SUNY Potsdam 3 Year Degree Option; Sample Three-Year Plan for Completion of B.A. in Studio Art

Note: This list of courses provides an example of how a student might complete the degree in three years. Different students will take the required courses in slightly different orders, as each of them decides in consultation with their adviser, and in accordance with when different courses are actually offered. Also: no more than two courses (8 credits) from any one department or area can be used to meet the modes component of the General Education Program, and students should work with their advisers to choose courses accordingly.
