Resolution 1: Recommendations for Academic Advisers
Related to International Students

Recommendation that academic advisers should refer students to the international education officers on their campus for information on how registration and registration changes may impact visa status; and that the campus provide a means for academic advisers to equitably and inclusively identify international students on their advising caseloads in order to assist advisers in delivering appropriate academic advisement information to international students.

****Based on University Faculty Senate resolution #178-07-01, passed January 2018.**

Resolution 2: Recommendations for Academic Advisers
Related to Financial Aid Eligibility

Recommendation that academic advisers should be advised to refer students to the financial aid office for information on how registration and registration changes may impact aid eligibility; and

We support the University Faculty Senate resolution of October 2017 that SUNY develop and deploy on all campuses an automated financial aid information system that will provide to students clear and early information on their aid eligibility statuses and aid eligibility appeal procedures, and provide warnings during registration processes that notify students that their aid may be impacted by particular semester registrations or changes to registration during the course of a semester.
