“November is Native American Heritage Month, or as it is commonly referred to, American Indian and Alaska Native Heritage Month. The month is a time to celebrate rich and diverse cultures, traditions, and histories and to acknowledge the important contributions of Native people. Heritage Month is also an opportune time to educate the general public about tribes, to raise a general awareness about the unique challenges Native people have faced both historically and in the present, and the ways in which tribal citizens have worked to conquer these challenges.” Visit: www.ncai.org

#NYGivesDay November 28, 2017
New York Gives Day is a 24-hour online challenge to celebrate nonprofits across the state of New York. Thousands of nonprofits across the Empire State will work together to raise awareness, collect donations, and build a stronger sense of philanthropy throughout their local communities. The challenge will be held on #GivingTuesday and SPCCC is registered for donations. Giving takes place online at www.NYGivesDay.org

Thank You
“Dr. Rob” Ewy for teaching Preschool 4 about plant leaves & seeds on Wednesday, October 19th

Many of you will fondly remember one of our SPCCC families: Jon, Amy, Jothathan and Gavin Thompson. For several years, both boys attended the Child Care Center. Unfortunately, we recently received some upsetting news. Jonathan has been diagnosed with Ewing Sarcoma, a rare and aggressive bone cancer. A “Strike Out Sarcoma” campaign has been organized by Angela Commissio. You can help by making a donation at https://www.gofundme.com/jonathan-thompson.
