Alcohol Regulations

I. Statement of Purpose
SUNY Potsdam recognizes that a responsible attitude towards the use of alcoholic beverages is a desirable goal and should be encouraged by College policy. These regulations are to act as guidelines to provide members of the College community with an opportunity to develop a realistic and reasoned approach to alcohol use. They presume adherence to New York State Law and respect for the rights of all others in the College community. It is important to note that college policy does not recognize misuse of alcoholic beverages as an excuse for misconduct of any kind.

The SUNY-Potsdam Alcohol Regulations apply to all members of the College community and their guests. They are in effect for all campus buildings and the College grounds. They are meant to provide a framework through which responsible use of alcohol is a prime objective.

II. State and Local Alcohol Regulations
A. New York State Law
New York State has taken major steps to deal with alcohol abuse. The penalties for “Driving While Ability Impaired” and “Driving While Intoxicated” have increased substantially (including fines, suspension or revocation of license, imprisonment.) The best advice: If you drink, don’t drive.

It is a crime in New York State to purchase alcoholic beverages for, or to give alcohol to, a person under 21 years of age. The legislature has passed several bills to substantially increase penalties for these offenses.

Effective December, 1985, the minimum legal age for purchase of alcoholic beverages became 21. The College must comply with State law.

Effective October, 1989, a person under the age of 21 who presents an altered New York State driver’s license for the purpose of illegally purchasing an alcoholic beverage may be subject to a suspension of that driver’s license for up to 90 days and may also be required to apply to the Department of Motor Vehicles for a restricted use driver’s license following the suspension.

B. Civil Liability
General Obligations Law of New York State Section 11-100 provides for civil liability against any person knowingly causing intoxication of a person under 21 years of age by furnishing alcoholic beverages to that person or by aiding such a person in procuring alcoholic beverages. Section 11-100 (Dram Act) provides for civil liability against any person selling or procuring alcoholic beverages for an intoxicated person regardless of age.

C. Village of Potsdam
It is a violation in the Village of Potsdam to possess an open container that contains or has contained alcoholic beverages on a street, in a parking lot, on a highway, on a sidewalk, in other public places or in a motor vehicle. This applies equally to the campus premises.

III. General Regulations
A. The College will not accept use of alcohol as an excuse for misconduct.
B. The violation of New York State law and the ordinances of the Village of Potsdam regarding the use and possession of alcohol is a violation of SUNY Potsdam regulations. New York State law regarding DWI and DWAI is applicable to all College property and the violation of same on College property constitutes a violation of these regulations.
C. Misconduct on College property resulting from the use of alcohol constitutes a violation of these regulations which may result in penalty as set forth in Article VI.
D. Possession of any alcoholic beverage by a person under the age of 21 is expressly forbidden.
E. Referrals of alcohol abusers to an appropriate campus program or to the St. Lawrence County Alcohol Referral Service may be a provision of any penalty or sanction for violation of these regulations.
CAMPUS POLICIES AND PROCEDURES

Alcohol Regulations

F. No vendor shall deliver, or cause to have delivered, alcoholic beverages to the campus except where such delivery is made to a College authorized representative or agent of a licensed vendor (i.e. PACES).

G. Any violation(s) of these regulations shall be dealt with in accordance with Article VI.

H. Alcoholic beverage restrictions are determined by the policy governing the type of area in which alcohol is to be involved (i.e. Thatcher Hall, residence hall room) rather than the type of event (i.e. party, function).

IV. Regulation of Alcoholic Functions

A. Campus-wide Regulations

1. Reasonable amounts of solid, substantial food and non-alcoholic beverages must be available.
2. Availability of alcoholic beverages in PACES leased facilities will be authorized by the Director of Dining Services, or designee, in consultation with the appropriate building administrator. The duration of alcohol service at an event will be determined by the vendor (PACES) as part of their responsibility as a license holder.
3. The College reserves the right to charge supervisory fees, cleaning and damage deposits for the use of College facilities. Fees are payable in advance.
4. Outdoor functions must be approved by the Director of Student Life Facilities.
5. The primary thrust of an activity should not be drinking alcoholic beverages. Advertising should promote a realistic activity and advertising will be limited to designated, controlled and appropriate places.
6. The number of persons attending a function is limited to the legal limit of the area.

B. Residence Hall Regulations - See the section on Residence Hall Living

V. Application Procedure

Sale and/or Service of Alcohol
The only group that may sell or serve alcohol on the College premises is PACES (by contract with the State University of New York). The only areas licensed for regular sale of alcoholic beverages are the Barrington Student Union, Thatcher Hall and the Student Union Patio. All other areas require that PACES purchase a one-day caterer’s permit from the New York State Liquor Authority. The permit must be visible at the event and no event will be held without this permit. This requires a significant lead time (presently 8-10 weeks—please check with the catering office for current information.) The cost of this permit will be passed on to the sponsoring group. Failure to receive a permit may require the event to be moved to a licensed facility, if available. or suggestions for modification to these policies should be made to the Chief Student Affairs Office or designee.

VI. Enforcement Procedures
College groups and individuals not in compliance with this policy may be charged under the College disciplinary system.

VII. Policy Questions or Modifications
Questions or suggestions concerning the sale and/or service of alcohol on campus should be made to the Director of Dining Services. Questions concerning alcohol regulations or suggestions for modification to these policies should be made to the Chief Student Affairs Office or designee.

vi. The right to hold public meetings and to engage in peaceful, orderly assemblies and demonstrations.

5. Rights of the College

A. The College will not interfere with orderly assemblies in public areas of grounds and buildings unless participants engage in any of the following conduct:

A. Statement

i. SUNY Potsdam respects and supports students’ efforts to exercise their rights to free speech and assembly. The Division of Student Affairs has designated the Office of Campus Life to provide the appropriate support for the successful implementation of these events. Following College procedure will ensure a safe and effective assembly activity. Every effort will be made by the College to respond affirmatively to all requests to engage in assembly activity. However, consideration must be given to the time, place, and manner of the assembly activity to ensure the health and safety of the participants and the non-interference with authorized College business, activities, or events.

While every attempt will be made to accommodate all requests, some modifications to the assembly activity request may be required due to the availability of the proposed time and place of the activity. A Campus Life professional staff member will inform you of these modifications and guide you as you plan your assembly activity.

vi. In the event that the proposed assembly activity is planned in direct response to a current event, the Office of Campus Life realizes that it may not be possible to submit a request in advance. In such cases, the event organizer should connect as soon as possible with a liaison in the Office of Campus Life in order to swiftly coordinate the assembly activity.

CAMPUS POLICIES AND PROCEDURES

SUNY Health Requirements

All matriculated students taking 12 or more credit hours are required to have health insurance coverage. See the SUNY Potsdam Insurance Plan webpage for further details.

In addition, Student Health Services (SHS) must ensure all new, re-admitted, and transfer students meet state and local health requirements. The submission of these forms is tracked for each student.

Failing to comply with the health requirements will result in progressive consequences.

- Move-in: If you live on-campus you may not be allowed to get your keys until you have visited Student Health Services.
- First week of classes: You will get a message to complete the requirements every time you use your Student ID card.
- Subsequent Weeks: Your ID card will be deactivated and you won’t be allowed to attend classes.
- 30-45 days after start of classes: If you remain non-compliant with the immunization or meningitis requirements you will be disenrolled from SUNY Potsdam, as New York State Law demands. Failure to meet all the other health requirements will result in a “Hold” being placed on your account. You won’t be able to register for classes or receive your grades until the requirements are met.

Follow these two steps to complete your health requirements

Step 1—Mailing Or Fax Proof Of Immunity To Measles, Mumps and Rubella To Student Health Services

Rationale: Proving you are immune to Measles, Mumps, and Rubella is a New York State law, and is required for all students born on or after January 1, 1957.

Details: The law says that you must have received two doses of “live” measles vaccine, and one each of mumps and rubella vaccines.

- The vaccines cannot be given more than 4 days before your first birthday.
- The measles vaccines must be given at least 28 days apart.

Choose one of these options to fulfill Step 1

- Send a copy of your immunization record to SHS. The copy must be signed by your medical provider or school nurse.
- See your medical provider to have blood tests done to check for immunity, then have the results sent to SHS. If the tests show you are not immune you must be vaccinated.
- Have your provider fill out a “Proof of Immunization Form” and have them send it to SHS. Copies of this form can be found online.

Step 2—Complete The Online Health Forms

Complete The Online Health Forms

The online forms should be submitted as soon as you receive confirmation of your deposit with SUNY Potsdam. The information you enter is only accessible to the staff at SHS. Many people are experiencing difficulty completing the forms on mobile devices. Please consider filling them out on a desktop or laptop computer. Please call (315) 267-2377 or e-mail Student Health Services (shs@potsdam.edu) if you have any questions or difficulties completing them.

Access the online forms by following these instructions:

- Log in to BearPAWS using your campus computer account username and password
- Open the “New Student Services” link.
- Click on “Student Health Services Portal.”
- On the "Home Screen", go to the "To Do List" and click on "Forms."

Complete the Health Information Form, Meningitis Response Form, and Tuberculosis Questionnaire.

Health Information Form

This form asks you questions about your medical history, medications, allergies, and surgeries. If you click "yes" to any question, please wait up to a minute for a window to pop-up so you can add details. The information you submit is kept in your confidential medical record and is only accessible to the staff at SHS. Failure to submit this form will result in a “Hold” being placed on your account, with resulting consequences (see above left).
CAMPUS POLICIES AND PROCEDURES

SUNY Health Requirements and Health Insurance

Meningitis Response Form
Submission of a Meningitis Response Form is required by New York State law. Please note that the law does not require you to have a meningitis vaccine. Only submitting the Meningitis Response Form is required. The Meningitis Response Form is completed by clicking on the link. Once this is done, click "submit." Submitting this form is required for all new and transfer students (even if you've completed one at a prior school), but only for some re-admitted students. Failure to submit this form will result in disenrollment from SUNY Potsdam after 30 - 45 days after the start of classes.

Tuberculosis Questionnaire
The US Center for Disease Control and Prevention recommends college students answer a series of questions to screen for tuberculosis risk. Using this method, only some students will need actual testing for tuberculosis. You will be instructed to have further testing for tuberculosis if you are at risk.

If you are required to have further testing for tuberculosis, it must be completed BEFORE ARRIVING ON CAMPUS. Make an appointment with your medical provider and have them fill out the printable version of the Tuberculosis Testing Form. Your medical provider should follow the steps on the form and fax or mail it to Student Health Services.

SUNY Potsdam Insurance Plan (SPIP)
All domestic, matriculated, graduate or undergraduate SUNY Potsdam students enrolled for 12 or more credit hours in a semester are required to have health insurance coverage.

How To Submit A Health Insurance Waiver
You must be registered for 12 or more credit hours before you can waive. After registering for classes, please wait 24 hours before attempting to waive.

If you have any technical problems with the waiver process, please contact Haylor, Freyer, & Coon's college division (800-289-1501 ext. 2384) or Student Health Services (315-267-2377).

Insurance waivers may only be submitted online. The links become available when the college bills are published online (usually mid-July and mid-December). After this date, the links can be found on BearPAWS in four places. You will need your campus computer account username and password to sign on to BearPAWS.

- BearPAWS > New Student Services > SUNY Potsdam Insurance Plan Waiver Link
- BearPAWS > College Life and Auxiliary Services > SUNY Potsdam Insurance Plan Waiver Link
- BearPAWS > Student Services & Financial Aid > Student Records >SUNY Potsdam Insurance Plan Waiver Link
- BearPAWS > BearPAWS for Guests >SUNY Potsdam Insurance Plan Waiver Link

Clicking the waiver link will take you to the United Healthcare website where you will be asked to submit information from your health insurance card. Please have your card available. You will be notified by United Healthcare whether or not your waiver is approved within a week. If the waiver is approved, the SPIP premium will be removed from your student bill 1-2 business days after that.

Recycling Program

Recycling not only reduces waste and landfill fees, it also lowers energy, water and primary raw material requirements. SUNY Potsdam will continue to recycle solid waste such as paper, plastic, metal and glass products and access the feasibility of recycling other solid waste as well.

Recyclable Materials

Paper: Computer and office paper, newspapers & inserts, catalogs, "junk mail", books & publications including phone books and paperbacks, paper grocery bags, cereal boxes and other food boxes.

Plastic: "Pourable" plastic bottles and jugs. Recycle all containers with a 1, 2, or 3 recycling number on the container.

Metal: "Tin" food cans, aluminum cans, foil & pans, aerosol spray cans (spent), bottle and jar caps and lids, small metal items.

Glass: Bottles & jars, clear, green, and brown.

Where do I take my recyclables?

There are large recycling containers for paper, plastic, metal and glass on each dormitory floor. Each student room in the Residence Halls at SUNY Potsdam has been supplied with a recycling container to collect recyclable materials. When your student room container is full, simply empty it into the larger container on the floor. The custodial staff will pick up recycled paper (blue containers) in the academic buildings.

How to recycle

Rinse away all residue. Remove and recycle metal caps/lids. It is not necessary to remove labels or metal or plastic rings. Crush large cans, plastic bottles and jugs to the best of your ability. DO NOT crush glass bottles or jars. Remove all plastic and metal items from paper recyclables (except staples & envelope windows). Flatten all non-corrugated boxes. Place all corrugated boxes next to paper recycling container. Place all paper, glass, metal and plastic in the appropriate recycling containers.

Non-Recyclable Items

Items containing any liquid or solid residue, window and plate glass, mirrors, light bulbs, plastic bags/wrap/etc., heat resistant ovenware/ceramic dishes/ clay pots/etc., foam cups, foam trays, packing peanuts, Sharps (needles, syringes, razors). *See Special Disposal Procedures below.

Sales on Campus

Generally, SUNY does not permit commercial sales on campus (including residence halls) by businesses, staff or students. There are some limited items which may be permitted as "cultural events" if they are sponsored by a campus based organization. These are items which are determined to be craft items and are sold by the craftsperson who created them. Most items, however, are either under contract to our auxiliary service corporation or would present unfair competition to local business.

The SUNY policy states, "No authorization will be given to private commercial enterprises to operate on State University campuses or in facilities furnished by the University other than to provide for food, campus bookstore, laundry, dry cleaning, barber and beautician services, and cultural events. This shall not apply to Faculty-Student Corporation (PACES) activities approved by the University."

The fact that SUNY-Potsdam is a public university does not permit individuals or businesses to operate a commercial enterprise on campus, nor does it permit individuals or businesses free access to campus buildings. Additionally, no such commercial activity may occur in the residence halls (as confirmed by the Supreme Court of the United States). Advertisers must comply with the campus posting policy.
THE POTSDAM PLEDGE

Being more than a collection of individuals, SUNY Potsdam is a community dedicated to the pursuit of common goals. While these goals can be elusive and controversial, the community described in this document reminds us not only of what we are seeking to become but of all that we share in common. Therefore, let it be known that

SUNY Potsdam strives to be:

Office of Student Conduct and Community Standards

The Office of Student Conduct and Community Standards oversees all aspects of the student conduct system. This office works closely with students, faculty, staff, and the local community on concerns related to policy violations, conflict resolution, appropriate citizenship, academic integrity, and other quality of life issues. It is the goal of the office through coordination of the student conduct process, to help students learn to think proactively about their own behavior and its effect on others. The desired outcome is that students will accept both the responsibility and consequences for their behavior and will strive to make appropriate choices in the future.

Being found responsible for another violation during the period of deferred suspension, no matter how minor, will result in immediate suspension.

Note: Failure to complete sanctions by the assigned deadline will result in a “Conduct Hold”. The “Hold” will remain in effect until all assigned sanctions are complete. The “Hold” means you are unable to register or make changes to your class schedule.

For suspensions related to crimes of violence, hazing, sexual misconduct, or other serious violations, the notation will permanently remain on the transcript. For others, the notation will remain on the academic transcript at least for the period of the suspension plus one year. At that time, the student may petition to have the notation removed. For alleged Student Code of Conduct violations, the Director of Student Conduct & Community Standards can place a Banner Hold on students who withdraw or leave the institution prior to disposition of the alleged violation. A notation of “Withdraw-Pending Conduct Charges” will appear on the academic transcript. At the request of the student, arrangements can be made to dispose of the violations during his or her separation. If not, appropriate action will be taken upon the student’s return to SUNY Potsdam. The notation will remain on the transcript until appropriate disposition of the violation has been made. If finding of responsibility is vacated, for any reason, any such above transcript notation shall be removed with the College Registrar is directed to do so by the Director of Student Conduct & Community Standards.

VIII. CONDUCT HEARINGS

College disciplinary proceedings are administrative proceedings and do not rise to the level of civil or criminal proceedings and are not courts of law. Thus, the due process requirements for hearings conducted under this Code are not identical to the due process requirements of courts of law. College disciplinary proceedings shall extend fundamental rights to all parties.

The standard for establishing responsibility shall be based on what most likely occurred.

A. General Procedures for Individual Student Hearings

1. Any academic or administrative official, faculty or staff member, or student may file a complaint against any student.

2. Any party involved in a disciplinary proceeding may be accompanied by another individual whose role shall be advisory only.

3. A Hearing Board/Officer member who is unable to be impartial for whatever reason shall recuse himself or herself.

4. The institution may conduct a preliminary investigation to determine if the charges may be disposed of informally without the initiation of formal disciplinary proceedings. If all parties do not agree to informal disposition of charges, then the Director of Student Conduct and Community Standards must initiate formal charges see.

5. All charges shall be initiated by the filing of a written complaint with the Director of Student Conduct and Community Standards. Said officer shall conduct a preliminary investigation to determine if formal charges are to be filed.

6. If charges are filed, the accused student shall have the following choices:

   a. an Administrative Agreement in Waiver of a Hearing with the Director of Student Conduct and Community Standards or designee
   b. a hearing before a Hearing Board or Hearing Officer, as directed by the student conduct charge letter, except in cases of reported harassment or sexual misconduct.

7. Interim Suspension

The Director of Community Standards or designee may summarily suspend a student and/or student organization; prohibit access any or all appropriate portions of College premises, College-related activities, and/or registered student organization activities; and/or permit the student or student organization to remain only under specified conditions for the interim period prior to a conduct hearing. An interim suspension will be imposed whenever the Director of Community Standards or designee determines that the continued presence of the student on the College campus poses a significant risk of substantial harm to the health and/or safety of another student, other members of the College community, to the stability or continuance of normal College functions, or to property.

The Director of Community Standards or designee may suspend a student for an interim period pending conduct proceedings or medical/mental health information. The interim suspension will become effective immediately without prior notice. Interim suspension may be imposed only:

• To ensure the safety and well-being of members of the College community or preservation of College property;

• If the student poses a significant threat of disruption of or interference with the normal operations of the College.

A student subject to an interim suspension will be given written notice of the suspension and will be referred to these standards and procedures. The student will be given an opportunity to appear personally before the Director of Community Standards or designee within four (4) College business days from the effective date of the interim suspension, in order to review the following issues only:

• The reliability of the information concerning the student’s conduct;

• Whether or not the conduct and surrounding circumstances reasonably indicates a significant risk as described above;

The campus will promptly review existing interim suspensions at a party’s request, including requests to modify the terms or discontinue it. Parties can submit evidence to support their request.

If the risk posed by the student is the result of a medical or mental health condition or disability, the Director of Community Standards or designee shall also determine whether the risk can be eliminated or sufficiently reduced through reasonable accommodation and, if so, shall take appropriate steps to ensure that accommodation is provided. The Director of Community Standards or designee may require that the student submit medical or mental health information to determine whether any such condition exists and whether reasonable accommodation is possible. If the student fails to submit required information and the available evidence establishes that the student’s presence poses a significant risk of substantial harm to the health and/or safety of other students, other members of the College community, to the stability or continuance of normal College functions or property, the Director of Community Standards or designee may continue the interim suspension.

A student suspended on an interim basis shall, upon his or her request, be given an opportunity to appear personally before the Dean of Students or designee, within five (5) school days from the effective date of the interim

suspension except when the student is physically or mentally incapacitated. In such cases, the meeting shall be held at the student's request as soon as is practical. A meeting shall then be held on the following issues only:

- The reliability of the information concerning the student's conduct, including the matter of his or her identity;
- Whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on the College campus poses a substantial threat to others, or to the stability and continuance of normal College functions.

8. All effort will be made to ensure that the calendar of disciplinary proceedings shall be set within three and ten days from the date of notification of the filing of formal charges by the Director of Student Conduct & Community Standards. The actual disciplinary hearing shall be scheduled in a manner that is both expeditious and fair to all parties. The accused student shall receive written notification of the date, time and place of the hearing. A request for delay may be made to the Director of Student Conduct & Community Standards or designee. This delay, if granted, will be no more than five days.

9. If Administrative Agreement in Waiver of a Hearing is not a viable option, a hearing before a Hearing Officer shall be held in lieu of a Hearing Board.

This determination shall be made by the Director of Student Conduct and Community Standards. In such cases, appeal from the decision of the Hearing Officer shall be to the Dean of Students.

10. All disciplinary hearings are presumptively closed to the college community in an effort to maintain confidentiality of student conduct/education records.

11. In hearings involving more than one party, the Hearing Board/Officer may agree to separate hearings for any of the accused upon request by that student no less than twenty-four (24) hours in advance of the hearing.

12. The College and accused party shall have the right to offer witnesses and to challenge evidence and/or witnesses against him or her.

13. There shall be a digital recording of the hearing. Access to this recording must be made available to either the victim or the accused for use in an appeal. It will be accessible in the Office of Student Conduct and Community Standards upon request and shall not be removed from the office.

14. No recommendation for the imposition of sanctions may be based solely upon the failure of the accused student to answer the charges or appear at the hearing. In such a case, the evidence in support of the charges shall be presented and considered.

15. Individual Student Hearing Procedures:

A. Pre-hearing discussion by board members. Board members discuss the case to ensure that all written material is understood, to develop questions that should be asked, and to ensure that any procedural questions are answered. The Director of Student Conduct and Community Standards will work with the board during this time to clarify any procedural questions.
B. Everyone involved in the hearing is invited into the room. This includes all witnesses.

Student Code of Conduct

E. Explain use of the recording. A digital record is made in order to be available for an appeal. An appeal may be made within 4 business days of receiving notification of the outcome of a hearing. The digital record will be kept only for the length of the appeal period, except in cases of suspension or expulsion.

E. Query student charged as to the appropriateness of board members. If the student objects to the participation of any member of the board, ask for an explanation. The chair will then call a brief recess so that the board can consider the objection. The chair will rule on the objection and may (a) continue the hearing with the same board, (b) ask the board member in question to leave and continue the hearing, or (c) adjourn the hearing and take steps to have a new hearing scheduled. Students will be asked to return to the room and the chair will announce the decision with the rationale recorded on digital recorder.

E. Remind all parties of the following information:

- Confidentiality of the hearing: It is expected that all information (testimony and written material) given in the hearing will remain confidential. Sharing information presented during the hearing may result in disciplinary action.
- Role of the advisor to either party: Advisors are reminded that they may only speak with their advisee. If the advisor has a question, he/she must ask their advisee to address the board.
- Presenting false information: It is a violation of College policy to present false information in a student conduct hearing. Such a violation may lead to disciplinary action.

H. Chair reviews the format of the hearing.

1. Both parties have the opportunity to make an opening statement.
2. After each opening statement, witnesses will be asked to participate.
3. At the appropriate time during the hearing, each party will have an opportunity to question their witness as well as the witnesses called by other parties to the proceeding.
4. Board members may ask questions throughout the hearing.
5. Both parties can make final statements.
6. Finally, there will be a time for the board and either party to ask final questions to help everyone understand the incident.

I. Witnesses are asked to leave the room. In most cases, witnesses are asked to wait outside the hearing room. They are called in individually to explain whatever information they might have regarding the incident.

1. that the initial hearing body failed to observe the procedural requirements established by this Code;

2. that the sanction imposed by the initial hearing body was unreasonable;

3. that due process requirements have not been met;

4. that new evidence has appeared that was not available at the time of the hearing, which could have substantially affected the decision.

NOTE: In cases of Greek affiliated Hearings and Appeal Processes, every effort will be made to ensure at least one member of each board is/was affiliated with a Greek community either at SUNY Potsdam or at his/her past college/university. While we work to ensure this occurrence, it is NOT an absolute and the hearing will proceed if there are no hearing officers or appellate board members with Greek affiliation available at the scheduled time.

C. SUNY Potsdam Sexual Misconduct Policy, Process and Procedures

SUNY Potsdam is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated. Specifically, SUNY Potsdam strictly prohibits the offenses of domestic violence, dating violence, sexual assault, sexual harassment and stalking. These acts have a real effect on the lives of victims. They not only violate a person’s feelings of trust and safety, but they can also substantially interfere with a student’s education. It is the policy of SUNY Potsdam that, upon learning
CAMPUS POLICIES AND PROCEDURES

Sexual Misconduct Policy

that an act of sexual misconduct has taken place, immediate action will be taken to address the situation. This includes working with State and local law enforcement to bring possible criminal charges, seeking disciplinary action through the college/university, and enforcing mandatory transcript notifications so other institutions are on notice of the offense committed.

SUNY Potsdam encourages the reporting of sexual misconduct that is prompt and accurate. This allows the college/university community to quickly respond to allegations and offer immediate support to the victim. SUNY Potsdam is committed to protecting the privacy (and confidentiality when possible) of victims, and will work closely with students who wish to obtain confidential assistance regarding an incident of sexual misconduct. All allegations will be investigated promptly and thoroughly, and both the Victim and the accused will be afforded equitable rights during the investigative process.

It is the collective responsibility of all members of the SUNY Potsdam community to foster a safe and secure campus environment. In an effort to promote this environment and prevent acts of sexual misconduct from occurring, the college/university engages in ongoing prevention and awareness education programs. All incoming students [and employees] are required to participate in these programs, and all members of the college/university community are required to participate throughout the year in ongoing campaigns and trainings focused on the prevention of sexual misconduct on campus.

Community expectations related to sexual relations:

• Mutual Respect: Sexual relations includes respecting your partner (their desires, boundaries, and body) and having open communication with the person(s) with whom you are engaging in sexual contact so that all involved are comfortable with the activity that may occur and understand the boundaries and needs of those involved.

• Communication: The College encourages students who choose to engage in sexual behavior to talk with each other clearly about what they want or do not want from sex prior to engaging in sexual activity. Open communication and listening includes understanding one’s own needs and desires, discussing these needs and desires with your partner(s), and, in general, creating open communication within the relationship however long the encounter or commitment. Verbal communication in sexual situations is almost always the clearest means to communicate. An environment based on open communication and listening promotes effective consent, which SUNY Potsdam considers integral to any responsible sexual relationship.

• Cultural Awareness and Respect: The SUNY Potsdam community is a multi-cultural educational environment where the customs and values of each individual are to be respected. Although the College’s standards regarding behavioral expectations and guidelines apply to all individuals, each person should recognize and respect the variations in the cultural expectations of others and demonstrate civility while engaging in open communication regarding sexual desires and boundaries.

Policy for Alcohol and/or Drug Use Amnesty in Sexual Violence Cases

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. SUNY Potsdam recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Potsdam strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to SUNY Potsdam officials or law enforcement will not be subject to SUNY Potsdam’s code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

(note that these hotlines are for crisis intervention, resources, and referrals, and are not reporting mechanisms, meaning that disclosure on a call to a hotline does not provide any information to the campus. Reporting individuals are encouraged to additionally contact a campus confidential or private resource so that the campus can take appropriate action in these cases).

• To disclose the incident to one of the following college officials who can offer privacy and can provide information about remedies, accommodations, evidence preservation, and how to obtain resources. Those officials will also provide information contained in the Students’ Bill of Rights, including the right to choose when and where to report, to be protected by the institution from retaliation, and to receive assistance and resources from the institution. These college officials will disclose that they are private and not confidential resources, and may still be required by law and college policy to inform one or more college officials about the incident, including but not limited to the Title IX Coordinator and Deputy Title IX Coordinator. They will notify reporting individuals that the criminal justice process uses different standards of proof and evidence than internal procedures, and questions about the penal law or the criminal process should be directed to law enforcement or district attorney:

- Student Health Services; 315-267-2377; Van Housen Hall. Sexual contact can transmit Sexually Transmitted Infections (STI), HIV, Hepatitis B and C and may result in pregnancy. Testing for STIs and emergency contraception is available. Student Health Services does HIV testing for $8, gonorrhea/chlamydia testing for $5. And syphilis testing is free. Hepatitis B and C testing is usually billed to insure and is not free.

- Canton/Potsdam Hospital, Leroy Street, Potsdam, 315-265-3300
  - Within 96 hours of an assault, you can get a Sexual Assault Forensic Examination (commonly referred to as a rape kit) at the hospital. While there should be no charge for a rape kit, there may be a charge for medical or counseling services off campus and, in some cases, insurance may be billed for services. You are encouraged to let hospital personnel know if you do not want your insurance policyholder to be notified about your access to these services. The New York State Office of Victim Services may be able to assist in compensating victims for health care and counseling services, including emergency funds. More information may be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained here: http://www.ovs.ny.gov/helpforcrimevictims.html.

- To best preserve evidence, victims/survivors should avoid showering, washing, changing clothes, combing hair, drinking, eating, or doing anything to alter physical appearance until after a physical exam has been completed.

3) Protection and Accommodations:

- The College can issue a “No Contact Order”, consistent with the college policy and procedure, meaning that continuing to contact the protected individual is a violation of college policy and subject to additional conduct charges; if accused and a protected individual observe each other in a public place, it is the responsibility of the accused to leave the area immediately and without directly contacting the protected person. The campus will promptly review existing “No Contact Orders” at a party’s request, including requests to modify the terms of or discontinue the order. The parties can submit evidence to support their requests. If the campus finds it appropriate, it can even make a schedule for parties who seek to use the same facilities without running afoul of the “No Contact Order”.
  - A “No Contact Order” is provided to both the accused student and victim. This order clearly states that neither party should be in contact by telephone, text message, twitter, instant message, skype, facebook, etc…, in person or through a third party (other than an attorney). Persons receiving a “No Contact Order” should also not find themselves in the general vicinity of one another.

- To have assistance from University Police or other college officials in initiating legal proceedings in family court or civil court, including but not limited to obtaining an Order of Protection or, if outside of New York State, an equivalent protective or restraining order.

- To receive a copy of the Order of Protection or equivalent and have an opportunity to meet or speak with a college official who can explain the order and answer questions about it, including information from the Order about the accused’s responsibility to stay away from the protected person(s); that burden does not rest on the protected person(s).

- To an explanation of the consequences for violating these orders, including but not limited to arrest, additional conduct charges, and interim suspension.

- To have assistance from University Police in effecting an arrest when an individual violates an Order of Protection or, if outside of New York State, an equivalent protective or restraining order within the jurisdiction of University Police or, if outside of the jurisdiction or University Police to call on and assist local law enforcement in effecting an arrest for violating such an order.

- When the accused is a student and presents a continuing threat to the health and safety of the community, the accused may be placed on interim suspension pending the outcome of a conduct process. The campus will promptly review existing interim suspensions at a party’s request, including requests to modify the terms or discontinue it. Parties can submit evidence to support their request.

- When the accused is not a student, but is a member of the college community, and presents a continuing threat to the health and safety of the community, the accused may be subject to interim measures in accordance with applicable collective bargaining agreements, employee handbooks, and SUNY Potsdam policies and rules. The campus will promptly review existing interim measures at the request of the party who is affected by that interim measure. The parties can submit evidence to support their request.
CAMPUS POLICIES AND PROCEDURES

Sexual Misconduct Policy

- When the accused is not a member of the college community, to have assistance from University Police or other college officials in obtaining a persona non grata letter, subject to legal requirements and college policy.
- To obtain reasonable and available interim measures and accommodations that effect a change in academic, housing, employment, transportation, or other applicable arrangements in order to ensure safety, prevent retaliation, and avoid an ongoing hostile environment. The campus will promptly review existing interim measures and accommodations at the request of the party who is affected by that interim measure or accommodation. The parties can submit evidence to support their request. While reporting individuals may request accommodations through any of the offices reference in this policy, the following can serve as a point to assist with these measures:

  ◊ Title IX Coordinator & Affirmative Action Officer Stacey Basford:
    basforsl@potsdam.edu, Van Housen 392, (315) 267-2516
    titleix@potsdam.edu

4) Student Conduct Process:

- To request that student conduct charges be filed against the accused, conduct proceedings are governed by the procedures set forth in the Code of Student Rights, Responsibilities and Conduct:
  http://www.potsdam.edu/studentlife/studentconduct/upload/1415CodeOfConduct.pdf as well as federal and New York State law, including the due process provisions of the United states and New York State Constitutions.
- Throughout conduct proceedings, the respondent and the reporting individual will have:
  ◊ The same opportunity to be accompanied by an advisor of their choice who may assist and advise the parties through out the conduct process and any related hearings or meetings. Participation of the advisor in any proceeding is governed by federal law and the Student Code of Conduct;
  ◊ The right to a prompt response to any complaint and to have their complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues related to sexual assault, domestic violence, dating violence, and stalking.
  ◊ The right to an investigation and process conducted in a manner that recognizes the legal and policy requirements of due process (including fairness, impartiality, and a meaningful opportunity to be heard) and is not conducted by individuals with a conflict of interest.
  ◊ The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.
  ◊ The right to a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay.
  ◊ The right to offer evidence during an investigation and to review available relevant evidence in the case file or otherwise held by SUNY Potsdam.
  ◊ The right to present evidence and testimony at a hearing, where appropriate.
  ◊ The right to a range of options for providing testimony via alternative arrangements, including telephone/ videoconferencing or testifying with a room partition.
  ◊ The right to exclude prior sexual history with persons other than the other party in the conduct process or their own mental health diagnosis or treatment from admittance in college disciplinary stage that determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the disciplinary stage that determines sanction.
  ◊ The right to ask the decision maker questions, and to ask questions of other parties and any witnesses present through the decision maker.
  ◊ The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions.
  ◊ The right to simultaneous (among the parties) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanction(s), and the rationale for the decision and any sanctions.
The right to written or electronic notice about the sanction(s) that may be imposed on the accused based upon the outcome of the conduct proceeding. For students found responsible for sexual assault, the available sanctions are suspension with additional requirements and expulsion/dismissal.

Sexual Misconduct Policy

- Access to at least one level of appeal of determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with conflict of interest.
- The right to have access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least five years.
- The right to choose whether to disclose or discuss the outcome of a conduct hearing.
- The right to have all information obtained during the course of the conduct or judicial process be protected from public release until the appeals panel makes a final determination unless otherwise required by law.

Options for Confidentially disclosing Sexual Violence

The State University of New York and SUNY Potsdam want you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk with someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is aimed at helping you understand how confidentiality applies to different resources that may be available to you.

In this Policy:
- Privileged and Confidential Resources.
- Non-Professional Counselors and Advocates.
- Privacy versus Confidentiality.
- Requesting Confidentiality: How the College/University Will Weigh the Request and Respond.
- Public Awareness/Advocacy Events.
- Anonymous Disclosure.
- Institutional Crime Reporting.

Privileged and Confidential Resources:

Individuals who are confidential resources will not report crimes to law enforcement or college officials without your permission, except for extreme circumstances, such as a health and/or safety emergency. At SUNY Potsdam, this includes:

- SUNY Potsdam’s Counseling Services Center; 315-267-2330; http://potsdam.edu/studentlife/counseling/index.cfm
- Individuals serving in a pastoral role: Campus Ministry, Barrington Student Union room 221B, 315-267-2680, smithha@potsdam.edu
- SUNY Potsdam’s Student Health Services; VanHousen Hall; 315-267-2377 http://www.potsdam.edu/studentlife/healthservices/index.cfm

Off-campus options to disclose sexual violence confidentially include (note that these outside options do not provide any information to the campus):
- Off-campus counselors and advocates. Crisis services offices will generally maintain confidentiality unless you request disclosure and sign a consent or waiver form. More information on an agency’s policies on confidentiality may be obtained directly from the agency.

CAMPUS POLICIES AND PROCEDURES

Sexual Misconduct Policy

When you disclose an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, SUNY Potsdam will consider many factors to determine whether to proceed with an investigation despite that request. These factors include, but are not limited to:

• Whether the accused has a history of violent behavior or is a repeat offender;
• Whether the incident represents escalation in unlawful conduct on behalf of the accused from previously noted behavior;
• The increased risk that the accused will commit additional acts of violence;
• Whether the accused used a weapon or force;
• Whether the reporting individual is a minor; and
• Whether we possess other means to obtain evidence such as security footage, and whether available information reveals a pattern of perpetration at a given location or by a particular group.

If SUNY Potsdam determines that it must move forward with an investigation, the reporting individual or victim/survivor will be notified and SUNY Potsdam will take immediate action as necessary to protect and assist them.

Public Awareness/Advocacy Events:
If you disclose a situation through a public awareness event such as “Take Back the Night,” candlelight vigils, protests, [applicable student organization or other event or forum], or other public event, the SUNY Potsdam is not obligated to begin an investigation. SUNY Potsdam may use the information you provide to inform the need for additional education and prevention efforts.

Anonymous Disclosure:
The Hotline is for crisis intervention, resources and referrals and is not a reporting mechanism.

• New York State Hotline for Sexual Assault and Domestic Violence: 1-800-942-6906

Institutional Crime Reporting:
Reports of certain crimes occurring in certain geographic locations will be included in the SUNY Potsdam Clery Act Annual Security Report in an anonymized manner that neither identifies the specifics of the crime or the identity of the reporting individual or victim/survivor. Title IX Coordinator & Affirmative Action Officer Stacey Basford: basforsl@potsdam.edu, Van Housen 392, (315) 267-2516 : titleix@potsdam.edu

SUNY Potsdam is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor). A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act allows institutions to share information with parents when (1) there is a health or safety emergency, or (2) when the student is a dependent on either parents’ prior year federal income tax return. Generally, SUNY Potsdam will not share information about a report of sexual violence with parents without the permission of the reporting individual.

HEARING PROCESS

• Pre-hearing discussion by board members. Board members discuss the case to ensure that all written material is understood, to develop questions that should be asked, and to ensure that any procedural questions are answered. The Director of Student Conduct and Community Standards will work with the board during this time to clarify any procedural questions.

• Everyone involved in the hearing is invited into the room. This includes all witnesses.

• Digital recorder is turned on.

• Introductions. Chair asks each person to introduce him/herself, giving name and what their role is in the hearing (Individual bringing forth charges, Student charged, advisor, witness, etc.)
CAMPUS POLICIES AND PROCEDURES

Sexual Misconduct Policy

• Explain use of the digital recording. A digital recording is made in order to be available for an appeal. An appeal may be made within 4 working days of receiving notification of the outcome of a hearing. The digital recording will be kept only for the length of the appeal period, except in cases of any form of separation from the institution.

• Query student charged as to the appropriateness of board members. If the student objects to the participation of any member of the board, ask for an explanation. The chair will then call a brief recess so that the board can consider the objection. The chair will rule on the objection and may (1) continue the hearing with the same board (2) adjourn the hearing and take steps to have a new hearing scheduled. The student will be asked to return to the room and the chair will announce the decision with the rationale recorded on record. If the objection is with the chair, the Director of Student Conduct and Community Standards will request an explanation and work with parties involved to determine whether to proceed or adjourn.

• Remind all parties of the following information:
  
  • Confidentiality of the hearing: It is expected that all information (testimony and written material) given in the hearing will remain confidential. Sharing information presented during the hearing may result in disciplinary action.

  • Role of the advisor to either party: Advisors are reminded that they may only speak with their advisee. If the advisor has a question, they must ask their advisee to address the board.

  • Presenting false information: It is a violation of College policy to present false information in a conduct hearing. Such a violation may lead to further disciplinary action.

• Chair reviews the format of the hearing.

1. Both parties have the opportunity to make an opening statement.
2. After each opening statement, witnesses will be asked to participate.
3. At the appropriate time during the hearing, each party will have the chance to question the other and all witnesses.
4. Board members may ask questions throughout the hearing.
5. Both parties can make final statements.
6. Finally, there will be a time for the board and either party to ask final questions to help everyone understand the incident.

• Witnesses are asked to leave the room. In most cases, witnesses are asked to wait outside the hearing room. They are called in individually to explain whatever information they might have regarding the incident.

• Response of the accused student to each charge. Read each charge, completely, as presented on the charge letter. Have the student state verbally into the recorder whether they are RESPONSIBLE or NOT RESPONSIBLE for the charge(s). For more than one charge, ask the student to respond to each charge individually. In the unlikely event that a student will not respond, record not responsible on the summary form.

• Opening statement made by College or victim. The statement should be relevant to the charges; then
  
1. The board will ask questions.
2. The student charged will ask questions.
3. Additional questions may be asked.

• Opening statement made by Student charged. The statement should be relevant to the charges.
  1. The board will ask questions.

• Witnesses for the Student charged make statements. Each witness comes in individually.
  1. The board will ask questions.
  2. The Student charged will ask questions.
  3. Additional questions may be asked.

• Final comments made by College or victim.

• Final comments made by Student charged.

• Final questions and discussion. This is a chance for everyone in the hearing to ask any final questions, which will add to everyone’s understanding of what happened in the incident and help the board to understand the organization’s perspective about the incident.

• Explain that the board will move into closed session to deliberate. At this point, the board will go into closed session to determine whether or not the student charged is responsible or not responsible for each of the charges and will determine sanctions if appropriate. The Hearing Board or Hearing Officer may request the Director of Student Conduct and Community Standards remain in the hearing area in case there are questions of clarification. These decisions will be given to the Director of Student Conduct and Community Standards or designee, who will notify the student charged, in writing, of the board’s decision. If the Student is found responsible, he/she may appeal the board’s decision based on specific criteria that is defined later in this document.

• Turn off the digital recorder.

• All but board members leave the room.

Appeals

• An appeal of a decision from the initial hearing may be made by Director of Student Conduct and Community Standards or designee, or the student found responsible within four (4) school days of the decision except as the period may be extended by the Appellate Board. A Victim, if dissatisfied with the sanction(s) imposed, may request the Director of Student Conduct and Community Standards or designee to file an appeal, and such request shall not be unreasonably refused.

• Appeals may be filed by the Director of Student Conduct and Community Standards or designee on the following grounds only:
  1. that the initial hearing body failed to observe the procedural requirements established by this Code;
  2. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances.

3. An appeal may be filed by the responsible student or Victim on the following grounds only:
   a. that the initial hearing body failed to observe the procedural requirements established by this Code;
   b. that the sanction imposed by the initial hearing body was clearly unreasonable in light of the known circumstances;
   c. The new evidence has appeared, that was not available at the time of the hearing, which could have Substantially affected the initial decision.

• The non-requesting party will receive notice of the appeal and may submit either his or her own appeal or a written response to the requesting party’s appeal within 4 days, which the appeals board will consider together.

• The purpose of the appeal is not to rehear the underlying case; rather, it is to determine if there is sufficient information presented to allow a reconsideration of the Hearing Board’s decision.

• The Director of Student Conduct and Community Standards will ask the Appellate Board to reconsider the case based on new information presented.

• The decision of the appeal board is final.

IX. ADMINISTRATIVE PROCESS

A. APPOINTMENT: All members of the Harassment and Sexual Misconduct Board, the Appellate Board, and all Hearing Officers shall be appointed by the Student Conduct Council.

CAMPUS POLICIES AND PROCEDURES

Sexual Misconduct Policy

This board shall consist of one student and two faculty or staff. Every effort will be taken to include at least one faculty member according to procedures outlined in Section X, A. The Hearing Board can impose any of the sanctions listed in Section VII or any combination thereof of this Code.

The choice of Hearing Officer shall be made by the Director of Student Conduct and Community Standards. A Hearing Officer who is unable to be impartial for whatever reason shall disqualify himself or herself. Hearing Officers may impose any of the sanctions listed in Section VII or any combination thereof of this Code. For cases of Harassment and Sexual Misconduct there shall be hearing officers appointed by the Student Conduct Council.

**The Harassment and Sexual Misconduct Board** - This Board hears cases as set forth in IX (B). This Board shall consist of one student and two faculty or staff members. They may impose sanctions as set forth in Section VII. An alternate for each Board position shall be appointed by the same process.

**The Appellate Board** - This Board is empowered to hear all appeals. The Appellate Board may review a case, deny review, remand to the disciplinary body below with or without instructions to include the choice of Hearing Officer or Board should that option not have been originally available, and/or alter the sanctions imposed below.

The Appellate Board may not alter or reverse a disciplinary agency's decision on any grounds other than those outlined in the “Appeals” section above. The burden of establishing that standard has been met rests on the party making the appeal. Further, the Appellate Board may not alter or reverse the decision of the disciplinary agency on any grounds other than that specifically cited as the basis of the appeal.

The Appellate Board shall consist of two students, two members of the faculty, and one staff member.

The Appellate Board can impose any of the sanctions set forth in Section VII, or any combination thereof of this Code.

**Administrative Agreement in Waiver of a Hearing** - Students found to be in violation of the Code of Student Conduct can have the case resolved through the Administrative Agreement in Waiver of a Hearing process (AA). An Administrative Agreement in Waiver of a Hearing would be completed only when there is acknowledgment of responsibility on the part of the student who has been charged and agreement that the sanction/s imposed is/are reasonable and fair. All parties, including the victim, must agree that the sanctions are reasonable and fair. Should the accused student not accept responsibility for the charges or accept the proposed sanction, the case will be referred to the Director of Student Conduct or designee. The case will then be heard by a Hearing Board or a Hearing Officer.
D. Resolving a Complaint by Mediation

1. The College encourages mediation whenever practical and appropriate. If the parties agree, the Office of Student Conduct and Community Standards may refer any disciplinary matter other than a reported act of academic dishonesty to the Campus Mediation Program or other resources for mediation.

2. It is within the sole discretion of the Director of Student Conduct and Community Standards to determine whether a disciplinary complaint is suitable for mediation. If mediation fails or new information comes to light about an unresolved matter than in mediation, the Director of Student Conduct and Community Standards may proceed with an investigation and the filing of disciplinary charges. The Director of Student Conduct and Community Standards may also set a date, after which it will begin to investigate the original complaint or file charges if a matter has not been successfully mediated.

3. If the Director of Student Conduct and Community Standards refers a complaint for mediation and both parties to the dispute agree to participate, the College Mediation Center will assign a trained mediator and advise the complainant(s) and respondent(s) in advance of the date, time, and place set for mediation. In order to resolve a disciplinary matter by mediation, both the complainant and the respondent must agree, first, to participate in the mediation and, second, to the proposed resolution.

4. If a student fails to comply with the terms of a mediation agreement, the Director of Student Conduct and Community Standards may take steps to enforce the agreement (including use of a Judicial Hold or the filing of new charges under the Code of Student Conduct) or may investigate the original complaint and bring disciplinary charges under this Code.

X. MISCELLANEOUS

A. Compliance with Other Laws: This Code shall be administered in compliance with the Family Rights and Privacy Act of 1974 and the Crime Awareness and Campus Security Act of 1990.

B. Survival Clause: If any part, or portion, or provision of this Code is determined to be unconstitutional or illegal, the remaining provisions of the Code shall remain in full force and effect.

### A Plain Language Explanation of Distinctions Between the New York State Penal Law and the College Disciplinary Processes

<tr>
<td><strong>How to report and whether there must be action once a report is made.</strong></td>
<td>Crimes involving sexual violence may be reported to campus police (if the campus has police officers), the local police agency, or to the New York State Police. Certain crimes may also be reported to federal law enforcement agents. When a report is made, the decision whether to investigate is made by the police/law enforcement agency, often in consultation with a District Attorney or other prosecuting agency. An investigation may be conducted without the consent or participation of a reporting individual. The ultimate decision of whether to initiate a criminal prosecution is initially made by a prosecutor. In cases involving felony charges, the final charging decision is made by a Grand Jury.</td>
<td>Victims may disclose sexual violence to various college employees who are designated confidential resources or to others who will try to ensure privacy to the extent consistent with the institution’s obligation to provide a safe educational environment. Disclosures made to a confidential resource will not trigger an investigation. When a report is made to the Title IX Coordinator (TIXC) or another Non-Confidential resource, the TIXC will determine whether an investigation is necessary by weighing a request for confidentiality by the reporting individual against the continuing safety of that person and the safety and best interests of the campus community.</td>

<tr>

<tr>
<td><strong>Privacy.</strong></td>
<td>Criminal trials must be public.</td>
<td>Disciplinary proceedings are kept as private as possible, but information must be shared with certain individuals within the college, the parties, and pursuant to law.</td>
</tr>
<tr>
<td>Who are the parties?</td>
<td>The prosecution and defendant. The victim/survivor is not a party, but often the critical witness for the prosecution.</td>
<td>Varies by school—some consider the institution and the respondent to be parties, and confer on the reporting individual certain rights to participate, as the law provides. Otherwise, reporting individual and accused/respondent.</td>

<tr>
<td>---------------------</td>
<td>-----------------------------------------------------------------------------------------------------------------</td>
<td>---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td>Participation in the process.</td>
<td>In limited circumstances, a criminal prosecution can proceed without the participation or cooperation of the reporting individual, but without a reporting individual’s participation, it is generally more difficult to prove a crime beyond a reasonable doubt.</td>
<td>Reporting students cannot be required to participate in the college process. However, a college will be limited in its ability to respond if a reporting individual does not participate.</td>
</tr>
<tr>
<td>Who initiates the proceedings?</td>
<td>A prosecutor, acting on behalf of the state (or the United States in federal cases).</td>
<td>The college or university initiates proceedings. While rules vary from school to school, they most provide an active role for the reporting individual.</td>
</tr>
<tr>
<td>Testimony.</td>
<td>In a court, testimony is generally public. Other parties are, through counsel, entitled to cross-examine witnesses.</td>
<td>The rules are established by individual colleges and universities, but some institutions provide for alternative approaches that permit students to testify without having other parties in the room and/or to ask cross-examination questions only through the disciplinary panel, investigator, or representative of the reporting individual and/or respondent.</td>
</tr>
<tr>
<td>Role of attorneys.</td>
<td>Both the state and the defendant are represented by counsel; counsel may question witnesses.</td>
<td>Varies by school. Many permit the parties to be advised by attorneys but some limit the attorney’s roles to quietly speaking with their clients or passing notes.</td>
</tr>
<tr>
<td>Mental Health and Sexual History.</td>
<td>In New York, a reporting individual’s prior sexual and mental health history is generally, but not always, inadmissible in a criminal case. There are limited circumstances under which directly relevant evidence of that kind may be admitted.</td>
<td>Generally not admissible, but subject to quite limited exceptions. Education Law 129-b permits parties to exclude information about their prior sexual history with persons other than the other party and also to exclude evidence of their own mental health history in the fact finding phase of the disciplinary process.</td>
</tr>
<tr>
<td>Possible Results.</td>
<td>If a prosecution takes place, the defendant may plead guilty or “no contest” have the case dismissed by the judge (on legal grounds) be found “guilty” or “not guilty” by a judge or jury</td>
<td>In cases that do not involve sexual assault, some schools permit mediation or similar procedures if parties agree. If there is a formal proceeding, the respondent may be found “responsible” or “not responsible” for violations of the institution’s rules. Respondents may also accept responsibility before a finding by an adjudicator.</td>
</tr>
<tr>
<td>Sanctions.</td>
<td>An individual found guilty may be fined, imprisoned, or both. In some courts, alternative sanctions are sometimes used.</td>
<td>An individual found responsible for violating college policy may be given a range of sanctions (depending on the severity of the conduct and other factors, such as prior judicial history), ranging from a warning to suspension or expulsion from the institution.</td>

Reporting a Bias Incident
To further advance the principles in the Potsdam Pledge -- A Diverse Community celebrating our differences and learning from our diversity – the SUNY Potsdam Diversity and Inclusion Action Coalition (DIAC) Campus Climate, Outreach, and Bias Response subcommittee has created a Bias Incident Reporting Protocol and Form.

This form is for the SUNY Potsdam community to report and respond to incidents of bias, as well as, to address issues of discrimination more effectively through educational programming and data collection to inform issues related to campus climate.

Please note: This form SIMPLY helps you to inform DIAC of what has happened and, if you wish, to ask for assistance. This form:
- Does NOT connect you to emergency or immediate help; appropriately.
- Is not a substitute for emergency services;
Will not report the incident to Student Conduct, University Police, or Village Police unless the committee finds the facts warrant investigation.

If you need immediate assistance or intervention, please contact University Police at (315) 267-2222.

SUNY POTSDAM'S POLICY ON WHEELED VEHICLES

SUNY Potsdam recognizes that skateboards, rollerblades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as hazard to property. In an effort to continue to provide for the open use of College property of these modes of transportation, the following are adopted:

Trick or stunt riding is prohibited. Trick or stunt riding is defined as repetitive or competitive moves where wheels leave the surface. Vehicles or devices used in such a manner are subject to impounding.

No wheeled vehicle or device for personal transportation may be used in any campus building. Wheelchairs and youth strollers are exempt from this provision.

Skateboards, bicycles, rollerblades and similar wheeled devices are prohibited from any tennis court surface.

Skateboards and rollerbladers using sidewalks will do so safely and will yield the right of way to pedestrians.

Skateboards and rollerbladers using campus roadways will travel in the right lane of traffic only, as close to the right hand curb as is feasible and safe.

(f) Operators of skates emerging from an alley, driveway or building shall, upon approaching a sidewalk, yield the right-of-way to all pedestrians approaching said sidewalk.

D. Ball playing. No person shall practice ball playing or other open-field sports on the streets of this municipality or bat or throw stones or other substances in any of the streets or other public places of this municipality except parks and playgrounds provided for this purpose.
The Family Educational Rights and Privacy Act of 1974 (FERPA) provides current and former students with the right to inspect and review educational records, the right to seek to amend those records, the right to limit disclosure of information from the records and the right to file a complaint with the U.S. Department of Education. Applicants or students may also waive their rights to inspect confidential letters or statements of recommendation.

College officials may not disclose personally identifiable information about a student nor permit inspection of their records without the student’s written permission unless such action is covered by certain exceptions permitted by FERPA. Under the provisions of the Act, a college may disclose information about a student if it has designated the information as “Directory Information.” SUNY Potsdam has designated the following as Directory Information:

Student’s name, date and place of birth, address, telephone number, email address, previous institution(s) attended, dates of attendance, enrollment status (full/ part time), class standing, major field of study, academic honors or awards received, past and present participation in officially recognized sports or activities, physical factors (height, weight of athletes), and degrees conferred (including dates).

In accordance with FERPA, the student’s consent is not required when a college official has a legitimate educational interest in the student’s educational record: that is, if the official needs to review this information in order to fulfill his/her professional responsibility. However, this does not constitute authorization to share that information without the student’s written consent. A “college official” is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including Campus Police and Student Health); a person or company with whom the College has contracted (such as an attorney, auditor or accrediting agent); a person employed by SUNY System Administration; a person serving on the College Council; or a student serving on an official committee, or assisting another College official in performing his or her tasks.

A former or currently enrolled student may request the Directory Information not be published in the printed or web version of the Campus Directory nor released to non-College personnel without the student’s prior consent by filing a “Request to Withhold Release of Directory Information” in the Registrar’s Office. Requests must be filed before September 1st in order to be excluded from the Campus Directory printed for the upcoming academic year. Privacy requests are valid until rescinded by the student.

Please consider very carefully the consequences of any decision to withhold Directory Information. All requests for such information from outside the College will be refused. Regardless of the effect on you, the College assumes no liability for honoring your instructions that such information be withheld.

FERPA Rights and Procedures
FERPA affords students certain rights with respect to their educational records. Students have the right to review their educational records within 45 days of the date the college receives a request for access. Students should submit to the College Registrar written requests that identify the record(s) they wish to inspect and the student will be notified of the time and place where the records may be inspected. If the records are not maintained in the office of the College Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

Students have the right to request an amendment to the educational records that are believed to be inaccurate. They should write to the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
