

Veterans and Military Affairs

A Letter from Patrick, Military and Veteran Services Coordinator

Ladies and Gentlemen,

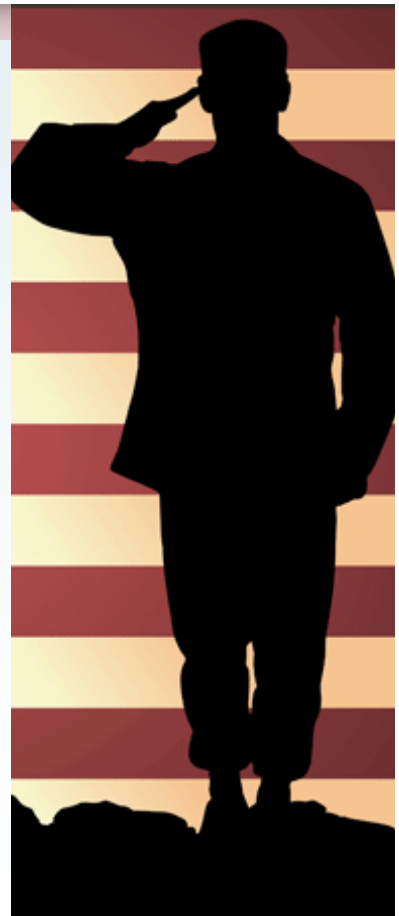

Welcome to another exciting year at SUNY Potsdam! As we move into our fourth week of the 2013-2014 academic year, I hope you're all settling into life on campus and keeping up with your academics. We've made some additions in the office of Military & Veteran Student Services for the Fall 2013 semester. Ms. Mikaela Foster and Ms. Alysabeth Wing have joined my staff as new Veterans Affairs work study students. These two young ladies will be working in my office throughout the week and will be on hand to answer any and all questions that you may have. Their exact office hours are posted later in this newsletter so keep reading to find out when they'll be in! Some of the projects that they'll be assisting me on are:

- Establishing a Military & Veterans Student Association
- Creating a Veterans lounge
- Community Service Projects (toys for tots, renewal house, etc.)
- Resume Building Workshops
- Time Management & Study Skill Seminars
- Improving our Military & Veteran Student Service website

These are just a few of the activities that we're looking into for the Fall 2013 semester and beyond. If you have any ideas of your own please let me know. My job is to make your time here at SUNY Potsdam as enjoyable and enriching as possible. Without your input I'm merely guessing at what you'd like to see here on campus. But with your feedback and ideas I'll be better able to assist you! As mentioned above, establishing a Military & Veterans Student Association is one of our main goals this coming semester. If you'd be interested in participating or helping to establish this association please let me know. This will be a student led organization so the more people who participate the better. In closing, I encourage you to take a look at our Military & Veteran Student Service website (<http://www.potsdam.edu/studentlife/services/military/index.cfm>) as it's been newly updated. I look forward to working with you this semester!
