2 These courses are pre-registered and should appear on the student’s schedule prior to the schedule being released.

3 These courses can be taken either semester listed but should be taken in one of the semesters indicated in order to complete the degree requirements in the prescribed time.

4 See page 4 for detailed information, but the required non-music courses are:
   • General Education courses that must be taken outside of music, and
   • non-music liberal arts electives

5 See page 3 for a detailed list of required Upper Division courses.

6 MUCP 490 must be requested by the student via the Request-A-Course form. Refer to the Crane Student Handbook, for details about the composition genre and performance requirements of the composition degree and the Composition Sophomore Evaluation.
