Guidelines Pertaining to SUNY Potsdam's Residence Requirement

The State University guidelines pertaining to campus residency mandate that *“every student in full-time attendance at a state operated unit of the University, other than married or students residing with a parent or parents, shall be required to either live in a dormitory maintained by such unit or to have permission under such provisions as made thereof by the Chief Administrative Officer of such unit to live off campus...”*.

The Housing License is binding for the full academic year, both fall and spring semesters.

SUNY Potsdam values the educational experience offered to students living in our Residence Halls. Therefore, all full-time students are required to live on campus unless they qualify for one of the following exemptions:

1. Student lives with their parent(s) or legal guardian(s) at their official residence (domicile). Domiciles shall be defined by the rules pertaining to official residence in the Office of the College Registrar.
2. Have dependent children living with them (must provide Name, Age, Proof of Guardianship).
3. Student is married (must provide marriage license).
4. Student is twenty-one (21) years of age prior to September 1 for Fall Admission or January 1 for Spring Admission.
5. Student is a Veteran.

Current full-time undergraduate students may request to live off-campus by submitting a petition for exemption/release to the Director of Residence Life (or designee). In addition to the above, permission will be granted to students who:

6. Entered SUNY Potsdam as a first-time student and has live on campus for four (4) consecutive semesters.

Instructions for completing this form:

- Complete the exemption/release request form and return it to the Residence Life Office at SUNY Potsdam. Please note that in filing for an exemption/release, only the above reasons are recognized and will be considered valid.
- Students indicating their desire to commute from home must have a parent or legal guardian submit in writing that their legal residence is within a 60-mile radius of the campus and that you will be residing there.
- If the request is based on something other than the reasons listed above, it is important to give specific evidence by supplying supporting documentation.
 - If students are submitting for financial reasons, the student must submit the Financial Release/Exemption Application. Submitting this form for financial requests will be rejected.
 - Students filing for medical reasons must submit the Medical Housing Form. This form is to be completed by your health care provider and returned to the Residence Life Office. This form may be obtained in the Residence Life Office.

Please note that filing this form does not grant an automatic exemption/release from campus housing. In addition, an approved housing exemption/release does not release you from the PACES Meal Plan. To be released from the meal plan, please visit the PACES Business Office, Merritt Hall 129 or call (315)267-2658.

Upon completion bring/send this form to: SUNY Potsdam, Residence Life, 191 Draime Extension, Potsdam, NY 13676. The Residence Life Office will review your petition and you will be notified of the decision in writing.
