

**President's Council  
Meeting Notes  
October 11, 2017**

Updates: President Esterberg reflected on the strategic planning retreat and thanked Walt Conley for his leadership. The next step is for each group to develop a handful of bullet items that the campus can accomplish in two years. The Strategic Plan will be presented to College Council at their November meeting. The president also shared that she is working with a small group on a strategic enrollment management plan.

Enrollment: Rick Miller shared our total enrollment is 3600. Currently working with financial aid to track scholarships to see how effective they are on retention/success.

Middle States: Jill Pearson and Judy Singh presented information on Middle States and assessment.

Online Hiring Policy: Jill then presented new online adjunct policies. President's Council will review the policies and bring forward for approval at next meeting.

Intranet: Mindy Thompson discussed the need for a separate website (intranet) for faculty/staff so that the new website can be designed to focus on student recruitment. President's Council approved Mindy to include the development of an intranet in the request for proposals (RFP) that she is drafting.

Days of Reflection: President Esterberg encouraged participation at the upcoming Days of Reflection.

Personnel: Several personnel issues and requests were discussed.
