that SUNY Potsdam operates a large Extension Center on the campus of Jefferson Community College in Watertown, New York? Currently we offer four graduate Education degrees and one undergraduate Business Administration degree completion program. These degree programs are designed to serve the needs of non-traditional adults who have work and/or family responsibilities during the weekday. Courses for these programs are offered weekday evenings and/or on weekends (Friday evening and all day Saturday). With the Center located less than 15 minutes from Ft. Drum, a growing number of active and retired military members, dependents and National Guard personnel are enrolling in these programs. A Letter from Louise, Director of Student and Family Transitions

Dear Veterans,

Happy Fall Semester! As we move into our sixth week of the 2011-2012 academic year, I hope you all are settling into life on campus and keeping up with your academics. I wanted to extend a special welcome to all new students who are veterans who have recently left active service to begin this new adventure in earning your college degree. Another special welcome goes out to students who are family members of our veterans and who are receiving of the G.I. Bill benefit.

Did you know...

Completion of Basic Training satisfies all of your PE General Education Requirements?

As Director of Student and Family Transitions, which is housed in our Student Success Center in Sisson Hall 128, I oversee the first-year and transfer orientation programs, our First Year Success Seminar and our Bear Bus Program. Additionally, I am faculty advisor to our Adult Learner's Association and a member of our Military/Veteran Task Force. Being a member of the Military/Veteran's Task Force allows me the opportunity to be a liaison between you and our college. I encourage you to take a look at our website and contact me if you have any additional questions regarding your college experience here at SUNY Potsdam.

The link to our website is: <http://www.potsdam.edu/support/adultlearners/veteraneducation/index.cfm>

Lastly, I want to extend a warm invitation out to all our student's connected to the military to attend our annual author's visit. This year's author is Caption Rye Barcott who served five years in the Marines. See the announcement below for more details and I hope I get the chance to meet you in person at this special event and don't forget to stop by and pick up a free copy of his book at my office.

Here's wishing you success this fall semester.
