

Experiential Education Office (EEO)
SUNY Potsdam Internship Locations
Summer 2017 - Fall 2018

The experiential education office is the office for many internship opportunities. Here you can find an internship on-campus, off-campus, in a different state and even in a different country. The Director of Experiential Education will help you find the right internship for you and one that makes you happy to be a part of. Some students have even gotten real job offers after doing their internships. Below is a list of the students who did the internship, their email, their supervisor, the supervisor's email, address and phone, and most importantly the Employer. Search by your current major!
