TEACHING EXPERIENCE

Student Teacher | Potsdam Elementary School | Potsdam, NY

Fall 2017 – Present

- Conduct classroom activities for a second-grade class of 24 students by assisting with designing lesson plans and instructional delivery through an inclusive and diverse application to teaching
- Assist in lesson planning based on common core curriculum to prepare students for reading and writing comprehension
- Utilize classroom technology, including SMART board, for alternative lesson delivery strategies
- Create weekly in-class bulletin boards for students, parents, and families to demonstrate planned class activities
- Plan literacy unit on essay writing to develop students' independent and collaboration skills

Substitute Teacher | Lawrence Avenue Elementary School | Potsdam, NY

August 2016 – May 2017

- Assessed student performance by grading assignments to ensure criteria is measured and recorded
- Delivered twelve lesson plans in a reading-based program for grades 1-2 by preparing materials for each lesson to ensure effectively facilitated group activities
- Initiated student engagement through individualized support with subjects and encouraging equitable group work; improved student grades by applying material for various learning styles
- Applied positive and inclusive classroom management strategies to foster respectful relationships in class

SUPPORTING EXPERIENCE

Assistant | Clarkson University Baseball Camp | Potsdam, NY

June – August 2016 – 2017

- Assisted in supervision of 20 campers aged 7-12 during training activities by reinforcing program rules and regulations for safety and engagement
- Identified and responded to camper behavioral concerns by reporting to camp directors and consulting with parents and families regarding program expectations
- Contributed with field maintenance by setting up activities and safeguarding equipment and facilities

Summer Camp Counselor | Camp Invention | Canton, NY

June – August 2015

- Planned and assisted in the planning of daily arts and crafts and sporting activities for 36 children aged 8-9 years old
- Supervised group activities and escorted children on field trips to swimming pools, ensuring safety and a positive environment through effective communication to participants and site managers
