

SUNY Potsdam 3 Year Degree Option
Sample Three-Year Plan for Completion of B.A. in Communication (Speech)

Note: This list of courses provides an example of how a student might complete the degree in three years. Different students will take the required courses in slightly different orders, to be determined in consultation with the 3 year adviser and in accordance with which courses are offered at a given time. Also, no more than two courses (8 credits) from any one department or area can be used to meet the modes component of the General Education Program, and students should work with their advisers to choose courses accordingly.
