Student Declaration

I grant the State University of New York, its employees, agents and overseas partners permission to share information concerning my health condition with program representatives, my family, insurance company representatives and with any physician, psychologist or counselor who treated me during the past five years or is now treating me. In situations where I am unable to give oral or written consent, I grant permission for hospitalization and treatment recommended and carried out under the supervision of a qualified physician, including administering anesthetics and performing necessary surgery at my own expense. I appoint the representative of SUNY in the host country for the program to act on my behalf in authorizing necessary medical, dental or surgical care, hospitalization or medical evacuation for me should this be required.

I certify that all responses made on this form are true and accurate, and that **I will notify the Administering Campus hereafter of any relevant changes in my health that occur prior to the start of the program.**
