Specialty Badge - Career Management: Exploration & Development

As part of the E3 Summit program coordinated by Campus Life, Career Services is offering a specialty badge for students engaged with career readiness. This eight-hour badge will contain a list of seven Career Series workshops that can also satisfy E3 requirements. To learn more, please email Karen Kus-Misiak at kusk@potsdam.edu

How students can earn a Career Management Digital Badge:

- STEP 1: Attend 7 workshops (from Career Series)
STEP 2: Get your resume critiqued by a Peer Advisor
STEP 3: Complete a short reflection form

Check Out Our Career Resources

Careershift job/internship search platform encompasses all popular search engines in one.

Vault provides industry related resource to research your career. Learn what steps to take and discover career tips.

Focus2 is a personality assessment tool. The quiz matches your personality to careers & majors.

Interviewstream is virtual practice tool to record your interviews and identify interview questions.
