

SUNY Potsdam 3 Year Degree Option; Sample Three-Year Plan for Completion of B.A. in Creative Writing

Note: This list of courses provides an example of how a student might complete the degree in three years. Different students will take the required courses in slightly different orders, as each of them decides in consultation with their adviser, and in accordance with when different courses are actually offered. Also: no more than two courses (8 credits) from any one department or area can be used to meet the modes component of the General Education Program, and students should work with their advisers to choose courses accordingly.

Notes:

- Each of the two required PE/HW courses can be taken in any semester.

- **Requirements can also be met by taking courses during a third summer, as opposed to taking courses in the two Winterim sessions.**
- **Students pursuing this 3 year option could also complete departmental Honors, given advance planning (two 500-level LITR or COMP courses and one COMP 598 honors tutorial are required; students should consult with the Honors Adviser for the details).**
