Leadership in Education
Concentration
within MSEd Curriculum and Instruction

Leadership is in everyone. It is also needed in almost every interaction we have in our professional lives. As an educator, one will likely find himself or herself in a position where they have the ability to influence change in the organization. This focus area is designed to provide educators with the knowledge to not only understand the dynamics of an organization and change, but to support personal growth and understanding of the leader within themselves and the role that plays in an educational setting.

*The courses in this program include:

- Principles of Leadership
- Organizational Development
- Change Processes
- Leadership in a Community of Learners

*Coursework subject to change and changes in availability per semester.
THE CENTER FOR GRADUATE STUDIES
