SUNY Potsdam

University Police Department

University Police Annual Report

### *Mission Statement*

Our mission is to serve, protect, and be a vital contributor to the educational process.

The University Police at SUNY Potsdam provides the highest levels of safety and security through a professional, skilled, and compassionate workforce.

The Department strives to support a rich academic and diverse social experience at Potsdam by working in tandem with all departments and organizations on campus while promoting strong positive relationships with our surrounding communities.

Our goal is to perform in a legal, moral, professional and humanistic manner, while exhibiting a high degree of sensitivity.

### *Staffing Profile*

The SUNY Potsdam University Police Department has a total of 11 police officers; 8 patrol officers, 2 lieutenants, and a Chief of Police. University Police also has a University Police Communications and Security Specialist to dispatch for the department. The Department is also supported by one Office Assistant 2 (Keyboard) and one Office Assistant 1, as full-time civilian employees. The Department also employs 10 student dispatchers and 3 student office clerks. Police services are provided 24 hours per day, 365 days per year.

### *Authority and Training*

The SUNY Potsdam University Police Department is highly trained and professional, with a commitment to excellence and the philosophy of Community Policing.

All uniformed personnel have full state authority to enforce and investigate all laws, rules and regulations. Police officer powers are authorized under the New York State Criminal Procedure Law and the New York State Education Law. Each officer must attend and successfully complete a New York State Division of Criminal Justice Services and Municipal Police Training Council sanctioned police officer training course. In addition, all officers must complete field training. After initial training, officers are required to attend yearly in-service training that includes firearms and use of force. Specialized training in other areas is also provided by the department.

### *Department Goals*

The SUNY Potsdam University Police Department consistently tries to set and meet goals to enhance the department and campus life in general. Listed below are some department accomplishments that were met in 2021.

- Promoted professional development and continuing education amongst staff.
- Enhanced safety, security and civility on campus by providing programming and training. 97 programs were completed.
- 2021 NYS DCJS Re-Accreditation Achieved
- Active with the Campus Safety Advisory Committee to provide a safe campus.
- Covid 19 Response – ERRG, Testing, Planning, Test Delivery to Upstate Medical.
- Significant Campus Programming and Community Policing Activities
- Principled Policing Training completed.
- Daigle Law Group Online Training Completed.

### *Staffing*

In 2021, the Department is currently staffed at 9 Uniformed staff after one officer resigned.

### *Services Provided*

#### **Security of Buildings and Grounds**

- Security and access to on-campus facilities is controlled by card access. The University Police and the Physical Plant Department monitor all access to the campus facilities. Residence halls are locked 24-hours per day.
- Extensive foot patrols are performed by University Police Officers throughout the campus buildings each day. A special emphasis is placed on foot patrols in the residence halls during evening hours.
- Other security considerations used in maintaining campus facilities include the checking of campus lighting by University Police and Physical Plant personnel. The Grounds Department checks areas which may be potentially dangerous and takes corrective action.
- University Police Officers provide 24-hour per day vehicle, bicycle, and foot patrols of campus properties owned by the college.
- Campus facilities are open to the public during the day and evening hours when classes are in session.
- After evening classes/functions and during times when the campus is officially closed, campus buildings are locked and only faculty, staff and students with keycard access or with written permission from their professors are admitted.
- The college continued to move forward with a security camera system and is currently up to 159 CCTV cameras throughout campus. The camera system has been very instrumental in assisting University Police in solving criminal cases. Approximately 8 new cameras have been approved and are currently being installed.
- Numerous yearly fire drills for all buildings are required and conducted by University Police with assistance from the Physical Plant Staff.

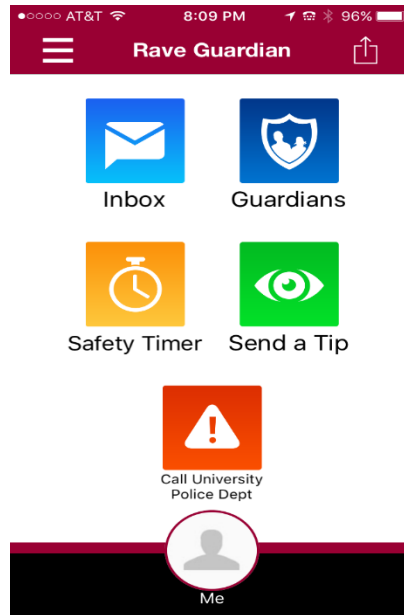

### **Emergency Blue Light Phones (28), Red Phones (91)**

An outdoor blue emergency phone system is available on campus to make the reporting of serious incidents more efficient.

- Although SUNY Potsdam is a relatively safe campus, you may find it necessary to contact the University Police Department to report an emergency, a crime in progress, or a suspicious person or incident, request an escort or to ask directions.
- To report an incident, depress the clearly labeled "PUSH" button for a direct connection to the University Police.
- A location code allows the dispatcher to know which phone has been activated in case the caller is unable to speak. A patrol will be sent to the area immediately.

**The “RAVE Guardian” App was implemented in Fall of 2016. This app allows staff and students to contact University Police at the touch of a button on their mobile phones. They**

can also leave tips via this system. The Rave Guardian program GPS function locates the caller when a call is made, and all available information input by the user comes up on the dispatch screen. Users can also assign others as guardians and use the timer to notify others if they have not reached their destination. Currently we have 794 users. The college continues to advertise this app with posters, emails, at tabling events, orientations and presentations.

## **Jump-Start Pack**

The University Police Department will provide a portable jump-start pack to anyone that needs to jump-start their car.

## **Vehicle/Room Lock-outs**

If anyone locks their keys inside their vehicle, we try to assist. Although we do provide this service, we are not trained locksmiths; therefore, a release form must be signed before the attempt to gain entry into the vehicle. We also assist Residence Life, when they are unavailable, with Room-Lock outs.

## **Safety Escorts**

To further enhance our mission to provide a safe and secure campus, University Police officers are available to provide safety escorts to anyone, to any campus location.

## **Money Escorts**

University Police will provide an armed escort for any department that needs assistance in transporting money around campus or to the bank.

## **Delivery of Emergency Messages**

Should anyone have the need to contact a student or faculty member on campus regarding an emergency, University Police can facilitate this process. We will try all venues possible (classrooms, residence halls, computer labs, dining facilities) to locate a person and assist with message delivery.

## **Internship Program**

University Police accepts interns from the campus through our Internship Program. Interns shadow in the Dispatch area and participate in ride-along activities with duty officers. At the end of their program, they receive class credit for their participation. We also have a “Ride-Along” program available to any interested students. On occasion, interested high school students have been allowed to participate in the Ride-Along program (with appropriate permission).

## **Liaison with Outside Agencies**

The University Police Department works closely with local police, state police, federal law enforcement, fire, St. Lawrence County District Attorney’s Office, emergency medical agencies and local courts to coordinate and assist with information flow to the College.

## **Parking Direction/Crowd Control for Special Events**

The University Police Department provides conference parking passes and parking enforcement for special events throughout the year.

Parking Lot 30A was added behind Maxcy Hall. (184 parking spots for events at Maxcy)

## ***Other Department Accomplishments in 2021***

### **Law Enforcement Training Institute (LETI)**

University Police has been instrumental in the running of the LETI. The LETI ran Fall 2022 class. The University Police Department sponsors a University Police/Criminal Justice Scholarship of \$600 was awarded to a student in Fall LETI classes.

### **Parking Division/ Enforcement**

The University Police Department oversees the entire parking program for SUNY Potsdam. Temporary passes are issued on a daily basis, and we are responsible to run the Vehicle Registration (Sticker) and Parking Fee program for the entire campus. We also enforce all New York State Traffic and Safety Laws that apply to our roadways. These activities are ongoing.

The University Police held a Ticket Amnesty Day on November 12, 2021, where donations to the food pantry were accepted and 36 tickets were dismissed.
