

SUNY POTSDAM LENS RELEASE FORM

Any Student, employee of the State of New York and the College, or Authorized Volunteer on the SUNY Potsdam campus who operates a state or campus owned/operated/leased/rented vehicle on college business must be approved through the DMV LENS program. To apply for the LENS program, you must complete this form and return it to Physical Plant Service Center with a copy of your driver's license.

By signing this form, you agree to authorize Physical Plant to utilize the DMV LENS program to check your driving record. Use of the information obtained via LENS is limited by the Driver's Privacy Protection Act (DPPA).

By submitting your driver license information and signing this form, you certify that you do not have any medical conditions nor are you taking any prescribed or over the counter medication that would impair your ability to operate a motor vehicle.
