Parents, Spring is here at last! We will be going outside much more often. Please remember to dress children in play clothes and supply extra pants in case of accidents or mud puddles. Also, stable, comfortable shoes are important for walking and running safely.

Thank you to all of the people that completed and returned our Family Survey. The results were very helpful and were shared with our Board of Directors as well as the teachers and staff.

ON STAFF DEVELOPMENT DAY March 15th, our Infant Toddler Specialist and Provider Services Coordinator Emily Cleaver presented two workshops: 1) Brave, Strong, Resilient and 2) Rethinking Art and Sensory for Toddlers and Preschool. Ms. Lori gave the HazCom Right to Know training for our workplace and Stacey Basford shared her knowledge during a NYS Sexual Harrassment Prevention training. Connie Neuroth, from the St. Lawrence Child Care Council, finished with a “Super-Vision” workshop. It was quite a full day!

The Cornell Cooperative Extension Nutrition Team will be visiting Preschool 4 with a new set of lessons teaching practical nutrition and cooking skills to the children. The lessons will be once a week for six weeks at 9:30 a.m.

TOGETHER WE RAISED OVER $150.00

Our annual collection of Pennies for Patients is donated in memory of Mathew Kuhn a child who attended SPCCC several years ago. “Little Matty” passed away at the age of four with leukemia. Thank you for honoring his life.
