# Education and Training Program for NYSCOPBA-represented Employees April 1, 2020 to March 31, 2021

The Education and Training Program (ETP) enables NYSCOPBA-represented employees to maintain or improve job-related skills in their profession and gain the knowledge and skills necessary for promotional opportunities and career mobility within New York State service. The ETP provides eligible employees with reimbursement up to a State fiscal year (April 1 through March 31) maximum at any accredited college, university, or approved educational organization, once the course has been successfully completed and payment has been made to the educational provider.

Complete information can be found online at [goer.ny.gov](http://goer.ny.gov) (Training and Development/NYSCOPBA) or [nyscopba.org/members/nys-programs-grants](http://nyscopba.org/members/nys-programs-grants)
