Workshops for Veterans

This semester the Veteran Student Services office offered two educational programming options for all students utilizing military benefits. The programs were developed and run by the Academic Support office (<http://www.potsdam.edu/support/>) and Career Planning office (<http://www.potsdam.edu/offices/career/index.cfm>). They both did a phenomenal job and I recommend that you take advantage of their services while at Potsdam.

If you have an idea for a program that you'd like to see offered here at SUNY Potsdam please let me know!
