Substance-Free Living Environment

The Substance-Free Floor(s) at SUNY Potsdam are designed for students who desire to live in an environment free from drugs, alcohol, and people under the influence of either. Residents choosing to live on the Substance-Free Floors agree to abide by the following standards in addition to those listed in the Student Code of Conduct:

- I will not possess or be in the presence of alcohol or any non-prescription drug at any time, regardless of my age, while I am in my hallway or room.
- I will not be under the influence of alcohol or any non-prescription drug, regardless of my age, while in my hallway or room.
- I will not possess any prescription medications that are not prescribed specifically to me.
- I will not possess or use any tobacco product at any time.
- I will make it my responsibility to see that all of my guests and visitors abide by these policies as well, and I agree to accept the consequences on their behalf if they fail to do so.
- I will take part in one or more of the wellness programs that my Resident Assistant sponsors throughout each semester.
- I will make an effort to assist both my Resident Assistant and my peers in promoting wellness/substance-free events, programs and activities on campus that may involve a union of student/professional organizations.

I have read, understood, and agree to abide by the terms and conditions of this Substance-Free Agreement. I understand that this agreement shall remain in effect throughout my residency in the Substance-Free Area and that the Office of Residence Life may change or modify this agreement at any time. I may terminate my participation in this agreement by moving to other college housing that is not part of the Substance-Free Area. If no other space is available, I agree to abide by this agreement and these guidelines until such time as I can locate and move into another space in other college housing. I understand that violations of this agreement may result in administrative or disciplinary action, which may include a reassignment to other college housing.
