Veteran and Military Affairs Newsletter

A Letter from Patrick,
Military & Veterans Student Services Coordinator

I hope you all have had a great semester and are looking forward to some well-deserved vacation time. There have been a few changes since your classes began in the Fall. First, Ellie Hayes in the Registrar’s office has relinquished all Veterans Affairs related responsibilities. Ellie spent a number of years certifying veterans educational benefits and helping all of you to reach your educational goals. With Ellie’s new job description that function has been transferred entirely to me, so if you have any questions about or changes to your enrollment notify me ASAP to ensure that I can keep the VA up to date.

I'm currently working with the VA to establish two veteran work study positions on campus for the upcoming academic year. These positions would be authorized to work 1300 hours at $7.00 (tax free) to assist me, in organizing Veteran activities on campus, maintaining veteran files, responding to questions from perspective students, and other veteran related work as required. I'm hoping to receive final approval for these positions by early January. Once I receive this approval I will send out another mass e-mail to alert you to the positions as well as solicit any applications. If you are in interested in this opportunity and would like to learn more please follow this link (http://www.gibill.va.gov/resources/education_resources/programs/work_study_program.html).

For those of you who have not completed your certification request forms for either the Winter or Spring Semesters, please do so as soon as possible and for those who have graduated and I have not yet removed from the Vet list, congratulations and please send me an e-mail letting me know to remove you from the list.

Happy Holidays and Happy New Year!

SUNY Potsdam Provides Fee Waivers for Eligible Veteran Students

- Parking (Must have an honorable discharge)
- Recreational Facilities Fee (Must have an honorable discharge)

In order to be eligible for these fee waivers a veteran student must have received an honorable discharge from their respective branch of military service. In order to receive a parking fee waiver you must present the University Police Office with a copy of your DD-214 showing your honorable discharge. Please submit a copy of your Certificate of Eligibility and DD-214 to my office in order to receive the Recreational Facilities Fee waiver. If you have any questions about this process please let me know.
The goal of this event is to meet a wide spectrum of needs for the region's veterans, wounded warriors, active duty service members, National Guard and Reserve units, retirees, gray area retirees, family members, caregivers, survivors, and future service members. In addition, this event will consist of three individual town meetings to focus on healthcare, education opportunities, and overall benefits and claims. There will be local, state, and federal representatives in attendance to answer your questions and hear your concerns.

In addition, as a way to truly appreciate and recognize your service, Clarkson University and St. Lawrence University are offering free hockey tickets to their games that evening to our military members and a guest.

More information about this year’s event can be found on our website at:

Did you know

That SUNY Potsdam operates a large Extension Center on the campus of Jefferson Community College in Watertown, New York? Currently we offer five graduate Education degrees and one undergraduate Business Administration degree completion program. These degree programs are designed to serve the needs of non-traditional adults who have work and/or family responsibilities during the weekday. Courses for these programs are offered weekday evenings and/or on weekends (Friday evening and all day Saturday). With the Center located less than 15 minutes from Ft. Drum, a growing number of active and retired military members, dependents and National Guard personnel are enrolling in these programs. For further information, please go to [www.potsdam.edu/exted](http://www.potsdam.edu/exted) or call (315) 267-2166.
