NOTES:

¹ String students will automatically begin their degrees in the orchestra track. Other students may switch to the orchestra track with approval as described in the Crane Student Handbook (in section VII). For the most part, the coursework for other students who opt into the orchestra track will be the same as is listed here. However, students for whom piano is their primary instrument, and who are in the orchestra track, will not take the orchestra track keyboard courses (MUCC 111 & 112, MUCC 203 & 204) but instead take MUCC 303 in the spring of their sophomore or junior year (it is offered in odd-year spring semesters); guitar students must take an additional 3 semesters of guitar ensemble; and harp students must take 2 semesters of harp ensemble in place of 2 semesters of a major instrumental ensemble.

² These courses can be taken either semester listed but *must* be taken in one of the semesters indicated in order to complete the degree requirements in the prescribed time.

³ See page 3 & 4 for detailed information, but the required non-music courses are:

- General Education courses
- the three non-music courses required for certification:
 - PSYC 220 Child Development
 - EDLS 307 Literacy Education in the Arts
 - PHTH 230 School Health

⁴ MUCE 340 String Practices: Elementary is only offered in fall semesters. MUCE 341 String Practices Secondary is only offered in spring semesters.

⁵ These courses are pre-registered and should appear on the student's schedule prior to the schedule being released.
