11. Content Knowledge

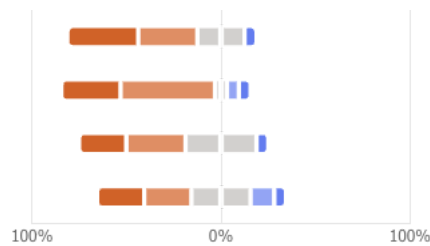

Well Prepared Prepared Somewhat Prepared Not at all Prepared N/A

Apply the content associated with my program.

Plan/lead learning experiences that make content engaging for students.

Use knowledge of content standards and learning progressions.

Identify misconceptions in the profession and use research-based evidence to clarify and improve practice.

12. Learner and Learning

Well Prepared Prepared Somewhat Prepared Not at all Prepared N/A

Use the principles of child/adolescent development to design, modify and manage instruction to meet learners' needs.

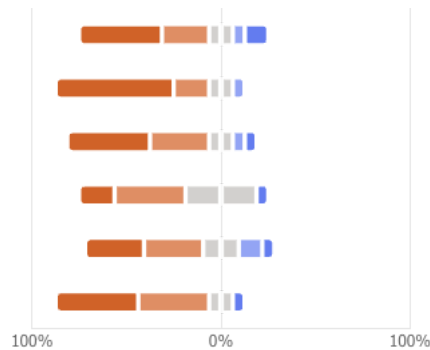

Demonstrate respect for student, family, and community diversity (e.g. race, ethnicity, economic levels, gender, family background,...)

Use my knowledge and skills to address the needs of diverse learners.

Use my knowledge and skills to address the needs of English Language Learners.

Use knowledge and skills to address the needs of students with behavior challenges and to improve classroom and school climate.

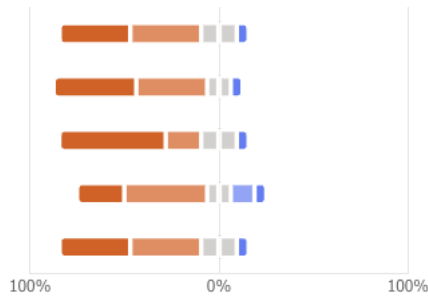

Design effective and meaningful learning experiences for all students, using my background in content and pedagogy.

### 13. Instructional Practice

Well Prepared Prepared Somewhat Prepared Not at all Prepared N/A

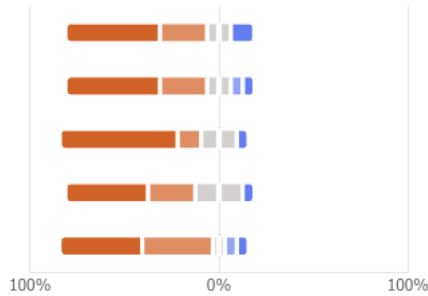

- Use instructional strategies to develop critical thinking for all learners.
- Set expectations for a safe, positive learning environment appropriate to school/district policies.
- Integrate and use digital and interactive technologies to enhance instruction and promote student engagement.
- Use/support multiple ways to assess student learning, and monitor student progress to plan instruction based on assessment results.
- Use descriptive feedback to effectively guide learners in my field.

### 14. Professional Responsibilities

Well Prepared Prepared Somewhat Prepared Not at all Prepared N/A

- Make sound ethical decisions in teaching/leadership practice and reflect on my work as a professional.
- Communicate effectively with students and model behavior that supports equity towards all students.
- Communicate and work effectively with peer professionals.
- Communicate effectively with families to promote parental involvement in support of student learning.
- Understand and apply educational and school/district policies that relate to my work.
