ALL ABOUT YOU:

1. WHAT KIND OF SCIENCE DO YOU ENJOY?

2. WHAT DO YOU HOPE TO EXPLORE?

3. WHAT IS YOUR FAVORITE THING IN THE WORLD TO DO?

4. IF YOU COULD MEET ANY SCIENTIST, WHO WOULD IT BE?

OUR GOAL
To build a community of scientists who can explore various areas of science while using the SUNY Potsdam campus as inspiration for such exploration!!

Your child’s safety and well being....
** Please wear comfy clothing and shoes, science can get messy!!
** Your child will always be closely supervised by two or more college students and a college professor/instructor at ALL TIMES.

Due to the highly interactive nature of the PSI, we try to document the fun, please see the photo permission information below. In an effort to have students participate in active learning during the PSI Program, we would also like to ask your permission to possibly take your child on campus field trips. For your child’s well being, children are always accompanied by another child and two college students. Please check appropriate boxes below, date and sign:

☐ I grant permission for my child to participate in on-campus field trips.

☐ I grant permission for the Math/Science Center to take & use pictures of my child for educational purposes only.

☐ I would prefer that no photos be taken.
