GENERAL LIABILITY INSURANCE COVERAGE
SGA and AGC recognized groups have general liability coverage. For any other group, please attach proof of general liability coverage. Groups without such insurance that would like to request a waiver may do so by attaching a typed document demonstrating that the organization is not a “high risk” group and/or that the group’s activities are managed either directly or collaboratively by a College department or office. This information will be reviewed by the Student Organization Review Committee. Should the committee determine that the group must provide proof of general liability insurance, the group will be unable to operate at SUNY Potsdam until such time that this insurance is obtained. Appeals of the decision of the committee can be made to the Dean of Students.
