NOTE: Federal confidentiality rules (42 CFR part 2) protect records pertaining to alcohol, drug, or mental health information. These federal rules prohibit the Receiving facility from making further disclosure of this information unless expressly permitted by written consent of the person to whom it pertains, or as otherwise permitted by 42 CFR part 2. A general authorization for the release of medical or other information is not sufficient for this purpose. Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

In addition, New York State does not allow the release of HIV related medical records without your expressly written permission. Unless you request it in the Special Authorization section below, your HIV related information will be redacted from the sent records.

By signing this section I authorize the SUNY Potsdam Student Health Services to release/obtain my medical records regarding:
