of Student Conduct and Community Standards or designee may suspend an organization and/or activities of said organization for an interim period pending disciplinary proceedings. This will happen at the discretion of the Director of Student Conduct and Community Standards or designee.

8. The actual disciplinary hearing shall be scheduled in a manner that is both expeditious and fair to all parties. The President of the accused organization shall receive written notification of the date, time and place of the hearing; generally 3 days prior to the hearing.

9. If a violation of the Code of Conduct and/or Greek Policies Related to Alcohol and Drugs occurs when the College is not in session, or when the end of the semester precludes conformance to the established procedures and an Administrative Agreement/Waiver of a Hearing is not a viable option, a hearing will be held as soon as administratively possible at the beginning of the next semester. This determination shall be made by the Director of Student Conduct and Community Standards or designee.

10. All disciplinary hearings are presumptively closed to the College community in an effort to maintain confidentiality of conduct/education records.

11. There shall be a verbatim record (recording) of the hearing. Access to this record must be made available to either the victim or the accused for use in an appeal.

12. No recommendation for the imposition of sanctions may be based solely upon the failure of the accused organization to answer the charges or appear at the hearing. In such a case, the evidence in support of the charges shall be presented and considered.

13. Organization Conduct Hearing Process

A. Pre-hearing discussion by board members. Board members discuss the case to ensure that all written material is understood, to develop questions that should be asked, and to ensure that any procedural questions are answered. The Director of Student Conduct and Community Standards will work with the board during this time to clarify any procedural questions.

B. Everyone involved in the hearing is invited into the room. This includes all witnesses.

C. Digital recorder is turned on.
CAMPUS POLICIES AND PROCEDURES

Student Code of Conduct

D. Introductions. Chair asks each person to introduce him/herself, giving name and what their role is in the hearing (Individual bringing forth charges, organization charged, advisor, witness, etc.) for the record.

E. Explain use of the digital recording. A digital recording is made in order to be available for an appeal. An appeal may be made by either party within 4 working days of receiving notification of the outcome of a hearing. The digital recording will be kept only for the length of the appeal period, except in cases of any form of separation from the institution when it becomes part of the permanent record.

F. Query group charged as to the appropriateness of board members. If the organization representatives objects to the participation of any member of the board, ask for an explanation. The chair will then call a brief recess so that the board can consider the objection. The chair will rule on the objection and may (1) continue the hearing with the same board (2) adjourn the hearing and take steps to have a new hearing scheduled. The organization will be asked to return to the room and the chair will announce the decision with the rationale recorded on record. If the objection is with the chair, the Director of Student Conduct and Community Standards will request an explanation and work with parties involved to determine whether to proceed or adjourn.

G. Remind all parties of the following information:

- Confidentiality of the hearing: It is expected that all information (testimony and written material) given in the hearing will remain confidential. Sharing information presented during the hearing may result in disciplinary action.

  NOTE: An organization representative may share information with the members and/or alumni as it relates to the hearing.

  NOTE: The College may choose to share information with affiliated alumni, affiliated students and group advisor as it relates to the hearing.

- Role of the advisor to either party: Advisors are reminded that they may only speak with their advisee. If the advisor has a question, they must ask their advisee to address the board.

- Presenting false information: It is a violation of College policy to present false information in a conduct hearing. Such a violation may lead to further disciplinary action.

H. Chair reviews the format of the hearing.

1. Both parties have the opportunity to make an opening statement.
2. After both opening statements, witnesses will be asked to participate.
3. At the appropriate time during the hearing, each party will have the chance to question the other and all witnesses.
4. Board members may ask questions throughout the hearing.
5. Both parties may make closing statements.
6. Finally, there will be a time for the board and either party to ask final questions to help everyone understand the incident.

I. Witnesses are asked to leave the room. In most cases, witnesses are asked to wait outside the hearing room. They are called in individually to explain whatever information they might have regarding the incident.

J. Response of the accused organization to each charge. Read each charge, completely, as presented on the charge letter. Have the organization state verbally into the recorder whether they are RESPONSIBLE or NOT RESPONSIBLE for the charge(s). For more than one charge, ask the organization to respond to each charge individually. In the unlikely event that a organization will not respond, record not responsible on the summary form.

K. Opening statement made by Individual bringing forth charges. The statement should be relevant to the charges; then

1. The board will ask questions.
2. The organization charged will ask questions.
3. Additional questions may be asked.

2. The organization charged will ask questions.
3. Additional questions may be asked.

N. Witnesses for the organization charged make statements. Each witness comes in individually.

1. The board will ask questions.
2. The organization charged will ask questions.
3. Additional questions may be asked.

O. Final comments made by Individual bringing forth charges.

P. Final comments made by organization charged.

Q. Final questions and discussion. This is a chance for everyone in the hearing to ask any final questions, which will add to everyone’s understanding of what happened in the incident and help the board to understand the organization’s perspective about the incident.

R. Explain that the board will move into closed session to deliberate. At this point, the board will go into closed session to determine whether or not the organization charged is responsible or not responsible for each of the charges and will determine sanctions if appropriate. The Hearing Board or Hearing Officer may request the Director of Student Conduct and Community Standards remain in the hearing area in case there are questions of clarification. Should there be a need for sanctioning, the Director of Student Conduct and Community Standards and the Director or Assistant Director of Campus Life will work with the hearing board to ensure the sanctions are appropriate and educational in order for the organization to continue positive growth in the campus community. These decisions will be given to the Director of Student Conduct and Community Standards or designee, who will notify the organization charged, in writing, of the board’s decision. If the organization is found responsible, they may appeal the board’s decision based on specific criteria that is defined later in this document.

14. Past History

A. The past history of an organization will not be admissible in a hearing except in the following cases:
   1. A representative for the organization presents false information during the hearing about the organization’s past judicial and/or other history.
   2. If, in the past, the organization charged was found to have violated a similar policy (“Past Violation”), the information related to the Past Violation may be considered by the Hearing Board if:
      a. The previous violation was substantially similar to the present complaint; and
      b. The previous violation indicates a pattern of behavior and substantial conformity with that pattern by the organization charged.

A victim, if dissatisfied with the sanction(s) imposed, may request the Director of Student Conduct and Community Standards or designee to file an appeal, and such request shall not be unreasonably refused.

• Appeals may be filed by the Director of Student Conduct and Community Standards or designee, on the following grounds only:
  a. that the initial hearing body failed to observe the procedural requirements established by this Code;
  b. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances.

• An appeal may be filed by the accused organization on the following grounds only:
  a. that the initial hearing body failed to observe the procedural requirements established by this Code;
  b. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances;
  c. that new evidence has appeared, that was not available at the time of the hearing, which could have substantially affected the initial decision.

NOTE: In cases of Greek affiliated Hearings and Appeal Processes, every effort will be made to ensure at least one member of each board is/was affiliated with a Greek community either at SUNY Potsdam or at his/her past college/university. While we work to ensure this occurrence, it is NOT an absolute and the hearing will proceed if there are no hearing officers or appellate board members with Greek affiliation available at the scheduled time.

C. SUNY Potsdam Sexual Misconduct Policy, Process and Procedures

SUNY Potsdam is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated. Specifically, SUNY Potsdam strictly prohibits the offenses of domestic violence, dating violence, sexual assault, sexual harassment and stalking. These acts have a real effect on the lives of victims. They not only violate a person’s feelings of trust and safety, but they can also substantially interfere with a student’s education. It is the policy of SUNY Potsdam that, upon learning
CAMPUS POLICIES AND PROCEDURES

Sexual Violence Response Policy

that an act of sexual misconduct has taken place, immediate action will be taken to address the situation. This includes working with State and local law enforcement to bring possible criminal charges, seeking disciplinary action through the college/university, and enforcing mandatory transcript notifications so other institutions are on notice of the offense committed.

SUNY Potsdam encourages the reporting of sexual misconduct that is prompt and accurate. This allows the college/university community to quickly respond to allegations and offer immediate support to the victim. SUNY Potsdam is committed to protecting the privacy (and confidentiality when possible) of victims, and will work closely with students who wish to obtain confidential assistance regarding an incident of sexual misconduct. All allegations will be investigated promptly and thoroughly, and both the Victim and the accused will be afforded equitable rights during the investigative process.

It is the collective responsibility of all members of the SUNY Potsdam community to foster a safe and secure campus environment. In an effort to promote this environment and prevent acts of sexual misconduct from occurring, the college/university engages in ongoing prevention and awareness education programs. All incoming students [and employees] are required to participate in these programs, and all members of the college/university community are required to participate throughout the year in ongoing campaigns and trainings focused on the prevention of sexual misconduct on campus.

Community expectations related to sexual relations:

• **Mutual Respect:** Sexual relations includes respecting your partner (their desires, boundaries, and body) and having open communication with the person(s) with whom you are engaging in sexual contact so that all involved are comfortable with the activity that may occur and understand the boundaries and needs of those involved.

• **Communication:** The College encourages students who choose to engage in sexual behavior to talk with each other clearly about what they want or do not want from sex prior to engaging in sexual activity. Open communication and listening includes understanding one’s own needs and desires, discussing these needs and desires with your partner(s), and, in general, creating open communication within the relationship however long the encounter or commitment. Verbal communication in sexual situations is almost always the clearest means to communicate. An environment based on open communication and listening promotes effective consent, which SUNY Potsdam considers integral to any responsible sexual relationship.

• **Cultural Awareness and Respect:** The SUNY Potsdam community is a multi-cultural educational environment where the customs and values of each individual are to be respected. Although the College’s standards regarding behavioral expectations and guidelines apply to all individuals, each person should recognize and respect the variations in the cultural expectations of others and demonstrate civility while engaging in open communication regarding sexual desires and boundaries.

Policy for Alcohol and/or Drug Use Amnesty in Sexual Violence Cases

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. SUNY Potsdam recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Potsdam strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to SUNY Potsdam officials or law enforcement will not be subject to SUNY Potsdam’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

- Student Health Services; 315-267-2377; Van Housen Hall. Sexual contact can transmit Sexually Transmitted Infections (STI), HIV, Hepatitis B and C and may result in pregnancy. Testing for STIs and emergency contraception is available. Student Health Services does HIV testing for $8, gonorrhea/chlamydia testing for $5. And syphilis testing is free. Hepatitis B and C testing is usually billed to insure and is not free.
- Canton/Potsdam Hospital, Leroy Street, Potsdam, 315-265-3300
  - Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination (commonly referred to as a rape kit) at the hospital. While there should be no charge for a rape kit, there may be a charge for medical or counseling services off campus and, in some cases, insurance may be billed for services. You are encouraged to let hospital personnel know if you do not want your insurance policyholder to be notified about your access to these services. The New York State Office of Victim Services may be able to assist in compensating victims for health care and counseling services, including emergency funds. More information may be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained here: http://www.ovs.ny.gov/helpforcrimevictims.html.

3) Protection and Accommodations:

- The College can issue a “No Contact Order”, consistent with the college policy and procedure, meaning that continuing to contact the protected individual is a violation of college policy and subject to additional conduct charges; if accused and a protected individual observe each other in a public place, it is the responsibility of the accused to leave the area immediately and without directly contacting the protected person. The campus will promptly review existing “No Contact Orders” at a party’s request, including requests to modify the terms of or discontinue the order. The parties can submit evidence to support their requests. If the campus finds it appropriate, it can even make a schedule for parties who seek to use the same facilities without running afoul of the “No Contact Order”.
  - A “No Contact Order” is provided to both the accused student and victim. This order clearly states that neither party should be in contact by telephone, text message, twitter, instant message, skype, facebook, etc..., in person or through a third party (other than an attorney). Persons receiving a “No Contact Order” should also not find themselves in the general vicinity of one another.
- To have assistance from University Police or other college officials in initiating legal proceedings in family court or civil court, including but not limited to obtaining an Order of Protection or, if outside of New York State, an equivalent protective or restraining order.
- To receive a copy of the Order of Protection or equivalent and have an opportunity to meet or speak with a college official who can explain the order and answer questions about it, including information from the Order about the accused’s responsibility to stay away from the protected person(s); that burden does not rest on the protected person(s).
- To an explanation of the consequences for violating these orders, including but not limited to arrest, additional conduct charges, and interim suspension.
- To have assistance from University Police in effecting an arrest when an individual violates an Order of Protection or, if outside of New York State, an equivalent protective or restraining order within the jurisdiction of University Police or, if outside of the jurisdiction or University Police to call on and assist local law enforcement in effecting an arrest for violating such an order.
- When the accused is a student and presents a continuing threat to the health and safety of the community, the accused may be placed on interim suspension pending the outcome of a conduct process. The campus will promptly review existing interim suspensions at a party’s request, including requests to modify the terms or discontinue it. Parties can submit evidence to support their request.
- When the accused is not a student, but is a member of the college community, and presents a continuing threat to the health and safety of the community, the accused may be subject to interim measures in accordance with applicable collective bargaining agreements, employee handbooks, and SUNY Potsdam policies and rules. The campus will promptly review existing interim measures at the request of the party who is affected by that interim measure. The parties can submit evidence to support their request.
Sexual Violence Response Policy

- When the accused is not a member of the college community, to have assistance from University Police or other college officials in obtaining a persona non grata letter, subject to legal requirements and college policy.
- To obtain reasonable and available interim measures and accommodations that effect a change in academic, housing, employment, transportation, or other applicable arrangements in order to ensure safety, prevent retaliation, and avoid an ongoing hostile environment. The campus will promptly review existing interim measures and accommodations at the request of the party who is affected by that interim measure or accommodation. The parties can submit evidence to support their request. While reporting individuals may request accommodations through any of the offices reference in this policy, the following can serve as a point to assist with these measures:

Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.
  ◊ The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay.

Options for Confidentially Disclosing Sexual Violence

The State University of New York and SUNY Potsdam want you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is aimed at helping you understand how confidentiality applies to different resources that may be available to you.

In this Policy:

- Privileged and Confidential Resources.
- Non-Professional Counselors and Advocates.
- Privacy versus Confidentiality.
- Requesting Confidentiality: How the College/University Will Weigh the Request and Respond.
- Public Awareness/Advocacy Events.
- Anonymous Disclosure.
- Institutional Crime Reporting.

Privileged and Confidential Resources:
Individuals who are confidential resources will not report crimes to law enforcement or college officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. At SUNY Potsdam, this includes:

- SUNY Potsdam’s Counseling Services Center; 315-267-2330; http://potsdam.edu/studentlife/counseling/index.cfm
- Individuals serving in a pastoral role: Campus Ministry, Barrington Student Union room 221B, 315-267-2680, smithha@potsdam.edu
- SUNY Potsdam’s Student Health Services; VanHousen Hall; 315-267-2377 http://www.potsdam.edu/studentlife/healthservices/index.cfm

Off-campus options to disclose sexual violence confidentially include (note that these outside options do not provide any information to the campus):

- Off-campus counselors and advocates. Crisis services offices will generally maintain confidentiality unless you request disclosure and sign a consent or waiver form. More information on an agency’s policies on confidentiality may be obtained directly from the agency.

- A trained advocate/volunteer at St. Lawrence Valley Renewal House, a local domestic violence/sexual assault agency (315-379-9845).
- Canton-Potsdam Hospital, at 50 Leroy Street, Potsdam (315-265-3300), ER open 24 hours. In Canton: 80 East Main St (M-F 4-9pm, Sat 9am-9pm, Sun 10am-6pm). (315-386-3300)
- REACHOUT of St. Lawrence County for crisis intervention (315-265-2422)
- Planned Parenthood of Canton (315-386-8821)

- Off-campus healthcare providers
  - Note that medical office and insurance billing practices may reveal information to the insurance policyholder, including medication and/or examinations paid for or administered. The New York State Office of Victim Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency compensation. More information may be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained here: http://www.ovs.ny.gov/helpforcrimevictims.html.

Note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to him or herself or others and the mandatory reporting of child abuse.

Non-Professional Counselors and Advocates:
Non-professional counselors and advocates can also assist you without sharing information that could identify you. At SUNY Potsdam, this includes the Wellness Advocates, trained peer counselors; 315-261-8873. These individuals will report the nature, date, time, and general location of an incident to SUNY Potsdam's Title IX Coordinator but will consult with you to ensure no personally identifying details are shared without your consent. These individuals are considered confidential resources as discussed above.

Privacy versus Confidentiality:
Even those SUNY Potsdam offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator who is responsible under the law for tracking patterns and spotting systemic issues. SUNY Potsdam will limit the disclosure as much as possible, even if the Title IX Coordinator determines that the request for confidentiality cannot be honored.

Requesting Confidentiality: How SUNY Potsdam Will Weigh the Request and Respond:
If you disclose an incident to a SUNY Potsdam employee who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality or do not consent to the institution’s request to initiate an investigation, the Title IX Coordinator must weigh your request against our obligation to provide a safe, non-discriminatory environment for all members of our community, including you.

We will assist you with academic, housing, transportation, employment, and other reasonable and available accommodations regardless of your reporting choices. While reporting individuals may request accommodations through several college offices, the following can serve as points of contact to assist with these measures: Title IX Coordinator and Affirmative Action Officer Stacey Basford, basforsl@potsdam.edu, Van Housen 392, (315) 267-2516; titleix@potsdam.edu. We also may take proactive steps, such as training or awareness efforts, to combat sexual violence in a general way that does not identify you or the situation you disclosed.

We may seek consent from you prior to conducting an investigation. You may decline to consent to an investigation, and that determination will be honored unless SUNY Potsdam's failure to act does not adequately mitigate the risk of harm to you or other members of the SUNY Potsdam community. Honoring your request may limit our ability to meaningfully investigate and pursue conduct action against an accused individual. If we determine that an investigation is required, we will notify you and take immediate action as necessary to protect and assist you.
CAMPUS POLICIES AND PROCEDURES

Sexual Violence Response Policy

When you disclose an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, SUNY Potsdam will consider many factors to determine whether to proceed with an investigation despite that request. These factors include, but are not limited to:

• Whether the accused has a history of violent behavior or is a repeat offender;
• Whether the incident represents escalation in unlawful conduct on behalf of the accused from previously noted behavior;
• The increased risk that the accused will commit additional acts of violence;
• Whether the accused used a weapon or force;
• Whether the reporting individual is a minor; and
• Whether we possess other means to obtain evidence such as security footage, and whether available information reveals a pattern of perpetration at a given location or by a particular group.

If SUNY Potsdam determines that it must move forward with an investigation, the reporting individual or victim/survivor will be notified and SUNY Potsdam will take immediate action as necessary to protect and assist them.

Public Awareness/Advocacy Events:
If you disclose a situation through a public awareness event such as “Take Back the Night,” candlelight vigils, protests, [applicable student organization or other event or forum], or other public event, the SUNY Potsdam is not obligated to begin an investigation. SUNY Potsdam may use the information you provide to inform the need for additional education and prevention efforts.

Anonymous Disclosure:
The Hotline is for crisis intervention, resources and referrals and is not a reporting mechanism.
• New York State Hotline for Sexual Assault and Domestic Violence: 1-800-942-6906

Institutional Crime Reporting:
Reports of certain crimes occurring in certain geographic locations will be included in the SUNY Potsdam Clery Act Annual Security Report in an anonymized manner that neither identifies the specifics of the crime or the identity of the reporting individual or victim/survivor. Title IX Coordinator & Affirmative Action Officer Stacey Basford: basforsl@potsdam.edu, Van Housen 392, (315) 267-2516 : titleix@potsdam.edu

SUNY Potsdam is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor). A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act allows institutions to share information with parents when (1) there is a health or safety emergency, or (2) when the student is a dependent on either parents’ prior year federal income tax return. Generally, SUNY Potsdam will not share information about a report of sexual violence with parents without the permission of the reporting individual.

HEARING PROCESS

• Pre-hearing discussion by board members. Board members discuss the case to ensure that all written material is understood, to develop questions that should be asked, and to ensure that any procedural questions are answered. The Director of Student Conduct and Community Standards will work with the board during this time to clarify any procedural questions.

• Everyone involved in the hearing is invited into the room. This includes all witnesses.

• Digital recorder is turned on.

• Introductions. Chair asks each person to introduce him/herself, giving name and what their role is in the hearing (Individual bringing forth charges, Student charged, advisor, witness, etc.)
CAMPUS POLICIES AND PROCEDURES

Sexual Violence Response Policy

• Explain use of the digital recording. A digital recording is made in order to be available for an appeal. An appeal may be made within 4 working days of receiving notification of the outcome of a hearing. The digital recording will be kept only for the length of the appeal period, except in cases of any form of separation from the institution.

• Query student charged as to the appropriateness of board members. If the student objects to the participation of any member of the board, ask for an explanation. The chair will then call a brief recess so that the board can consider the objection. The chair will rule on the objection and may (1) continue the hearing with the same board (2) adjourn the hearing and take steps to have a new hearing scheduled. The student will be asked to return to the room and the chair will announce the decision with the rationale recorded on record. If the objection is with the chair, the Director of Student Conduct and Community Standards will request an explanation and work with parties involved to determine whether to proceed or adjourn.

• Remind all parties of the following information:

  • Confidentiality of the hearing: It is expected that all information (testimony and written material) given in the hearing will remain confidential. Sharing information presented during the hearing may result in disciplinary action.

  • Role of the advisor to either party: Advisors are reminded that they may only speak with their advisee. If the advisor has a question, they must ask their advisee to address the board.

  • Presenting false information: It is a violation of College policy to present false information in a conduct hearing. Such a violation may lead to further disciplinary action.

• Chair reviews the format of the hearing.

  1. Both parties have the opportunity to make an opening statement.
  2. After each opening statement, witnesses will be asked to participate.
  3. At the appropriate time during the hearing, each party will have the chance to question the other and all witnesses.
  4. Board members may ask questions throughout the hearing.
  5. Both parties can make final statements.
  6. Finally, there will be a time for the board and either party to ask final questions to help everyone understand the incident.

• Witnesses are asked to leave the room. In most cases, witnesses are asked to wait outside the hearing room. They are called in individually to explain whatever information they might have regarding the incident.

• Response of the accused student to each charge. Read each charge, completely, as presented on the charge letter. Have the student state verbally into the recorder whether they are RESPONSIBLE or NOT RESPONSIBLE for the charge(s). For more than one charge, ask the student to respond to each charge individually. In the unlikely event that a student will not respond, record not responsible on the summary form.

• Opening statement made by College or victim. The statement should be relevant to the charges; then

  1. The board will ask questions.
  2. The student charged will ask questions.
  3. Additional questions may be asked.

• Opening statement made by Student charged. The statement should be relevant to the charges.
  1. The board will ask questions.
  2. The student charged will ask questions.
  3. Additional questions may be asked.

• Witnesses for the College or Victim make statements. Each witness comes in individually.
  1. The board will ask questions.

• Witnesses for the Student charged make statements. Each witness comes in individually.
  1. The board will ask questions.
  2. The Student charged will ask questions.
  3. Additional questions may be asked.

• Final comments made by College or victim.

• Final comments made by Student charged.

• Final questions and discussion. This is a chance for everyone in the hearing to ask any final questions, which will add to everyone’s understanding of what happened in the incident and help the board to understand the organization’s perspective about the incident.

• Explain that the board will move into closed session to deliberate. At this point, the board will go into closed session to determine whether or not the student charged is responsible or not responsible for each of the charges and will determine sanctions if appropriate. The Hearing Board or Hearing Officer may request the Director of Student Conduct and Community Standards remain in the hearing area in case there are questions of clarification. These decisions will be given to the Director of Student Conduct and Community Standards or designee, who will notify the student charged, in writing, of the board’s decision. If the Student is found responsible, he/she may appeal the board’s decision based on specific criteria that is defined later in this document.

• Turn off the digital recorder.

• All but board members leave the room.

Appeals

• An appeal of a decision from the initial hearing may be made by Director of Student Conduct and Community Standards or designee, or the student found responsible within four (4) school days of the decision except as the period may be extended by the Appellate Board. A Victim, if dissatisfied with the sanction(s) imposed, may request the Director of Student Conduct and Community Standards or designee to file an appeal, and such request shall not be unreasonably refused.

• Appeals may be filed by the Director of Student Conduct and Community Standards or designee on the following grounds only:
  1. that the initial hearing body failed to observe the procedural requirements established by this Code;
  2. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances.

3. An appeal may be filed by the responsible student or Victim on the following grounds only:
   a. that the initial hearing body failed to observe the procedural requirements established by this Code;
   b. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances;
   c. The new evidence has appeared, that was not available at the time of the hearing, which could have Substantially affected the initial decision.

- The non-requesting party will receive notice of the appeal and may submit either his or her own appeal or a written response to the requesting party’s appeal within 4 days, which the appeals board will consider together.

- The purpose of the appeal is not to rehear the underlying case; rather, it is to determine if there is sufficient information presented to allow a reconsideration of the Hearing Board’s decision.

- The Director of Student Conduct and Community Standards will ask the Appellate Board to reconsider the case based on new information presented.

- The decision of the appeal board is final.

IX. ADMINISTRATIVE PROCESS

CAMPUS POLICIES AND PROCEDURES

Sexual Violence Response Policy

**Hearing Board** - This Board hears cases involving violations of this Code which are not referred to a Hearing Officer, or to the Harassment and Sexual Misconduct Hearing Board or Officer. This board shall consist of one student and two faculty or staff. Every effort will be taken to include at least one faculty member according to procedures outlined in Section X, A. The Director of Student Conduct and Community Standards shall choose from a list of hearing officers one officer to hear each case in which a Hearing Officer has been requested. The choice of Hearing Officer shall be made by the Director of Student Conduct and Community Standards. A Hearing Officer who is unable to be impartial for whatever reason shall disqualify himself or herself. Hearing Officers may impose any of the sanctions listed in Section VII or any combination thereof of this Code. For cases of Harassment and Sexual Misconduct there shall be hearing officers appointed by the Student Conduct Council.

**The Harassment and Sexual Misconduct Board** - This Board hears cases as set forth in IX (B). This Board shall consist of one student and two faculty or staff members. They may impose sanctions as set forth in Section VII. An alternate for each Board position shall be appointed by the same process.

**The Appellate Board** - This Board is empowered to hear all appeals. The Appellate Board may review a case, deny review, remand to the disciplinary body below with or without instructions to include the choice of Hearing Officer or Board should that option not have been originally available, and/or alter the sanctions imposed below.

The Appellate Board may not alter or reverse a disciplinary agency's decision on any grounds other than those outlined in the “Appeals” section above. The burden of establishing that standard has been met rests on the party making the appeal. Further, the Appellate Board may not alter or reverse the decision of the disciplinary agency on any grounds other than that specifically cited as the basis of the appeal.

The Appellate Board shall consist of two students, two members of the faculty, and one staff member.

The Appellate Board can impose any of the sanctions set forth in Section VII, or any combination thereof of this Code.

**Administrative Agreement in Waiver of a Hearing** - Students found to be in violation of the Code of Student Conduct can have the case resolved through the Administrative Agreement in Waiver of a Hearing process (AA). An Administrative Agreement in Waiver of a Hearing would be completed only when there is acknowledgment of responsibility on the part of the student who has been charged and agreement that the sanction/s imposed is/are reasonable and fair. All parties, including the victim, must agree that the sanctions are reasonable and fair. Should the accused student not accept responsibility for the charges or accept the proposed sanction, the case will be referred to the Director of Student Conduct or designee. The case will then be heard by a Hearing Board or a Hearing Officer.
D. Resolving a Complaint by Mediation

1. The College encourages mediation whenever practical and appropriate. If the parties agree, the Office of Student Conduct and Community Standards may refer any disciplinary matter other than a reported act of academic dishonesty to the Campus Mediation Program or other resources for mediation.

2. It is within the sole discretion of the Director of Student Conduct and Community Standards to determine whether a disciplinary complaint is suitable for mediation. If mediation fails or new information comes to light about an unresolved matter than in mediation, the Director of Student Conduct and Community Standards may proceed with an investigation and the filing of disciplinary charges. The Director of Student Conduct and Community Standards may also set a date, after which it will begin to investigate the original complaint or file charges if a matter has not been successfully mediated.

3. If the Director of Student Conduct and Community Standards refers a complaint for mediation and both parties to the dispute agree to participate, the College Mediation Center will assign a trained mediator and advise the complainant(s) and respondent(s) in advance of the date, time, and place set for mediation. In order to resolve a disciplinary matter by mediation, both the complainant and the respondent must agree, first, to participate in the mediation and, second, to the proposed resolution.

4. If a student fails to comply with the terms of a mediation agreement, the Director of Student Conduct and Community Standards may take steps to enforce the agreement (including use of a Judicial Hold or the filing of new charges under the Code of Student Conduct) or may investigate the original complaint and bring disciplinary charges under this Code.

X. MISCELLANEOUS

A. Compliance with Other Laws: This Code shall be administered in compliance with the Family Rights and Privacy Act of 1974 and the Crime Awareness and Campus Security Act of 1990.

B. Survival Clause: If any part, or portion, or provision of this Code is determined to be unconstitutional or illegal, the remaining provisions of the Code shall remain in full force and effect.

Revised: June 2014

Sections of this Code, in part or in whole, come from the SUNY Cortland, SUNY Delhi and SUNY Oswego Code of Student Conduct and A 21st Century Model Student Conduct Code by Edward N. ## A Plain Language Explanation of Distinctions Between the New York State Penal Law and the College Disciplinary Processes

| Governing Law. | New York State Penal Code; New York State Rules of Criminal Procedure (or another state’s rules if the crime took place there), Federal Criminal Law, and Rules of Evidence. | Title IX; The Clery Act as amended by the Violence Against Women Act; NYS Education Law sections 129-A and 129-B. More specific rules govern particular colleges and universities. |

| How to report and whether there must be action once a report is made. | Crimes involving sexual violence may be reported to campus police (if the campus has police officers), the local police agency, or to the New York State Police. Certain crimes may also be reported to federal law enforcement agents. An investigation may be conducted without the consent or participation of a reporting individual. The ultimate decision of whether to initiate a criminal prosecution is initially made by a prosecutor. In cases involving felony charges, the final charging decision is made by a Grand Jury. | Victims may disclose sexual violence to various college employees who are designated confidential resources or to others who will try to ensure privacy to the extent consistent with the institution’s obligation to provide a safe educational environment. Disclosures made to a confidential resource will not trigger an investigation. When a report is made to the Title IX Coordinator (TIXC) or another Non-Confidential resource, the TIXC will determine whether an investigation is necessary by weighing a request for confidentiality by the reporting individual against the continuing safety of that person and the safety and best interests of the campus community. |

| Who investigates? | Police or other law enforcement officials. | Investigators employed or retained by the college or university; these individuals may work for different departments within the institution, including, but not limited to, the police/public safety department, student affairs and academic affairs. |

| Procedures | See Governing Law. Procedures established by police departments, prosecutors’ offices, etc. | College/University policies and Bylaws, which generally incorporate requirements of Governing Law. Collective bargaining agreements may impact some procedures. |

| Standard of Evidence. | Crimes must be proven “Beyond a Reasonable Doubt” | A violation of disciplinary rules must be found by a “Preponderance of the Evidence” (more likely than not) |

| Confidentiality. | Law enforcement agencies offer some confidential assistance, but a criminal charge and trial must be public. | Colleges and universities offer confidential resources, but a disciplinary proceeding requires that relevant information be shared with those involved. |

<p>| Privacy. | Criminal trials must be public. | Disciplinary proceedings are kept as private as possible, but information must be shared with certain individuals within the college, the parties, and pursuant to law. |</p>

<td>In a court, testimony is generally public. Other parties are, through counsel, entitled to cross-examine witnesses.</td>
<td>The rules are established by individual colleges and universities, but some institutions provide for alternative approaches that permit students to testify without having other parties in the room and/or to ask cross-examination questions only through the disciplinary panel, investigator, or representative of the reporting individual and/or respondent.</td>
</tr>
<tr>
<td><strong>Role of attorneys.</strong></td>

<td>In New York, a reporting individual’s prior sexual and mental health history is generally, but not always, inadmissible in a criminal case. There are limited circumstances under which directly relevant evidence of that kind may be admitted.</td>
<td>Generally not admissible, but subject to quite limited exceptions. Education Law 129-b permits parties to exclude information about their prior sexual history with persons other than the other party and also to exclude evidence of their own mental health history in the fact finding phase of the disciplinary process.</td>

<tr>
<td><strong>Possible Results.</strong></td>
<td>If a prosecution takes place, the defendant may plead guilty or “no contest” have the case dismissed by the judge (on legal grounds) be found “guilty” or “not guilty” by a judge or jury</td>

If there is a formal proceeding, the respondent may be found “responsible” or “not responsible” for violations of the institution’s rules. Respondents may also accept responsibility before a finding by an adjudicator.</td>
</tr>
<tr>
<td><strong>Sanctions.</strong></td>
<td>An individual found guilty may be fined, imprisoned, or both. In some courts, alternative sanctions are sometimes used.</td>

Reporting a Bias Incident
To further advance the principles in the Potsdam Pledge -- A Diverse Community celebrating our differences and learning from our diversity – the SUNY Potsdam Diversity and Inclusion Action Coalition (DIAC) Campus Climate, Outreach, and Bias Response subcommittee has created a Bias Incident Reporting Protocol and Form. This form is for the SUNY Potsdam community to report and respond to incidents of bias, as well as, to address issues of discrimination more effectively through educational programming and data collection to inform issues related to campus climate.

Please note: This form SIMPLY helps you to inform DIAC of what has happened and, if you wish, to ask for assistance.

This form:
- Does NOT connect you to emergency or immediate help; appropriately.
- Is not a substitute for emergency services;
- Will not report the incident to Student Conduct, University Police, or Village Police unless the committee finds the facts warrant investigation.

If you need immediate assistance or intervention, please contact University Police at (315) 267-2222.

Wheeled Vehicle Policy

SUNY Potsdam recognizes that skateboards, rollerblades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as hazard to property.

SUNY POTSDAM’S POLICY ON WHEELED VEHICLES

SUNY Potsdam recognizes that skateboards, rollerblades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as hazard to property. In an effort to continue to provide for the open use of College property of these modes of transportation, the following are adopted:

Trick or stunt riding is prohibited. Trick or stunt riding is defined as repetitive or competitive moves where wheels leave the surface. Vehicles or devices used in such a manner are subject to impounding.

No wheeled vehicle or device for personal transportation may be used in any campus building. Wheelchairs and youth strollers are exempt from this provision.

Skateboards, bicycles, rollerblades and similar wheeled devices are prohibited from any tennis court surface.

Skateboards and rollerbladers using sidewalks will do so safely and will yield the right of way to pedestrians.

Skateboards and rollerbladers using campus roadways will travel in the right lane of traffic only, as close to the right hand curb as is feasible and safe.

VILLAGE OF POTSDAM VILLAGE CODE

CAMPUS POLICIES AND PROCEDURES

Student Records Confidentiality: Rights and Procedures

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides current and former students with the right to inspect and review educational records, the right to seek to amend those records, the right to limit disclosure of information from the records and the right to file a complaint with the U.S. Department of Education. Applicants or students may also waive their rights to inspect confidential letters or statements of recommendation.

College officials may not disclose personally identifiable information about a student nor permit inspection of their records without the student’s written permission unless such action is covered by certain exceptions permitted by FERPA. Under the provisions of the Act, a college may disclose information about a student if it has designated the information as “Directory Information.” SUNY Potsdam has designated the following as Directory Information:

Student’s name, date and place of birth, address, telephone number, email address, previous institution(s) attended, dates of attendance, enrollment status (full/part time), class standing, major field of study, academic honors or awards received, past and present participation in officially recognized sports or activities, physical factors (height, weight of athletes), and degrees conferred (including dates).

In accordance with FERPA, the student’s consent is not required when a college official has a legitimate educational interest in the student’s educational record: that is, if the official needs to review this information in order to fulfill his/her professional responsibility. However, this does not constitute authorization to share that information with a third party without the student’s written consent. A “college official” is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including Campus Police and Student Health); a person or company with whom the College has contracted (such as an attorney, auditor or accrediting agent); a person employed by SUNY System Administration; a person serving on the College Council; or a student serving on an official committee, or assisting another College official in performing his or her tasks.

A former or currently enrolled student may request the Directory Information not be published in the printed or web version of the Campus Directory nor released to non-college personnel without the student’s prior consent by filing a “Request to Withhold Release of Directory Information” in the Registrar’s Office. Requests must be filed before September 1st in order to be excluded from the Campus Directory printed for the upcoming academic year. Privacy requests are valid until rescinded by the student.

Please consider very carefully the consequences of any decision to withhold Directory Information. All requests for such information from outside the College will be refused. Regardless of the effect on you, the College assumes no liability for honoring your instructions that such information be withheld.

FERPA Rights and Procedures

FERPA affords students certain rights with respect to their educational records. Students have the right to review their educational records within 45 days of the date the college receives a request for access. Students should submit to the College Registrar written requests that identify the record(s) they wish to inspect and the student will be notified of the time and place where the records may be inspected. If the records are not maintained in the office of the College Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

Students have the right to request an amendment to the educational records that are believed to be inaccurate. They should write to the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
The Department of Residence Life

Residence Hall Living

The residence halls are a vital part of the collegiate experience and an integral part of the College’s mission. At SUNY Potsdam, students spend a major portion of their time at college outside of the classroom, and the residence halls are at the center of the students’ day-to-day life. The College’s Residence Life Department believes that a residence hall should contribute to the student’s educational and personal growth. At the core of this philosophy is the sense of community, which staff members strive to create in the halls. While students may not always agree, you are expected to treat every member of the College community with respect, especially the hall staff, and comply with their requests. Cooperation, commitment to the welfare of the group, and a sense of responsibility to self and others define this community that develops as a result of living and learning together. We believe the essence of this commitment can be seen in the residence halls, which provide an opportunity for exchanging divergent views and beliefs and sharing in the diversity of our campus community.

The key element to a successful residential experience is the willingness to get involved. You can have an impact on the direction of your hall and the College through your participation in activities. We hope that you make the most of this opportunity by accepting the challenge and responsibility of being an active and contributing member of the residential community.

MISSION

The Department of Residence Life at SUNY Potsdam provides a safe and clean environment, resourceful staff, and learning experiences for the diverse members of our residential community in pursuit of their educational goals.

VISION

We aspire to be a distinctive educational community where intentional student learning is our focus. We will be a catalyst for student excellence by providing staff, facilities, services, programs, and activities that foster student retention and success.

- we provide staff who are caring, dedicated, diverse, professional, and well-trained in order to provide support and guidance to our students;
- our facilities will be clean, safe, accessible, and modern and include amenities and furnishings that contribute to student success;
- and programs offered will promote community development and active campus involvement in order to serve the interests and needs of our diverse students.

LEARNING OUTCOMES

Participation in our Residence Life Program provides students with the skills, abilities and knowledge to:

1. **Self-Discovery & Development**
   Students will grow in their understanding of themselves; building upon their strengths and improving their shortcomings.

2. **Community Engagement**
   Students will learn to form healthy, interdependent, and meaningful connections with others by embracing civility and diversity.
Residence Life

Residence Hall Living

All residence halls are locked by the keyless entry system and checked regularly by the Residence Life Staff as well as patrolled by University Police. Each student will be issued at check-in an individual key to his/her assigned residence hall room/suite/apartment/Town House. College issued SUNY ID Cards will allow residential students access to the residence hall. You are responsible for carrying your key(s) and SUNY ID Card with you at all times.

- Shut the exterior doors to your building after you use them.
- Do not prop open the exterior building doors. This creates a potentially dangerous safety situation. University Police will monitor and respond to any propped exterior doors.
- The Residence Halls have red emergency phones on each floor/house that direct dial University Police.
- Keep your room/suite doors locked at all times for your own safety and the protection of your valuables. This includes when you are sleeping, doing laundry, and in the bathroom.
- It is important that any strange behaviors, strange persons and maintenance or safety concerns are reported immediately to the residence life staff or University Police.
- Do not leave your personal property in an unsecured area, especially laundry unattended in the laundry room.
- It is recommended that students mark their personal belongings and record serial numbers.
- There is 24 hour card access for residential students only. Students should not let in people they do not know. This includes students who want to “tail-gate.”

The residence halls have a variety of staff available to assist students with emergencies. This includes a number of live-in professional and paraprofessional staff members who are specially selected and trained. These staff members are available day and night to address situations that might arise. In addition, a number of other departments have staff available after traditional college business hours. The Counseling Center has student staff (Wellness Advocates) and professional staff on call during the evening hours and weekends for psychological issues. The University Police Officers are on campus 24-hours a day, 7 days a week for safety and security. The maintenance department has 24 hour coverage for facility related concerns. Lastly, the Campus Rescue Squad (CRS) is available to address any medical related issues when classes are in session.

Safety is of particular concern over college vacation and break periods. There are fewer numbers of both students and staff in the halls during breaks. Please take extra precautions during these times and make sure that the residence life staff is aware of your presence in the building. Not all halls are open for all breaks and vacations.

Some areas of the Residence Halls are subject to video surveillance. Video surveillance is limited to public, common areas of the residence halls to include building entrances, lobbies, lounges, elevators and elevator areas, stairwells, laundry rooms, recreation rooms, storage rooms, and hallways that do not contain student rooms. Video surveillance can be used to assist with investigations into policy violations and/or unlawful behaviors.

College Policies

Published college policies supersede all residence hall regulations and terms of housing license. Students are responsible for knowing and abiding by all of the information published by SUNY Potsdam, especially those distributed by the Office of Residence Life. Students who violate policies are subject to action through the Student Conduct Office.

Housing Policies

Bathrooms

Bathroom designations are posted and are for use of the designated sex only (except in gender inclusive, co-ed housing areas, suites with baths, and Town Houses). Bathroom areas are public spaces and appropriate behavior is expected. Showers are for single occupancy use only. Creating excessive messes are subject to individual and community billing.

Building Access

College issued SUNY ID Cards will allow residential students access to all of the residence halls. The keyless entry system is activated 24 hours a day and students are responsible for carrying their SUNY ID Card at all times. Students may not give their SUNY ID Card or access to their CBORD Mobile ID App to another student for any reason at any time. Students should only allow entry to their own guests into their building.

Checking In

When you check in to your residence hall you will be asked to fill out and sign a room condition report (RCR) (and in multi-person accommodations such as a suite, apartment or Town House you will also fill out a common room condition report (C-RDR). This is a record of the room’s contents noting the condition of the room and its furnishings at the time you accept occupancy. Your signature indicates acceptance of the conditions noted. You will be assessed a damage charge for any conditions which differ from those specified on the room condition report when you check out.

When you check in, you will receive your room/suite/Town House key, a variety of information and you will be asked to pay a hall activity fee.

All students must be in compliance with the College’s immunization policy and be in good financial standing with the College at the time of check-in.

Students who are approved in advance to come back early and do not have an approved academic reason to be back will be assessed a $20.00 per day fee.

Checking Out

At the end of the school year or when you officially leave a room, you are responsible for returning the room to its original condition including returning all furnishings. Rooms should be left reasonably clean: door, walls and furniture cleaned, floors swept, and garbage and all personal belongings removed. At the time of check out, you must have your room inspected by a residence life staff member and you must sign out on the room (RCR) (and C-RCR if applicable) you reviewed upon entering. At check out, the staff member will take inventory and record changes to the entering condition. Failure to return keys at the time you are checking out of your room will result in an automatic lock change and a charge of $50.00. The building staff and Assistant Director for Housing and Operations will make a final damage assessment by the end of the semester. If damages are assessed, the amount will be added to your student account. See damage section for more information about damage billing. Failure to sign out on the RCR and/or C-RCD does not preclude the ability to bill for damages. Personal items left behind after checkout or separation with the College may be subject to a daily storage fee.

Common Area Spaces

Sleeping, smoking and storage in residence hall lounges, hallways, bathrooms, lobbies, and stairwells is not permitted, including bikes. People found sleeping in lounges may be asked for identification and asked to leave.

Entering Student Rooms

SUNY Potsdam recognizes and respects your privacy; however, the College reserves the right to enter apartments, suites, Town Houses, and residence hall rooms for inspection, cleaning, or maintenance purposes at reasonable times. For routine maintenance requests, students need to give permission for entrance or be present at the time repairs are made. Upon approval by the Director of Residence Life and/or his designee, a room can be entered without notice when there is reasonable cause to believe a violation of College policy has occurred or is taking place. Apartments, suites, Town Houses, and residence hall rooms will be entered any time the halls close, including Thanksgiving, semester break, and spring recess. There may be entry without notice in

emergencies where imminent danger to life, safety, health, or property is reasonably feared. Prohibited items found may be confiscated by College staff.

Students do not have the right to enter other students’ room without permission. Staff will not grant access to apartments, suites, Town Houses, or rooms by friends, relatives, or other students. You should keep your door closed and locked and contact a staff member or University Police if you have concerns about who is coming into your living space. Students agree to allow the College to conduct periodic health and safety inspections. Students will receive notification at least 24 hours in advance from the College staff whenever possible.

Furniture

Elevation of beds by placing bed frames on cement or wooden blocks, window sills, radiators, or other furniture is strictly forbidden. Students may not stack pieces of furniture (other than bunk beds) whether college-owned or personal. Bunked beds and other furniture may not block or interfere with the operation of the windows or doors.

Students are not permitted to have waterbeds nor lofts in rooms, suites, apartments or Town Houses. Students are not permitted to bring in any of their own furniture unless it is approved in advance by the Residence Life Office.

Holiday Decorations

Strict guidelines for the use of holiday decorations have been developed in order to minimize the fire safety hazards inherent in the use of such materials in college residence halls. All students must abide by these guidelines, fire safety policies, posting policies and NY State Building and Fire Codes.

(1) All decorations used must be non-flammable and fireproofed. Lights must be non-heat producing. Electrical cords should be plugged directly into outlets or power strips with surge protectors that are not overloaded. Live trees, wreaths, corn stalks, hay, etc. are not permitted at any time.

(2) The use of candles is prohibited everywhere in the residence halls.

(3) Please do not use washable paint, chalk or spray snow on walls, doors and lounge windows including outside brick walls.

(4) Lights and light fixtures cannot be decorated or covered.

(5) Decorations may not be hung on sprinklers, heat and smoke detectors and other fire safety equipment.

(6) In the event a common area space is being used for a holiday event, the area can be decorated on the day of the event and must be cleaned immediately after it is over.

(7) Students are strongly encouraged to practice good energy conservation.

Housing License

All students living on campus sign a full academic year license for room and board and are billed accordingly. Students are not permitted to sublet their rooms. Releases from the housing license are subject to a $250.00 termination fee.

Keys

Upon check-in at the residence halls, each resident is issued a room key (and suite, apartment, or Town House key if applicable). If you lose your room key(s), you must go to the Office of Residence Life and request a lock change. Lost keys will result in a lock change and the resident will be assessed a $50.00 charge which includes the lock change and new keys.

Failure to return a room key when checking out of your room will also result in a lock change together with the $50.00 fee. If fees are not paid a hold will go on the student’s account until the fee is paid.

All keys remain the property of SUNY Potsdam. Unauthorized use or possession of a master key or any other keys that have not been officially issued to you is considered a serious offense and will result in disciplinary action. Students are responsible for carrying their room key at all times. Students may not give their room key to another person for any reason.

Lounge Furniture

Furniture in the common areas of the residence halls is designed for the use of all members of the residential community and may not be removed to individual rooms or suites. Any student found with unauthorized state-owned common area furniture in his/her room or suite will be subject to action through the student conduct system.
Residence Life

Occupancy
At the opening of school for the fall semester, the halls will open 2 or 3 days early for occupancy. Students can return to campus at the start of Winterim for the spring semester. At the end of each semester, the halls will close at 12:00 noon on the day after final exams end. All Residence Halls will remain open during both the fall and spring semesters. Students may need to sign up with a residence life staff member to stay over the Winter/semester break in order to have card access to their building. Any student found in a closed area (or open area without registering) during a break or vacation is subject to arrest and/or charges through the conduct office.

Students withdrawing from school during the year must vacate their rooms within twenty-four (24) hours of the date of withdrawal. Special requests will be considered by the Director of Residence Life or designee and are subject to charges. With the exception of students participating in graduation, students must vacate their rooms within twenty-four (24) hours after their last examination. Requests to remain on campus through commencement must be made through the Director of Residence Life or designee. Students graduating will vacate their rooms after graduation exercises. Registered summer sessions students may be allowed to stay longer, until the summer session housing area is ready for occupancy.

Property Insurance
SUNY-Potsdam assumes no responsibility for lost, stolen, or damaged personal property, for any reason at any time, and has no insurance coverage protecting student’s property. It is recommended that the student contact an insurance agent concerning possible protection against such losses or for coverage under a family homeowner’s or renter’s policy.

Residency Requirements
The State University guidelines pertaining to campus residency mandate that “every student in full-time attendance at a state operated unit of the University, other than married students or students residing with a parent(s) or guardian, shall be required either to live in a dormitory maintained by such unit or to have permission under such provisions as made therefore by the Director of Residence Life of such unit to live off campus...” Specifically, SUNY Potsdam requires all students who enter as a new, first year students (i.e. freshmen) to live on campus for 2 years or 4 semesters. In addition, all new transfer students are required to live on campus for their first year or 2 semesters.

The residence halls are designed to complement the academic mission of the institution. Thus, students living in the residence halls must be full-time students in order to live in college housing. Exceptions to these will be considered by the Director of Residence Life or designee. In addition, students must be in good financial standing and have up to date health records, including immunizations.

Living in a college residence hall requires student status. Students who live in the residence halls are expected to actively engage in activities that will result in satisfactory academic progress. Such activities include, but are not limited to, regular class attendance, completing readings and assignments outside of class, finishing papers and projects in compliance with class syllabi; and preparing for and taking examinations. Failure to be involved in academic work in a purposeful way will jeopardize your ability to live in the residence halls.

SUNY Potsdam values the educational experience offered to students living in our Residence Halls. Therefore, all full-time students who enter the College as new, first year students (i.e. Freshmen) are required to live on campus for 2 years or 4 semesters and new transfer students for 1 year or 2 semesters unless they:

1. Student lives with their parent(s) or legal guardian(s) at their official residence (domicile) within a 60 mile radius from campus. Domicile shall be defined by the rules pertaining to official residence in the Office of the College Registrar.
2. Have dependent children residing with them.
3. Student is married.
4. Student is twenty-one (21) years of age as of September 1, for fall admission or January 1, for Spring admission.
5. Student is a Veteran.

Full time undergraduate students may request to live off-campus by submitting a petition for exemption or release to the Director of Residence Life or his/her designee with a valid reason and supporting documentation.

Room Assignments
Students may express preference for a building, room and roommate during the housing sign up process. Whenever possible, Residence Life tries to honor the specific requests of students. Although students may request a particular building and/or roommate, Residence Life cannot guarantee that these requests will be fulfilled. The Office of Residence Life reserves the right to assign or reassign students’ campus housing assignment for administrative purposes and/or for the best interest of the residential community. In addition, The Office of Residence Life can also ban students from certain areas/buildings, including guests of stu-
Most students are housed in traditional double rooms. A certain number of suites, apartments, Town Houses, triples, and singles may be available each semester as total occupancy numbers permit. Single rooms can be requested in the Office of Residence Life, including requests for medical singles. If a student is left alone in a double room and is uninterested or unable to secure the room as a single, students may be consolidated with other students in the same situation only within the same residence hall floor/house. Students left alone in an accidental single must only occupy their half of the room.

Room assignments can be canceled if students do not remain in good academic or financial standing or in compliance with other College requirements (i.e. immunization).

Room Changes

Students requesting a room change must see their respective AC/RD/GA before making any moves. All professional staff involved must assist the student in filling out a Change of Occupancy form. All Change of Occupancy forms must have the director’s signature. Once this is accomplished the student must bring the form to the Office of Residence Life and obtain their new room key. Students must officially check-out of their former room and officially check-into their new room. Check-out/ check-in must be done with a Resident Assistant who must complete a Room Condition Report for each room (and one for the common area if applicable in suites, apartments, and Town Houses). Failure to return the Room Change Form and old room key to the Office of Residence Life within 72 business hours may result in a hold being placed on the student’s account for charges resulting from a lock change. There are no room changes during the first two weeks of fall and spring semesters and the last 2 weeks of the fall semester.

Room Charges

Students are billed for the entire academic year in two equal installments. Payment is due by the beginning of each semester (less deposit). Extra charges will not be levied when single occupancy of a double room has not been requested and is beyond the control of the student. You will be responsible for the full cost of your room whether or not it was your first choice of options or you have been actually living there. Students who withdraw from the College are liable for payment of the room in accordance with the following schedule:

If a student is removed from the residence halls due to disciplinary reasons or failure to comply with College requirements (i.e. immunization), there is no refund.

Student teachers or others with academic commitments assigned outside the Potsdam area for part of the academic year can be offered a semester housing license. Permission for a semester housing license must be granted by the Director of Residence Life.

Storage

There is a limited amount of long-term storage space available in the residence halls throughout both the academic year and the summer. Items placed in storage may be limited in quantity or size based on space available and must be non-flammable. Access to items in storage will also be limited during the year, thus items placed in storage must be things that students will not need on regular basis. SUNY Potsdam is not liable for damage, theft or loss of property of items that are in storage areas. For permission to store or access personal or college items to or from storage, please consult your AC/RD/GA or RA.

In addition, all items must be removed from storage areas by September 15 of the following academic year. Any items not removed by September 15 may be removed and/or discarded. Exceptions to this for student teachers and a semester abroad may be approved by the Assistant Director of Housing and Operations.

College provided furniture must remain within the room/suite/apartment/Town House and will not be removed nor stored.

Due to fire regulations, paper/card board cartons/boxes are not permitted for storage use anywhere in the residence halls.

Bicycle storage is available in a central area in Knowles Hall during the winter months. Due to safety regulations, students are not allowed to store bicycles in hallways, lounges, lobbies, basements or stairwells at any time.
Vacations and Breaks

Before departing for vacations or breaks, you should unplug all electrical items, empty your wastebasket, dispose of perishable food, close and lock your windows, leave your blinds open and lock your doors. You should also notify your Resident Assistant as to the time you will be leaving. Staff will inspect rooms to ensure that the above conditions have been met. Students do NOT need to check out or turn in keys for break, recess and vacation periods.

Maintenance

Damage

Students are held responsible for damage beyond normal wear and tear to their room, common areas of the residence hall (i.e. hallway, stairwell, bathroom, lounge, etc.) and college provided furnishings. If damage occurs in a common area, the individual(s), if known, can be charged both judicially and financially. Damage amounts will be added to the student’s bill, most commonly at the end of each semester. Students will have until February 1st for fall bills and August 1st for spring bills to appeal IF they have checked out properly and signed their room condition report. Appeals must be made in writing to the Office of Residence Life through the web form. Students will be responsible for payment before the start of the next semester. Failing to pay this bill will result in a hold being placed on all official college records.

If the individual(s) cannot be identified, the community affected will be subject to the following Community Billing Process.

(1) The Resident Assistant will hold a meeting with all of the members of the living unit to discuss the incident(s) and ask for the cooperation of all residents to discontinue the problem behavior.

(2) If the problem continues, the AC/RD/GA will send a formal warning letter to all residents within the living unit as well as conduct a meeting to further discuss the college policy and violation.

(3) If, after the first two steps are taken and the damage/vandalism continues without being able to identify the responsible person(s), then all of the residents who live within the living unit will be billed to cover any repairs or excessive cleaning. The bill will consist of a listing of all of the damages done to that area divided by the total number of students in that area.

Damage Costs

The following is a list of costs for common damages in student rooms. Unless otherwise indicated, the prices represent replacement costs. All costs include labor and administrative fees, but IFR (Income Fund Reimbursable) is extra.

Room checks will be conducted after commencement to confirm that this equipment is in place and in good working order. If any of this equipment is missing or damaged from a room, all occupants of the room will be billed an equal portion of the replacement cost listed below.

Housekeeping
Each hall's cleaning staff maintains the public bathrooms and those found in suites and common areas (i.e. lounges, bathrooms, stairwells, hallways, etc.). They are responsible for the day-to-day general cleaning, but not for cleaning up excessive messes left by students. As members of the residential community, you should encourage fellow residents to share in accepting responsibility for ensuring that excessive messes are cleaned up by the responsible individual(s) and that college property is not damaged. Students are responsible for keeping their room/suite in a neat and orderly condition at all times. Willfully creating a housekeeping problem within a room/suite or common area will be considered a disciplinary matter and the community billing policy may be applied when appropriate (see damage section).

Repairs
If there is something in your room or building that is in need of repair, speak to your RA or AC/RD/GA. S/he will submit a maintenance request which notifies the maintenance staff of the needed repair. Repairs are handled on a priority basis with safety and security repairs taking precedence. In the event that a maintenance problem is not promptly resolved, it should be brought to the attention of your AC/RD/GA. Continuing unresolved problems should be reported to the Office of Residence Life. Students will need to notify the staff that the College has permission to enter the room when they are not present for routine, requested repairs.

Room Decorating and Personalization
Students are encouraged to personalize their room/suite/apartment/Town House as long as it does not cause any damage. All personalization projects must be removed at the time of check-out. Any subsequent damage will be billed accordingly. When in doubt, students should seek permission from the residence life staff before beginning any personalization project.

Sustainability
All students are expected to comply with all College policies and regulations in regards to recycling. Students are also required to use compact florescent light (CFL) bulbs in all fixtures within the room/suite/townhouse. Students are asked to use Energy Star or energy efficient appliances within the room/suite/townhouse/apartment.
Residence Life

Waste Disposal

Students are responsible for the proper disposal of garbage and waste according to published procedures. This includes, but is not limited to recycling, batteries, computers, printer cartridges, broken glass, medical waste, needles, etc. Central areas are provided in each residential area for this purpose. Personal waste from rooms should not be discarded in bathrooms. Special receptacles for medical waste and needles are available through Student Health Services.

Residence Life Safety Policy

Alcohol

Possession and/or use of alcoholic beverages in the residence halls are governed by New York State Law and College Policies. Students of legal drinking age can consume and possess alcohol in rooms/suites of the residence halls only (except those living in FYE buildings). Those students under 21 cannot. More specifically, the alcohol policy states:

1. Students under 21 years of age may not use, possess, distribute, sell, or knowingly be in the presence of alcoholic beverages on the college campus or in the SUNY Potsdam community except as expressly permitted by the law or college policy.
2. Regardless of your age, it is a violation for you to provide, either directly or indirectly, alcohol to someone under the age of 21. This includes your roommate(s) and/or suitemate(s).
3. Alcohol is not permitted by any person in all public areas of the residence halls (public areas being defined as outside a student room, suite, apartment, or Town House). Students who are under 21 cannot possess alcohol anywhere within the residence halls at any time.
4. It is a violation to possess or use false or altered age documentation to obtain alcohol.
5. This policy prohibits kegs, beer balls, and other common source containers (i.e. “garbage can” punches) and also does not allow for rapid consumption devices such as beer pong apparatus, beer bongs, tubing, funnels, etc.
6. Student are not permitted to engage in any type of drinking games in the Residence Halls to include, but not limited to: card games, beer pong, quarters, caps, Beirut, etc.
7. Students of any age are not allowed to make any form of alcohol in the Residence Halls. Possession of any equipment for the purpose of making alcohol is expressly forbidden.

Bomb Threat Policy

It is against college policy and the law to falsely report a bomb threat.

Drug Policy

Students may not use, possess, distribute, sell, or knowingly be in the presence of marijuana, synthetic marijuana, other illegal drugs, and/or prescription medication that is not prescribed to you. Any items that can be utilized for or are designed for the use of drugs (e.g. bowls, bongs, hookahs, etc.) are prohibited. Any items that are fashioned for the purpose of drug use will also be considered a violation of this policy.

Electrical Appliances

New York State Code prohibits cooking within Residence hall rooms and suites as cooking appliances can create significant fire safety hazards. The following items are the only cooking appliances that students are allowed to have and use within student rooms/suites: coffee pots, refrigerators (no larger than 4.0 cubic feet) and microwaves (not to exceed 1000 watts). Since the rooms/suites are not designed for substantial cooking, designated cooking areas are provided in each residence hall. Electrical appliances that are allowed must be plugged directly into a wall outlet or power strip with surge protector. All appliances other than refrigerators must be unplugged when not in use. All appliances that are powered by sources other than electricity are not permitted in the residence halls. Window air conditioning units and space heaters are not permitted in the residence halls. Energy Star/energy efficient appliances are recommended for use in the halls. Light fixtures must have the recommended wattage bulb in them.

Endangerment

Any action or situation which recklessly or intentionally endangers the mental or physical health of one's self or others is not permitted. Serious situations may be referred to the University Police and/or Counseling Center for a possible leave of absence.

Fire Safety

All fire safety policies are governed by and must comply with the Fire Code and Building Code of New York State. Items that
Residence Life

Residence Hall Safety Policy

violate the State Code or College Policy may be confiscated. Tampering with fire safety equipment is a criminal offense. False activation of a fire alarm system or tampering with or dismantling fire bells, fire hose, extinguishers, heat or smoke detectors, exit signs, sprinklers, or other miscellaneous safety equipment is considered a serious offense. Fire safety items are delicate pieces of equipment and must be respected. Never play hall sports around, nor hang items from, nor covered up these items. Residents are required to maintain at least a 24 inch area of clearance around all fire safety equipment (i.e. sprinklers, fire alarms, smoke detectors, heat detectors, etc.).

All residents and guests must leave the residence halls when the fire alarm system is activated. Violators will be subject to both college and civil penalties.

Smoking (and all tobacco products) is not permitted anywhere within or around the Residence Halls as this is a tobacco restricted campus. This includes use of smoking devices (i.e. electronic cigarettes). Use of any tobacco must be in designated outside campus locations.

Blocking hallways, stairwells, windows, and other emergency exits or impeding the proper functioning of doors is also expressly forbidden. This includes students being prohibited to leave any item in the hallway (to include entrances and hallways within apartments and Townhouses), including furniture, footwear, bikes, and personal items.

The possession and use of fireworks is illegal. Items that emit an open flame (e.g. candles, incense and potpourri that require ignition for their use), flammable liquids (i.e. gasoline, ether, paint, butane, propane, etc.), flammable materials (i.e. charcoal, lighter fluid, etc.) hazardous materials (i.e. chemicals from science labs, etc.) are not permitted within the residence halls and must be at least 50 feet away from any building. This includes all machinery, vehicles and equipment that use flammable liquid to operate them (i.e. dirt bikes, motorcycles, etc.). Electrically based air fresheners must be plugged directly into a wall outlet.

All forms of halogen lamps and multi-colored floor lamps are not safe and pose a significant fire safety danger. Thus, they are not permitted anywhere in the residence halls. The use extension cords or multiple outlets are fire safety hazards and are not permitted. Students must use 3-pronged power strips that have built in circuit breakers, are UL-listed and be made of 12 gauge or larger wire. Power strips must be plugged directly into the wall. Any type of electric heater and window air conditioning unit is prohibited in the residence halls.

Students may not affix anything to the ceilings in their room (i.e. curtains, tapestries, etc.) nor may items be hung in front of the room door, window, or used as a room divider. All wall hangings must cover only one wall and cannot be affixed on two or more walls or the ceiling or doors. Any items made of fabric (i.e. tapestries, clothing, fishnets, sheets, etc.) are not allowed to be hung on the walls. Curtains are the only fabric item allowed to be hung and they must be fire retardant and have a tag attached that verifies this. Items on walls must be at least twelve (12) inches below the ceiling. Wall postings must not exceed 50% of the total surface area. Flammable materials are not to be posted on the exterior surface of room doors or on walls or hallways unless covered with contact paper. Exterior room door postings are limited to one door/name tag per resident, one 8½ inch by 11 inch posting per resident, and one dry erase or cork board per room/suite/apartment. Please refer to the Posting Policy for more information. Moreover, it is against college policy to purposely or carelessly ignite a fire including those items that are posted in common areas.

All hands-free, self-balancing scooters (more popularly known as Hoverboards) are not allowed to be used or stored in the residence halls.

Gambling

All forms of gambling are prohibited within the residence halls.

Guests

The College does not permit long-term guests or long-term co-habitation of residents with guests. Anyone who does not live in a particular room/suite/apartment/townhouse is considered a guest of that room/suite/apartment/townhouse. It does not matter if you are a student here or not, if you are not assigned to live in that space you are a guest. The College’s policy allows for our students to host guests. The intention of the following policy is to allow students greater freedom, while reducing misuse of that freedom at the expense of their room/suitemate(s).

If a resident wishes to have a guest in his/her room/suite, it must always be with the consent of the other students living in the room/suite/apartment/townhouse. Overnight guests are limited to 1 person per resident. Any guest that will be here for more than 24 hours must be registered with a member of the Residence Life Staff. An overnight guest will not stay any longer than 72 hours per month. All guests, who are not current SUNY Potsdam students, must be 18 years of age or older. All requests for exemptions to this policy, including siblings less than 18 years of age, must be made to your AC/RD/GA for approval and
Residence Life

registration well in advance of the guest’s arrival and emergency contact information provided.

It is the responsibility of the host to explain all college policies to their guest(s). The host will be held accountable for the actions of his/her guest(s). Residents must meet their guests at a building door to give them access to the building. Guests should not be left unattended in the residence halls without his/her host. Non-SUNY Potsdam students who are in the residence halls without a host and/or without being registered are subject to arrest for trespassing. Hosts will be held responsible for the guest’s activities. A roommate can also be held accountable for his/her knowledge of behavior of a guest in a room/suite that violates SUNY-Potsdam policy.

Hall & Quad Activities

Because of the risk of physical injury or damage to facilities, students are encouraged to be careful around residence halls and quad areas. Nerf™ and whiffle balls, hacky sack, Frisbee, soccer, volleyball, and playing catch with a baseball, softball, football or lacrosse ball are permitted within the quad areas. All other athletic activities (playing a game of football, baseball or softball with a bat, lacrosse, etc.) are prohibited in the quad areas and should be restricted to the athletic fields surrounding the halls.

Skateboards, roller blades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as a hazard to property. Thus, trick or stunt riding is prohibited. Trick or stunt riding is defined as repetitive or competitive moves where wheels leave the surface and those acts that use railings, curbs, stairs, etc. Skateboards and roller blades using sidewalks will do so safely and will yield the right of way to pedestrians.

The above listed physical or recreation activities or others that could be defined as Hall Sports (including metal tipped darts, wrestling, etc.) are not permitted within the residence halls. Wheel chairs and child strollers are exempt from this. Exceptions also include the use of pool, Ping-Pong, and air hockey or foosball tables in designated hall recreation rooms.

Improper Use of College Property

Tampering with and/or unauthorized use of the college provided technology and equipment is prohibited. This includes improper use of e-mail and the internet (see Information Technology Acceptable Use Policy) and all forms cyber-bullying and cyber-stalking. Access to roofs, mechanical rooms, service areas and other locations not designed for student use is prohibited.

In addition, students are not allowed to operate a commercial enterprise from any State University facility or property. This includes, but is not limited to prohibiting tattooing, piercings, cosmetology (i.e. hair, nails, etc.), telemarketing, and using College provided technology (i.e. wired or wireless internet) in the halls whether money is actually exchanged or not.

Noise

Students are under a continuous obligation to be respectful of each other at all times. The right to study or sleep in your room without being disturbed is of the utmost importance. All residence halls observe quiet hours that begins at 10:00 p.m. and goes to 8:00 a.m. weekdays and 12:00 a.m. to 10:00 a.m. weekends. Outside of these times, quiet hours are relaxed, however, residents must still be courteous of others. Inappropriate noise at any time will be addressed by the Residence Life Staff. In general, sound should not travel from within the confines of your own room. Electrical amplification of any musical instrument is specifically prohibited. The creation of excessive noise outside or when you are entering or exiting the residence halls that may disturb students within the building is also prohibited. 24 hour quiet hours will be in effect for time periods around final exams.

Pets

With the exception of fish in small tanks (10 gallons or less), animals are not permitted anywhere in the residence halls. The only exceptions to this are service and comfort animals which are approved through the Medical Housing process and those who live in the Pet Friendly Housing area. Students in these excepted categories must abide by guidelines set forth in the agreements. Animals that are just visiting must be left outside.

If a pet is suspected and/or found in the residence halls, the College staff will inspect that area in ensure the safety of the students and the animal. The staff will attempt to contact the owner of the pet to inform him/her of the discovery. This staff may immediately remove the pet and take it to an animal shelter where it will stay until the student comes to claim it. The student will be told where the pet was taken. All expenses that are incurred due to the removal of the animal will be the student’s responsibility, to include any damages and/or cleaning costs.

1) Postings are limited to common area designated bulletin boards. Any material that is not posted on properly designated bulletin boards may be removed.

2) 30 copies of items to be posted should be brought to the Residence Life Office in Draime Hall for approval and posting at least 5 days prior to the event. Postings cannot be posted by individuals or groups.
3) Posted material must include the name of the sponsoring group or individual and the date of the advertisement’s posting.
4) No materials are to be posted on any glass or door in any residential area. Any exceptions to this will be made by the Director of Residence Life or designee and are usually related to an emergency, hall closing or critical information that needs to get to residents quickly.
5) The Director of Residence Life or designee is responsible for determining the appropriateness of any posted materials in all public locations (i.e. exterior room doors, all windows, bulletin boards, lounges, hallways, etc.). Flammable materials are not to be posted on the exterior surface of room doors or on walls or hallways unless covered with contact paper. Exterior room door postings are limited to one door/name tag per resident, one 8 ½ inch by 11 inch posting per resident, and one dry erase or cork board.
6) Any materials advertising non-College sanctioned alcohol or alcohol related events are strictly prohibited.
7) Only one copy of each advertisement can be posted on each designated bulletin board. Material may not be larger than 11.5 X 17 inches. Postings may not remove, rearrange, cover up or otherwise tamper with material already posted. Material may be posted for no longer than one month.

Roommate Bill of Rights

It is important to note that a room is a private space that should be shared equally by both roommates/suemates/apartment-mates. As a responsible roommate, it is not appropriate to engage in any activity which would deny your roommate access to the room, or make them feel uncomfortable while in the room. When one roommate has a friend or friends visiting, it should always be with the consent of the other roommate. When this isn’t happening and roommates cannot figure out how to confront the problem, we suggest involving one of the Residence Life staff (RAs, ACs, RDs or GAs). Please be aware that, should roommates not be able to come to a resolution, or should one roommate continue to exhibit behavior that is inconsiderate or inappropriate, the Residence Life staff may take further action to resolve the conflict. This may include disciplinary action or a room change.

For some, living with a roommate may be a new experience. You will find that sharing a room with another person(s) requires open and honest communication, cooperation, and compromise. Relationships of any kind involve a bit of work, some give and take, and an understanding of each other. The rights listed below are a suggested basis for agreements between roommates. Time discussing these rights would be well spent and hopefully form the basis for communication between you and your roommate(s). To a large extent, your relationship with a roommate is dependent on mutual consideration of the feelings and needs of the other person. Please remember that with every right goes the responsibility to respect that same right when it is exercised by another person(s).

• The right to read, study and sleep free from undue interference from roommates and guests and to give the same courtesy in return.
• The right to expect that one’s personal property will be respected and that reasonable security of one’s room will be maintained, and the responsibility to afford such respect and security to one’s roommates.
• The right to a reasonably clean environment and the responsibility to do one’s fair share in maintaining such an environment.
• The right to free access to one’s room and the responsibility to afford the same courtesy to one’s roommates.
• The right to a reasonable level of personal privacy and the responsibility to respect roommates’ privacy.
• The right to host guests in accordance with residence hall rules and regulations and the responsibility to ensure that one’s guests and oneself demonstrate respect and courtesy for roommates.
• The right to expect that residence hall rules and regulations will be followed in the room such that no person is put at risk of harm and the responsibilities to follow rules oneself and report violations appropriately.
• The right to be free from pressure, intimidation, physical or emotional harm, and behavior that demeans or disrespects one’s identity and the responsibility not to engage in any such behavior toward others.
• The right to address grievances and needs constructively, privately or with the assistance of hall staff, and the responsibility to participate in norm-setting or conflict resolution measures whenever necessary, to include Roommate Agreements.
• The right to expect compromise in the negotiation of standards and the settling of conflicts and the responsibility to demonstrate compromise.
• The right to timely, respectful communication of any concerns and the responsibility to respond in an open, approachable manner.
• The right to experience and to appropriately articulate one’s feelings when desired and the responsibility to respect others’ feelings.

Campus Law Enforcement

The University Police Department is the law enforcement agency for the campus. All University Police Officers are certified by the State of New York with full law enforcement responsibilities. All officers are required to attend a certified Police Academy in the State of New York in order to be certified with full law enforcement responsibilities. They also receive specialized training and in-service training in first aid, defensive tactics, legal updates and other law enforcement topics.

The University Police Department is a Department of Criminal Justice Services (DCJS) accredited police agency. This means the University Police Department meets 121 best practices law enforcement standards.

University Police officers are appointed by the State University of New York as defined in the Criminal Procedure law. They have the authority to make arrests, conduct criminal investigations, issue uniform traffic tickets, execute warrants and issue summonses for parking. The officers also enforce any general, special or local law or charter, rule, regulation, judgment or order.

The main emphasis is to protect the people, campus, grounds, and roadways within this area. The University Police have signed a memorandum of understanding that allows the University Police to assist the Village Police when requested.

The department forwards crime incident information to the Division of Criminal Justice Services (DCJS) for state and national distribution. Crime reports and related statistical information are entered into the SUNY Campus Crime Information System for statistical purposes. Alcohol and Drugs

The legal use of alcoholic beverages, narcotics, and dangerous drugs is governed by laws of the State of New York and college policy as detailed in the Student Handbook, the Code of Student Conduct, the Residence Hall Policies, the Personnel Handbook and the Policies and Procedures Manual. Irresponsible and/or illegal possession, use or sale of alcohol, narcotic or dangerous drugs and/or the resulting inappropriate behavior, is strictly prohibited.

There is a need to send both a consistent and strong message that illegal consumption of alcohol abuse as well as drug abuse and the resulting behavior will not be tolerated. The University Police Department is responsible for the enforcement of all federal, state, and local laws related to alcohol, narcotics and drugs. Therefore, all alcohol, narcotics and dangerous drug violations that are reported receive immediate attention and are thoroughly investigated.

Drug and Alcohol Abuse Education

As an educational institution, SUNY Potsdam believes that the best approach to drug and alcohol abuse is education. The college provides ongoing drug and alcohol awareness educational programs and dissemination of pertinent information as illustrated below:

Crime Prevention Programs

Orientation programs are conducted during the summer to inform parents and new students about crime prevention and personal safety. Crime prevention tips are also distributed throughout the residence halls and department offices, enhancing the educational process. University Police Officers complete ongoing checks of blue light phones and campus lighting. The reports are submitted to appropriate personnel for review and action.

University Police services include: Operation ID (property identification), sexual assault awareness, transmission of crime information, monitoring the blue light phone system and red emergency phones in academic buildings, publishing crime tips in campus media and on the University Police website (www.potsdam.edu/studentlife/safety) and Facebook page.

New employees receive a campus orientation packet and are provided with information on personal safety, crime prevention, emergency procedures and other prevention measures.

Educational programs are offered each semester in the residence halls on Crime Prevention. Listed below are some of the programs offered:

- Operation Identification
- Sexual Assault Awareness and Prevention
- Personal Safety
- Drug and Alcohol Awareness

Programming on Security and Safety

The Residence Life Department is involved in sponsoring a large number of safety and security-related programs on campus during each academic year. The staff in the department is dedicated to providing a safe and secure environment within the residence halls where students live and learn. The Central Office staff is a group of seasoned professionals who have a great deal of combined experience with residential living. In addition, each hall has a professional, live-in Residence Hall Director or Area Coordinator who is responsible for the overall management of the building and available to help meet students' needs, especially for emergencies that may arise after regular business hours. Moreover, there are student staff members, called Resident Assistants, who live on every residence hall floor. These students are specially selected and trained to work with students on a variety of concerns. The entire staff works together to develop a strong sense of community within the halls and to help students make the transition to living away from home. Department planned programs and activities focusing on safety and security are a big part of residence life community building.

SUNY Potsdam offers many opportunities for campus-wide programming throughout the year. These programs, designed to inform students and employees about campus security procedures and practices include: lecture series, residence hall meetings, personal safety, counseling, health services, classroom discussions, and new employee orientation.

The Physical Plant Department maintains the entire campus with a concern for safety and security. Inspections of campus facilities are conducted regularly and repairs are made as needed. All safety and security hazards should be reported to University Police at ext. 2222 and/or the Environmental Health and Safety Officer at ext. 3123.

The cooperation and involvement of all members of the campus community in a campus safety and security program is essential. Everyone must assume responsibility for his/her own personal safety and security of personal belongings by taking common sense precautions. Residence hall rooms should be locked at all times. Students, faculty, and staff should report to the University Police Department any suspicious persons who they believe do not belong in their residence halls or offices, or any unusual incidents that are observed. University Police officers will do presentations on safety and security-related topics to any interested groups.
Crime Awareness and Campus Security

Keeping Informed

The college realizes the importance of having a system in place to advise students about security problems. The methods used at SUNY Potsdam are:

**Timely Warning** – A campus-wide notification regarding an incident or circumstance determined to present an ongoing or continuing threat to the safety of the campus community. This warning will provide the campus community the opportunity to take precautions to maximize their safety and will be issued as soon as sufficient information is available.

Timely Warnings are required for all incidents which constitute Clery Act Crimes and which present an on-going threat. These crimes include: Criminal Homicide, Sex Offense, Robbery Aggravated Assault, Burglary, Motor Vehicle Theft and Arson.

**Emergency Notification** – An Emergency Notification is issued in situations requiring immediate notification which may include but are not limited to: weather emergencies, active shooter situations, major crimes, haz-mat incidents and other dangerous situations which present an immediate threat to the health or safety of students, faculty, staff or visitors on campus.

**SUNY Potsdam RAVE ALERT**  Login at: https://getrave.com/login/Potsdam

**Campus Media** - In addition to the alert notices, the campus may utilize the campus radio station and the student newspaper [The Racquette] to alert the community of security concerns.

**Off-Campus Media** - It is often deemed necessary to utilize off-campus media (which would include local newspapers, radio stations and television stations) as an additional method of informing and updating students and other members of the campus community of security issues and concerns.

The above represents the primary method of advising the campus community of security threats or concerns. A secondary method which is also utilized involves direct contact with resident students. As part of the program of education outside the classroom, staff members (from Residence Life, University Police, Counseling Center and other college professionals) conduct discussion and training sessions on topics such as date/acquaintance rape, women’s self-defense, relationship violence, crime prevention, alcohol, drugs and other issues as needed. These programs are at various times throughout the year including:

**Counseling Center**
• QPR Suicide Prevention Training

**Student Health**
• Alcohol awareness “Sense on Suds”
• Sex, Drugs, Rock and Roll
• National Condom Week
• Sexual Assertiveness
• Date Rape Prevention

**University Police**
• Rape Aggression Defense (R.A.D.)- Women’s Self-Defense Course
• Sexual Assault Awareness and Prevention
• Personal Safety

**Sex Offender Information**

The Sex Offender Registration Act (S. O. R. A.) requires the Division of Criminal Justice Services(D.C.J.S.) to maintain a Sex Offender Registry. The Registry has classified all of the sex offenders as to their risk of re-offending: low-risk (level one), moderate risk (level two), and high-risk (level three).

University Police Department is working closely with the Potsdam Village Police Department to keep the community informed of specific offenders residing within our jurisdiction.
Crime Awareness and Campus Security

Monitoring Off-Campus Criminal Activity

Criminal incidents are monitored each month by the University Police Department. All offenses and arrests (which take place at recognized off-campus locations) are reported to college officials by the Village of Potsdam Police Department and are included in the crime statistics for this campus.

Only Greek letter organizations currently recognized by SUNY Potsdam would be considered off-campus student organizations.

Annual Safety and Security Report (Clery Act) can be found on the University Police Website.

Criminal acts and/or emergencies are to be reported to the University Police Department, which is located in Van Housen Hall or by calling 267-2222. Emergency telephones are available throughout campus.

An emergency “blue light” phone system is available on the campus grounds. This system provides a means for immediate contact with the University Police Department. In addition, various campus buildings have strategically located red emergency phones for emergency use. SUNY Potsdam RAVE ALERT : login at: https://getrave.com/login/potsdam

Upon receipt of a call, appropriate University Police or emergency personnel will be dispatched to your location. Criminal offenses are investigated by the University Police for future prosecution. Further, the campus community is notified of situations that pose a threat to the safety and well-being of our community through the following methods of communication: NY-ALERT, campus alerts (emergency notifications and/or timely warnings) , The Raquette (student newspaper), WAIH-FM (campus radio station) and a press release to area news media.

The University Police Department provides an on-campus safety escort service which is available to any student, employee, or visitor. The campus has a Disaster Preparedness Plan which provides for the dissemination of information and response to any critical incident or disaster. SUNY Potsdam RAVE ALERT : login at: https://getrave.com/login/potsdam
Security and access to on-campus facilities is controlled by card and key access. The University Police and the Physical Plant Department monitor all access to the campus facilities. This does not include any Greek letter organizations located off-campus. Residence halls are locked 24 hours a day. Extensive foot patrols are performed by University Police Officers through all of the campus buildings each day. A special emphasis is placed on foot patrols in the residence halls between the hours of 10:00 p.m. and 7:00 a.m. In addition, door viewers have been installed in most residence hall rooms to increase safety and security.

SUNY Potsdam has a video surveillance system that monitors public areas around campus. This system is housed at University Police.

Other security considerations used in maintaining campus facilities include the checking of campus lighting by University Police and Physical Plant personnel. The Grounds Department checks areas which may be potentially dangerous and takes corrective action.

University Police Officers provide 24-hour per day vehicle, bicycle, and foot patrols of campus properties owned by the college. Campus facilities are open to the public during the day and evening hours when classes are in session. The general public can attend cultural and recreational events on campus. Access is limited only to the facilities in which these events are held. After evening classes/functions and during times when the campus is officially closed, campus buildings are locked and only faculty, staff, and students with written permission from their professors are admitted. Campus employees with assigned offices are issued keys and are responsible for reporting missing and stolen keys.

Academic Buildings on campus are closed after 11:00 p.m. and don’t open again until 6:00 a.m. If, for any reason, you need to gain access to an academic building after 11:00 p.m., you need to request this through your faculty member and the faculty member will send the request to the University Police listing the name/s of those allowed and the time frame that this permission will be allowed, otherwise you will be referred for violating the college policy on being in an academic building after 11:00 p.m. without permission.

Sexual Assault Awareness & Prevention

SUNY Potsdam is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated. Specifically, SUNY Potsdam strictly prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. These acts have a real effect on the lives of survivors. They not only violate a person’s feelings of trust and safety, but they can also substantially interfere with a student’s education. It is the policy of SUNY Potsdam that, upon learning that an act of sexual misconduct has taken place, immediate action will be taken to address the situation. This includes working with State and local law enforcement to bring possible criminal charges, seeking disciplinary action through the college/university, and enforcing mandatory transcript notifications so other institutions are on notice of the offense committed.

SUNY Potsdam encourages the reporting of sexual misconduct that is prompt and accurate. This allows the college/university community to quickly respond to allegations and offer immediate support to the survivor. SUNY Potsdam is committed to protecting the privacy (and confidentiality when possible) of survivors, and will work closely with students who wish to obtain confidential assistance regarding an incident of sexual misconduct. All allegations will be investigated promptly and thoroughly, and both the survivor and the accused will be afforded equitable rights during the investigative process.

It is the collective responsibility of all members of the SUNY Potsdam community to foster a safe and secure campus environment. In an effort to promote this environment and prevent acts of sexual misconduct from occurring, the college/university engages in ongoing prevention and awareness education programs. All incoming students [and employees] are required to participate in these programs, and all members of the college/university community are required to participate throughout the year in ongoing campaigns and trainings focused on the prevention of sexual misconduct on campus.
Financing Your Education

What kind of financial aid can I receive?
Financial aid is available from a variety of sources, such as the U.S. federal government, the state where you live, the college you attend, or a nonprofit or private organization. The first step is to fill out the FAFSA (Free Application for Federal Student Aid), to determine your eligibility for scholarships, grants, work-study and loans.

Once we have received your FAFSA information from the Federal Government, and we have received any other requested data needed from you, we will process your financial aid package and notify you of your aid eligibility. You will receive an award notification via e-mail directing you to BearPAWS.

I was awarded financial aid, but some of it doesn't show on my bill.
Be sure to respond promptly to any inquiries from federal and state agencies, or from our office. We will notify continuing students via e-mail to access the BearPAWS system to see what information is missing in order to process your financial aid. Delays in receipt of pertinent information will delay the review process, mailing of award letters, and disbursement of funds.

Student Employment
Can I get a job on campus to help pay my bills?
BearTracker, accessible through BearPAWS, is the web-site for Student Employment information as well as listings of available on-campus jobs. Jobs may include those funded as Federal Work Study, Student Assistantships, PACES, SGA, Research Foundation and Temporary Services.

Academic Information & Financial Aid
Does my academic standing affect my financial aid?
Yes! Most financial assistance programs have some funding eligibility standards, i.e., students must maintain Satisfactory Academic Progress toward completion of a degree program to be eligible for funding. Requirements vary by program/type of funding and may include achieving a certain semester or cumulative GPA or passing a certain percentage of credit hours attempted. It is important to know and earn the minimum requirements for each type of funding you wish to receive. Federal, state and SUNY Potsdam requirements may be accessed at http://www.potsdam.edu/admissions/financial/SAP.cfm.

Additional Financing Options
How else can I pay my bill?
While your aid package will cover many of your expenses, you can also use additional options to finance the balance of your bill, such as payment plans, outside scholarships, a Federal Direct Parent Loan and/or private education loans.

How do I apply for federal financial aid at SUNY Potsdam for the Fall or Spring semester?
All students should complete the Free Application for Federal Student Aid (FAFSA) or the renewal FAFSA on-line at http://www.fafsa.ed.gov. The SUNY Potsdam school code is 002850. You may access an itemized list of application steps at www.potsdam.edu/financialaid under “How To Apply.”

What is a renewal FAFSA?
If you filed a FAFSA form in the previous academic year, the federal government automatically sends you a reminder email, so that you can complete the renewal FAFSA on-line. The renewal FAFSA has your application information from the previous year already prefilled and you need only make appropriate changes and updates, followed by the proper e-Signatures.

What if I filed a FAFSA but didn’t put SUNY Potsdam as a college of choice at that time?
You may electronically add our school code (002850) to your FAFSA application at www.fafsa.ed.gov.

What type of federal financial aid is available?
The federal government offers grants (Federal Pell Grant, Federal SEOG), loans (Federal Perkins Loan, William D. Ford Federal Direct Loans), Federal Work Study (student employment opportunities), and a grant/loan (Teacher Education Assistance for College and Higher Education – Federal TEACH Grant). More information may be accessed from the “Types of Aid” section of the financial aid home page at www.potsdam.edu/financialaid.

When should the financial aid application be filed?
File the FAFSA application each year as soon after October 1 as possible.

What is a Student Aid Report (SAR) and how do I get one?
A SAR is an acknowledged receipt of your FAFSA. Students who filed a FAFSA or renewal FAFSA (paper or electronic) and provided an e-mail address will be notified that their SAR is available via e-mail. If you did not provide an e-mail address, a SAR will be mailed to you. Please review the information and submit any necessary corrections online at http://www.fafsa.ed.gov.

Student Employment Opportunities

Students may search for available employment opportunities on BearTracker, which is accessed through BearPAWS. Jobs may include those funded as Federal Work Study, Student Assistantships, PACES, SGA, Research Foundation and Temporary Services.

Federal Work Study
Federal Work Study (FWS) provides jobs for students who wish to earn money to offset part of their educational expenses. The amount of the award is dependent on financial need and availability of funds. To be eligible for FWS, you must: have a high school diploma or recognized equivalent; be enrolled at least half-time as a matriculated student; be either a U.S. citizen or eligible non-citizen; be making satisfactory progress in a degree program; demonstrate financial need (as determined on the financial aid application); and complete the Free Application for Federal Student Aid (FAFSA) each academic year.

Typically, FWS students at SUNY Potsdam may choose their job assignment and work an average of 5 hours per week. Pay usually starts at minimum wage depending on job duties and how long the student has been employed in the same job. If you are interested, complete the FAFSA on-line at http://www.fafsa.ed.gov after October 1, but BEFORE January 1.

Part-time Student Employment
A number of other part-time jobs are available on campus and in the Potsdam community. Dining Service workers, Resident Assistants and student assistants for academic departments are a few of the positions available on campus. To apply, check BearTracker.

Students who work off campus in the Potsdam area may work as bartenders, as cashiers at grocery stores, or even as waiters or waitresses at one of the restaurants in the vicinity. There are plenty of employment opportunities in the village of Potsdam.

Dining Services Student Employment
Dining Services is the largest employer of students on campus, hiring 300-400 students per year. Student employees are offered minimum wage, student supervisor rates and a longevity bonus program each year. Very few positions (approximately 12) are work study positions, and student employees are paid every other Wednesday. To apply, you need to see the Manager of the dining area in which you wish to work. Some types of student positions may include waiter/waitress duties working catered events, kitchen preparation, line server, pots and pans, dish room and several other types of jobs. Students schedule shifts around their class schedules and typically work between 10-15 hours per week. Student employment is valued as serious job experience during your campus career. Students who do not take their job duties seriously are not eligible to work for Dining Services.

Affirmative Action Statement
In affirming its commitment to equal opportunity for all individuals, SUNY-Potsdam actively seeks faculty, staff and students without regard to race, ethnicity, creed, color, national origin, native language or dialect, sex, age, disability, marital status or sexual orientation.

Campus Life—Student Activities

Athletics, Recreation & Physical Education

The foundation for a good overall program is sound instruction designed to meet the needs of all students. Potsdam students are required to take physical education skill and activity courses. The strength of the total program lies in the instructional aspects which encompass a wide variety of activities allowing students to explore their potential, limitations, abilities, and interests, and introduces students to activities which may be pursued throughout life.

The second level provides activities, opportunities, supervision and coaching for those students with exceptional physical abilities. Potsdam’s Athletic Department provides 19 varsity teams. This level requires more rigid discipline and conditioning and provides the greatest challenges and competition.

The third level provides recreational and intramural activities (See Intramural Sports Program). Potsdam has a very active intramural program. The program provides team, dual, individual and coeducational activities for all those who care to participate. It is organized and supervised, but informal. Intramurals provide the participants an opportunity to use the skills and knowledge obtained in the instructional program to have fun, fellowship, release energy, tension and maintain a degree of physical fitness.

Intercollegiate Athletic Program

The athletic program at SUNY-Potsdam offers 19 varsity sports (9 for men, 10 for women). The funding for equipment, uniforms, officials and transportation, lodging and meals for away contests is provided by the Student Athletic Fee. SUNY-Potsdam has membership in the State University of New York Athletic Conference, Eastern College Athletic Conference and National Collegiate Athletic Association Division III. Division III regulations prohibit financial aid to athletes beyond actual need which is administered through the Financial Aid office.

Intramural/Recreation Program

The Intramural/Recreation Program is committed to offering safe quality programs, facilities, and services to the college community. The program provides the entire student body with opportunities to participate in a variety of activities. Objectives of the offered programs are as follows: to promote participation in activities; social interaction; physical fitness; sportsmanship; skill development; personality and character development; healthy lifestyle choices; and quality use of leisure time. New activities can be offered with sufficient student interest and approval of the Intramural/Recreation office.

Maxcy Hall

For the individual, there are more than 50 acres of outdoor athletic fields, including basketball courts, tennis courts, a track and Maxcy Hall; together, they make up Potsdam’s athletic facility. Maxcy Hall itself houses three full-sized gyms, an ice rink, and Olympic size swimming pool, and a field house containing an indoor track. Also inside Maxcy Hall are class rooms, racquetball and squash courts, free exercise rooms, a dance studio, fitness center, and a therapy/ training room. Students and staff can use these facilities on their own; Maxcy is open fourteen hours a day and each area is supervised by a student worker.

There are one, two and three mile trails that weave throughout the campus to give the runner the benefit of both jogging and exercise.

In the Exercise/Fitness room, one can find the latest in exercise equipment for strengthening and conditioning the body. Exercise bikes, rowing machines, free weights, and universal gyms are examples of the kinds of equipment used. Blood pressure, flexibility, strength, CV efficiency test steps and body composition tests that determine weight are also available at the Fitness Center.

The popular highlights of the Fitness Center include the aerobic workout classes. There are aerobic classes meeting at various times during the day to accommodate almost everyone’s schedule.

The Fitness Center is located in Maxcy Hall on the third floor.

When college is in session, the hours for the Exercise/Fitness room are:

- Monday - Thurs............. 6:45 a.m.—10 p.m.
- Friday .............. 6:45 a.m.—9 p.m.
- Saturday & Sunday ........ 12 p.m. - 6 p.m.

To use any facility in Maxcy Hall, including the Exercise/Fitness room, you must have a current college I.D card.
Greek Life

Fraternities and sororities are values-based organizations. The recognized Greek chapters at SUNY Potsdam share the common values of Friendship, Scholarship, Community Service, and Leadership. Members of recognized houses work hard to uphold their values and meet the expectations of the College and the Community. They take pride in being Greek because they commit themselves to these higher standards.

Students join Greek Life by engaging in the rush/new member process. Rush is the time period that students use to become better acquainted with the fraternities or sororities in order to determine which one is the best fit for them. Although any student can rush, a student must meet certain requirements to join:

- Be in good academic standing with a minimum 2.0 cumulative and previous semester GPA; (some organizations have higher standards)
- Have completed a minimum of 12 college credit hours, post high school graduation;
- Receive a bid, or an offer, from a fraternity or sorority.

Greek Organizations

Sororities
Alpha Kappa Phi (Ago)
Alpha Sigma Tau (AST)
Omega Delta Phi (Omega)
Phi Kappa Pi (Phi K)
Sigma Alpha Iota (SAI)
Sigma Gamma Phi (Arethusa)
Zeta Gamma Sigma (Zeta)

Fraternities
Delta Kappa Theta (DK)
Phi Mu Alpha (PMA)

Co-ed
Alpha Psi Omega (APO)

While we encourage all students to take the time to get to know our recognized fraternities and sororities, we want to advise students and families that SUNY Potsdam has 4 banned organizations, which are Alpha Delta Kappa (Alpha) Phi Chi Epsilon (Phi Chi), Psi Phi Delta (Psi Phi), and Sigma Pi (Sig Pi). These groups are banned organizations because they endangered the health and safety of students. Students who pledge, join, accept membership, affiliate in any way, or seek to perpetuate a banned organization are subject to judicial referral and potential suspension or expulsion.

In addition to these banned organizations, there are several organizations in the area that are unrecognized. These include, but are not limited to Beta Tau (BT), Delta Tau Tau (DTT), DOD, Epsilon Omega (EO), Lambda Sigma Upsilon (LSU) Phi Kappa Sigma (Phi Kap) Psi Phi Epsilon, Tau Delta Kappa (TDK) and Theta Omega Phi (Prometheus). Because unrecognized organizations have no obligation to the College and its policies and procedures affiliation with these groups is discouraged.

Student Government Association

College is More Than Classes!

You are eligible to participate in any student organization. New organizations may be recognized. Contact Student Government Association for the procedure. Student Services

The Counseling Center

Student Services

The SUNY Potsdam College Counseling Center (CCC) serves to provide an opportunity for students to address psychological and emotional challenges to promote a healthier, more successful student body. The CCC provides consultation, assessment, counseling, referrals, and related services to students while they pursue their educational goals. Our services assist students with identifying and addressing facets of their behavioral, psychological, emotional and cultural experiences which may present as barriers to their success. Through our work together we strive to act as change agents to empower our students to become fully engaged members of the campus community as well as active contributors to their home communities.

Services within the Counseling Center

Individual Counseling: The CCC utilizes brief, solution-focused therapy. With the time limited nature of college semesters brief therapy invites students to focus on achievable goals within the timeframe of the available sessions. Typically students are seen on a bi-weekly basis, although at times of acute crisis this can be weekly. As a student develops the needed skills to address the issues which brought them to therapy, sessions will become less frequent until it is determined the student no longer needs to be seen on a consistent basis.

Group Counseling: The CCC also offers group therapy. This milieu provides students access to professional counseling amongst their peers. A licensed counselor facilitates group sessions and assists students throughout the group process. Topics for therapy groups vary depending on need and student generated requests. This unique approach allows students greater access to services on campus while promoting peer-generated insight and feedback.

Peer Counseling: Trained Peer Counseling interns are available in the Counseling Satellite office, 121 Drame Hall during posted office hours. From 4:30pm-8:00am Peer Counselors are on call. This number is distributed to registered students through Residence Halls and the Counseling Center.

Crisis Appointments: Walk-in crisis sessions are generally available for all students. The CCC has at least two hours each day set aside for students in immediate need. These appointments are reserved for students exhibiting acute crisis where their safety and that of others is of concern.

PACES Services

**What is PACES?**
PACES is a not-for-profit corporation which has been providing essential services to the campus for over 60 years. The mission of PACES is to offer high quality products and services through the provision of auxiliary services while maximizing customer value and financial return to the benefit of the larger SUNY Potsdam community.

PACES is governed by a Board of Directors: a group of four students, three faculty members, three College administrators, one member of the College Council, and the PACES Executive Director. PACES is the largest employer on campus, hiring student and community workers. PACES manages and operates the SUNYCard ID office, Bear Express accounts, The College Store, the Union Market, Dining Services, and Vending Services and the MicroFridge rental program.

**SUNYCard**
The SUNYCard is the campus ID card and issued and replaced at the PACES Business Office in Merritt Hall. The SUNYCard is the campus ID card and is used to access to residence halls, Bear Express, and Meal Plan accounts, as well as other campus services. The cardholder is responsible for man- aging their card, its accounts and their balances: if a card is lost, stolen, or misplaced it must be deactivated and reactivated by the holder on BearPAWS. PACES is not responsible for purchases made with lost or stolen cards. A non-refundable fee of $10 is charged for replacement of lost cards; a $5 fee for a picture replacement, and damaged or broken cards are replaced free of charge.

**Bear Express**
Bear Express is an optional spending account. It may be used on campus and at participating off campus restaurants and businesses. Accounts are automatically opened for most students and appear on the semester bill. Any changes or account closures must be made prior to the first Thursday of the first week of classes in each semester. After that time, funds may be added to the account through Bear PAWS, or in person at the PACES and Soundcard office in Merritt Hall. Unused balances roll over from semester to semester and balances (over $20) are credited to accounts at the end of the academic year.

**The College Store**
The College Store and Union Market are located in the Barrington Student Union. The store has faculty requisitioned course materials, art supplies and textbooks, as well as a selection of general reference and reading books, collegememorabilia, clothing, gifts and logo items. The Union Market is the campus convenience store. Groceries, pharmacy items, cosmetics, electronics, candy, snacks, magazines, newspapers and essential dorm living supplies are available in the market. Special orders available in both locations.

**Textbooks at bookstore.potsdam.edu**
The College Store is the official SUNY Potsdam textbook retailer and stocks professors required and recommended course materials. Getting the right books and course materials is important to a student’s academic success. The store has a direct connection to faculty instructors and each semester it finds out directly from them which materials they
PACES Services

need students to have. In many cases, this includes special course packs, CDs and study guides. Textbooks and course materials are expensive, so the store is constantly looking for ways to make learning more affordable. One way is to provide more options such as rental, digital or, or used books. Students may purchase or rent textbooks online in advance through the store’s website (book-store.potsdam.edu) and they will be boxed and ready at the start of the semester. Early web orders get first dibs on textbook options (new, used, rental, digital). The online ordering system will show you which titles are required, recommended or suggested for courses.

Federal Law asks that faculty members submit course material requirements and costs when students become eligible to register for classes (April and October.) Because that is often 3-6 months in advance of purchase, the store estimates book costs. The final sale price is displayed when books are available for pre-pack in August.

Books ordered prior to that date are subject to price adjustments. Students can go directly to the store when they arrive on campus purchase books, but we recommend pre-packing the books for pick up to avoid lines.

Students go to bookstore.potsdam.edu to discover what books are needed for class: a tutorial about how to order textbooks from the store is available in the Quicklinks section of the website. The store has an easy price comparison tool so you can maximize savings and convenience. Online orders can be paid for with Bear Express or a Credit Card. No charge is processed until the books are packed. Books can be shipped to home addresses, as well as pre-packed for pick up. Check email for order confirmation and updates about any changes to the order.

There are lots of reasons why textbooks cost as much as they do: pricing depends on many variables: title availability, timely faculty requisitions, published formats, age of the edition, popularity, and publisher’s “bundles” (CDs, DVDs, manuals etc.). If you have questions, come to the store and we’ll explain the ins and outs.

ATMs on Campus

PACES contracts with North Country Savings Bank to provide ATMs on campus. NCSB is a community bank (FDIC) that offers Student Checking accounts. ATM’s are located in the Student Union and Carson Hall.

Dining Services and Meal Plans

PACES Dining Services provides quality food, good value, and choice for its customers regard- less of where they eat on campus. A meal plans allow students to eat whenever and wherever they want on campus. For current plans, prices and details visit http://www.potsdam.edu/studentlife/dining/MealPlans

To meet the dining needs of campus customers, PACES operates restaurants at eight campus locations and is available fifteen hours a day. Traditional all-you-can-eat meals are provided in Lehman Dining Center. Other campus dining units include a la carte areas: the Student Union Dining Court in Barrington Student Union, Dexter’s Café in Thatcher Hall, Minerva’s Café in the Crumb Library, the Crane Commons in Crane, Becky’s Place and Tim Hortons Café Express at Pratt Commons, and the Performing Arts Café in the new arts building. PACES Dining Service has award winning services, food, and programs. In 2015, for the second time, it was voted the #1 Dining Service in the SUNY System in the SUNY Student Opinion Survey. PACES Dining Services consistently has scored higher than the national average in most every category in the National Association of College and University Food Services Annual Benchmarking surveys.

Signing up for Plans and How Meal Plans Work

The college requires that all students living on campus have a meal plan. First-year residential students can choose from two First-Year Meal Plans. Students who are commuting, returning, or who have met the residency requirement have different meal plan options. All students are responsible for selecting or renewing their plan every semester and must agree to meal plan terms and conditions on BearPAWS. Meal plans have three parts: meal swipes, flex credits, and guest passes. Students may use as many meal swipes as they want in a given day so there is no “missed meal factor.” Weekly plans help to ensure that students budget their meals evenly throughout the semester. Weekly meal plans reset every Sunday morning at 2 a.m.; any unused meals are relinquished at that time. The best value for a meal is at Lehman, PACES’ residential dining center. If a student doesn’t care to eat at Lehman, they exchange their entry meal swipe for an all at once value at other units. One meal swipe has a buying power equal to $6.50 at most other units but has no cash value. Flex Credits allow students to purchase any item, at any time, from any PACES Dining Service facility. It could be used to grab extras during the day or supplement a meal swipe. Guest passes allow you to take a friend to Lehman (or yourself) for an all you care to eat meal.

Any unused flex and meal balance expires at the end of the semester. An ideal flex balance chart is posted online to help guide students’ their account. If a student uses all their Flex Credits before the semester ends, more can be added, online through BearPAWS, at the registers or at the PACES Business office.

New York State law mandates that a meal plan be for the sole use of the student owner. Student can’t buy meals for friends under NYS law, but they can take a guest or friend to Lehman with one of their guess passes.
Reachout

Reachout is an information and referral service that offers St. Lawrence County’s only 24 hour crisis and information “helpline.” Reachout’s 24 hour crisis intervention hotline is staffed by trained volunteers who listen, help callers sort out problems and refer them to other useful agencies and services. Most of the volunteers working for Reachout are students who are willing to help people throughout the county. The Reachout volunteers can help you find information on services available to you throughout the county. They also have information about any drug, health and other questions you may have. The service is completely confidential and you can call 24 hours a day. The phone number is 315-265-2422.

Academic Advising
Each matriculated student is assigned an academic advisor who will give advice to assist the student toward timely graduation. However, the ultimate responsibility for understanding and completing degree and graduation requirements lies with the student, not the advisor. All non-matriculated students enrolling for 9 or more credit hours, and all matriculated students, must consult with an advisor before they will be permitted to register for classes each semester. A student’s primary advisor will then release the advising hold, allowing the student to access the online registration system.

Students are assigned an advisor soon after their arrival on the SUNY Potsdam campus, usually reflecting the student’s area of interest. If students have concerns about their advisor assignment, or have questions about academic requirements that their advisor cannot answer, they may contact the following offices: Arts and Sciences Advising Coordinator in Dunn 103 or Academic Advising and Support in Sisson 110 if they are in the School of Arts and Sciences; Teacher Education Advising Services in Satterlee 111 if they are in the School of Education and Professional Studies; and, the Office of the Associate Dean of The Crane School of Music in Bishop C222 if they are in the Crane School of Music.

When students officially declare a major or a minor, the department chair assigns them an advisor in that department. Students will have an advisor assigned for each major and minor they declare and will need to see each advisor every semester before registering. Advising should be a continuing process not limited to selection and approval of courses. Students should discuss with their academic advisor any academic difficulties in their classes, problems outside of class that affect their academic performance, career planning issues, and special academic opportunities such as internships, study abroad, cross-registration, departmental awards, and honor societies. Students should also consult with their advisor before making important academic decisions, such as withdrawing from a class, selecting the S/U grading option, or attempting a semester credit overload. The academic advisor receives copies of transfer credit evaluations and can access early alerts and course summaries on BearPaws and degree progress on BearDen.

Note: Each student is responsible for satisfying requirements for graduation as listed under College, general education, and major/minor requirements. This shall include notifying the Registrar’s Office in the event any course, whether failed or passed, is repeated and regular consultation with an assigned advisor.

Non-traditional Students
Non-traditional Adult Learners are a large and growing segment of the student body. Non-traditional students are usually 24 years of age or older and have had at least a two-year break in their education, hold a GED rather than a high school diploma, and/or are married or single with dependents.

These students are represented on campus through the Student and Family Transitions Office in the Student Success Center. There is also a Non-traditional Student Lounge located in 107 Carson Hall where students can relax, study or hold meetings. Lockers are available by the semester for student use in both Carson and Sisson Halls. The Adult Learner Advisor facilitates programs, advises students, answers questions and provides useful information on commuting/carpooling, childcare, tutoring and computer technology assistance.

For more information, contact Patrick Massaro in the Student Success Center at 315-267-3398 or stop by Sisson 128.

The Bridges program provides entry to Potsdam for students who do not meet the normally applied admission criteria but who possess the potential for academic success. One of the nice things about attending SUNY Potsdam as a Bridges student is that you will discover that you are not alone. There is plenty of support and assistance available. Students accepted into the program are provided with basic academic support services including counseling assistance, learning skills, academic advising and content tutoring.

Counseling Assistance
You will be assigned to a Bridges Advisor who will serve as your main contact with our program. Assistance is available with personal, academic, social, financial and career concerns. As a new student you will be required to meet with your Bridges Advisor at least every month during the fall semester to review your academic progress. The amount of required contact during the spring semester depends upon your academic standing at the conclusion of the fall semester.
