Dear Staff, Families and Friends,

We are in the planning stages of a special family fun night in April during the NAEYC Week of the Young Child, 4:30-6pm. The National theme selected for the last day of the week, April 15th, is FAMILY FRIDAY: Sharing Family Stories. Our goal is to celebrate the wonderful diversity of our childcare community… but we cannot do that without your help.

Please see Ms. Lori if you are willing to contribute ideas, share stories, songs, dance, games, traditional clothing, recipes or other items that reflect different cultures?
