THE POTSDAM PLEDGE

Being more than a collection of individuals, SUNY Potsdam is a community dedicated to the pursuit of common goals. While these goals can be elusive and controversial, the community described in this document reminds us not only of what we are seeking to become but of all that we share in common. Therefore, let it be known that

SUNY Potsdam strives to be:
An Educational Community: sharing academic goals in which students, faculty and staff work together to strengthen teaching and learning;

An Open Community: uncompromisingly protecting freedom of thought, belief and expression;

A Civil Community: expressing disagreements in rational and non-threatening ways and treating all individuals with consideration, decency and respect;

A Responsible Community: accepting obligations under clearly articulated principles of behavior designed to support the common good;

A Safe Community: respecting each other's rights, privacy and property;

A Healthy Community: respecting and promoting physical and emotional wellness;

An Ethical Community: reflecting honesty, integrity and fairness in both academic and extracurricular activities;

A Diverse Community: celebrating our differences and learning from our diversity;

A Socially Conscious Community: seeking to contribute to the betterment of the campus, the local community, the nation and the world; and

A Watchful Community: remaining alert to the threats posed by hatred, intolerance and other injustices and ever-prepared to combat them.
Community Rights and Responsibilities

*Community Rights and Responsibilities* is the official Code of Conduct outlining behavioral expectations for State University of New York College at Potsdam ("SUNY Potsdam" or the "College") students. The College has developed this code of standards and expectations, consistent with its purpose as an educational institution and requires that each student accept responsibility for his or her own behavior and consequences. These regulations and the procedures for their enforcement apply to all student conduct and behavior. Once a student is accepted as a member of the College community, they are responsible to uphold the standards outlined in this document. As such, students should be familiar with this document. These specific regulations should not be viewed as a comprehensive code of desirable conduct; rather they describe the minimum standards.

The Office of Student Conduct and Community Standards ("Student Conduct Office") oversees all aspects of the student conduct system. This office works closely with students, faculty, staff, and the local community on concerns related to policy violations, conflict resolution, appropriate citizenship, social responsibility, academic integrity, inclusivity, and other quality of life issues. It is the goal of the office through coordination of the Student Conduct System ("Student Conduct System"), to help students learn to think proactively about their own behavior and its effect on others. More information can be found at [http://www.potsdam.edu/studentlife/studentconduct](http://www.potsdam.edu/studentlife/studentconduct)

It should be understood that all rules of the Board of Trustees of SUNY, and all local, state and federal laws apply on the SUNY Potsdam campus. The State of New York laws include, but are not limited to, the New York State Penal Law, the New York State Vehicle and Traffic Law, the New York State Education Law, and the Alcohol Beverage Control Law. Violations of these regulations may result in a referral to the Student Conduct System. In such cases, the College may commence the Student Conduct System procedure independent of criminal or civil court proceedings.

1. **Philosophical Approach to Standards of Conduct**

Because disciplinary actions must be commensurate with the seriousness of the offense and the total conduct record of the student, each case is determined on its own merits. Student conduct procedures and subsequent disciplinary outcomes are designed to find a balance between the interests of the individual student and the community.

2. **Jurisdiction of the College’s Code of Conduct**

The student code of conduct shall apply to conduct that occurs on College premises, at College-sponsored activities and to off-campus conduct that adversely affects the College community, the pursuit of its objectives, or neighboring communities. A student may be charged with violating local, state and federal laws and the campus code of conduct as the student is subject to the rules of multiple jurisdictions, including the State and the College.
3. **Inherent Authority for the Student Disciplinary Program**

Section 356 of the Education Law empowers the University Council of each State-operated campus of State University of New York to make regulations governing the conduct of students, subject to the general management, supervision, control and approval of the Board of Trustees of the State University of New York. All programs for student welfare and conduct are entrusted to and administered by the SUNY Potsdam President on behalf of the College Council.

The President has delegated administration of programs for student welfare and conduct to the Chief Student Affairs Officer. Enforcement of standards of conduct, College regulations, recommendations for new policies, or modification of policies or regulations affecting student welfare and conduct are initiated through the Chief Student Affairs Officer. The Chief Student Affairs Officer has jurisdiction over the Student Conduct System.

In addition to *Community Rights and Responsibilities*, the rules, regulations, and procedures for *The Maintenance of Public Order* on campuses of the State University of New York, adopted by the Board of Trustees, are in effect at SUNY Potsdam. (See Rules for the Maintenance of Public Order: [https://www.suny.edu/sunypp/documents.cfm?doc_id=351](https://www.suny.edu/sunypp/documents.cfm?doc_id=351)).

**Non-Discrimination Notice**

Pursuant to the State University of New York policy, SUNY Potsdam is committed to fostering a diverse community of outstanding faculty, staff, and students, as well as ensuring equal educational opportunity, employment, and access to services, programs, and activities, without regard to an individual’s race, color, national origin, religion, creed, age, disability, sex, gender identity, gender expression, sexual orientation, marital status, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction. Employees, students, applicants, or other members of the campus community (including, but not limited to, vendors, visitors, and guests) may not be subjected to harassment that is prohibited by law or treated adversely or retaliated against based upon a protected characteristic.

The University’s policy is in accordance with federal and state laws and regulations prohibiting discrimination and harassment. These laws include the American with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973, Title IX of the Education Amendments of 1972, and the New York State Human Rights Law. These laws prohibit discrimination and harassment, including sexual harassment and sexual violence.

Inquiries regarding the application of Title IX and other laws, regulations, and policies prohibiting discrimination may be directed to Title IX Coordinator & Affirmative Action Officer Stacey Basford at (315) 267-2516 or at basforsl@potsdam.edu. Inquiries may also be directed to the United States Department of Education’s Office of Civil Rights, 32 Old Slip 26th Floor, New York, NY 10005-2500; Tel. (646) 428-3800; email OCR.NewYork@ed.gov.
Student Records Confidentiality: Rights and Procedures

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides current and former students with the right to inspect and review educational records, the right to seek to amend those records, the right to limit disclosure of information from the records and the right to file a complaint with the U.S. Department of Education. Applicants or students may also waive their rights to inspect confidential letters or statements of recommendation.

College officials may not disclose personally identifiable information about a student nor permit inspection of their records without the student’s written permission unless such action is covered by certain exceptions permitted by FERPA. Under the provisions of the Act, a college may disclose information about a student if it has designated the information as “Directory Information.” SUNY Potsdam has designated the following as Directory Information:

- student’s name
- date and place of birth
- address
- telephone number
- email address
- previous institution(s) attended
- dates of attendance
- enrollment status (full/ part time)
- class standing
- major field of study
- academic honors or awards received
- past and present participation in officially recognized sports or activities
- physical factors (height, weight of athletes)
- degrees conferred (including dates)

In accordance with FERPA, the student’s consent is not required when a college official has a legitimate educational interest in the student’s educational record: that is, if the official needs to review this information in order to fulfill his/her professional responsibility. However, this does not constitute authorization to share that information with a third party without the student’s written consent. A “college official” is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including Campus Police and Student Health); a person or company with whom the College has contracted (such as an attorney, auditor or accrediting agent); a person employed by SUNY System Administration; a person serving on the College Council; or a student serving on an official committee, or assisting another College official in performing his or her tasks. In addition, the college can disclose educational records without consent to officials of another school in which a student seeks or intends to enroll.
A former or currently enrolled student may request the Directory Information not be published in the printed or web version of the Campus Directory nor released to non-college personnel without the student’s prior consent by filing a “Request to Withhold Release of Directory Information” in the Registrar’s Office. Requests must be filed before September 1st in order to be excluded from the Campus Directory printed for the upcoming academic year. Privacy requests are valid until rescinded by the student.

Please consider very carefully the consequences of any decision to withhold Directory Information. All requests for such information from outside the College will be refused. Regardless of the effect on you, the College assumes no liability for honoring your instructions that such information be withheld.

FERPA Rights and Procedures

FERPA affords students certain rights with respect to their educational records. Students have the right to review their educational records within 45 days of the date the college receives a request for access. Students should submit to the College Registrar written requests that identify the record(s) they wish to inspect and the student will be notified of the time and place where the records may be inspected. If the records are not maintained in the office of the College Registrar, the Registrar will advise the student of the correct official to whom the request should be addressed.

Students have the right to request an amendment to the educational records that are believed to be inaccurate. They should write to the college official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

1. **“Accused”** shall mean a person accused of a violation who has not yet entered an Institution's judicial or conduct process.

2. **“Advisor”** is any individual who provides the victim/survivor/complainant or the accused/respondent with support, guidance, and/or advice. The advisor will not be permitted to speak for them in the process or to have any role in the process other than to advise and assist them.

3. **“Affirmative Consent”** is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of
consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.

a. Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.

b. Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.

c. Consent may be initially given but withdrawn at any time.

d. Consent cannot be given when a person is incapacitated, and a reasonable person knows or should have known that such person is incapacitated. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.

f. When consent is withdrawn or can no longer be given, sexual activity must stop.

4. **Appeal Board** means any person or persons authorized by the Chief Student Affairs Officer to consider an appeal. This body shall consist of two students and three members of the faculty and staff. Every effort will be taken to include at least one faculty member. 21. “Privacy” may be offered by an individual when such individual is unable to offer confidentiality under the law but shall still not disclose information learned from a victim/survivor/reporting individual/bystander to a crime or incident more than necessary to comply with this and other applicable laws, including informing appropriate college officials.

28. “Retaliation” is an adverse action against another person for reporting a violation or for participating in any way in the investigation or conduct process. Retaliation includes harassment and intimidation, including but not limited to violence, threats of violence, property destruction, adverse educational or employment consequences, and bullying. Any individual who participates in any of the sexual harassment or sexual violence reporting procedures has the right to do so without fear of or actual retaliation. Retaliatory behavior by someone, or anyone acting on their behalf, against anyone whom they may believe have cooperated in the investigation and/or conduct process is strictly prohibited and may result in disciplinary action.

29. “Sexual Activity” shall have the same meaning as “sexual act” and “sexual contact” as provided in 18 U.S.C. 2246(2) and 18 U.S.C. 2246(3): (A) contact between the penis and the vulva or the penis and the anus, and for purposes of this subparagraph contact involving the penis occurs upon penetration, however slight; (B) contact between the mouth and the penis, the mouth and the vulva, or the mouth and the anus; (C) the penetration, however slight, of the anal or genital opening of another by a hand or finger or by any object, with an intent to abuse, humiliate, harass, degrade, or arouse or gratify the sexual desire of any person; or (D) the intentional touching, not through the clothing, of the genitalia of another person who has not attained the age of 16 years with an intent to abuse, humiliate, harass, degrade, or arouse or gratify the sexual desire of any person; or (3) the term “sexual contact” means the intentional touching, either directly or through the clothing, of the genitalia, anus, groin, breast, inner thigh, or buttocks of any person with an intent to abuse, humiliate, harass, degrade, or arouse or gratify the sexual desire of any person.

**Prohibited Conduct**

The behaviors listed in this section violate the College’s student code of conduct. This list is not exhaustive, but is intended to describe general types of behavior that may result in disciplinary action. These codes apply both to student behavior, which occurs on campus or at College sponsored events as well as those occurring off-campus. Prohibited behavior includes not only completed actions, but also attempted violations of the student code of conduct.

A student who withdraws from the College shall not be exempt from disciplinary proceedings for behavioral infractions, which took place prior to withdrawal. Campus disciplinary procedures shall be followed with the accused student receiving due notice of hearing. Any resulting sanction of suspension or dismissal will be notated on the undergraduate or graduate academic transcript, as well as the student’s conduct record.

1. **Fire Safety**

   A. Causing or creating a fire, regardless of intent (except as authorized for use in class, or in connection with University-sponsored research or other approved activities).

   B. Tampering with safety measures or devices, including but not limited to, alarm systems, fire extinguishers, exit signs, emergency phone systems, smoke or heat detectors, fire hoses, security systems, locked exterior doors, etc.

   C. Failing to conform to safety regulations, including but not limited to, falsely reporting an incident, failure to evacuate facilities in a timely fashion in emergency situations or in response to fire alarms, inappropriate use of the fire alarm system.

2. **Weapons and Dangerous Objects**

   Possessing or using any object or substance designed to inflict a wound, cause injury, or incapacitate, including, but not limited to, all firearms, switchblade knives, knives with blades five or more inches in length, explosives, fireworks or dangerous chemicals (except as authorized for use in class, or in connection with College-sponsored research or other approved activities). The term firearms includes pellet guns, air guns, rifles, shotguns, handguns, paint ball guns, pellets, ammunition, multiple firing weapons, and any weapon capable of firing a shot.
NOTE: Possession of any rifle, shotgun or firearm in or upon any building or grounds of the College without written authorization from the President is also a crime under New York state law. Any person doing so without authorization is subject to arrest and incarceration in addition to any penalty that may be assessed through the University’s Student Conduct System.

3. Threatening or Abusive Behavior

Intentionally or recklessly causing physical harm to any person or reasonable fear of such harm. Students cannot justify such behavior as defensive if:

A. The behavior is a physical response to verbal provocation;
B. The student has the ability to leave the situation, but instead chooses to respond physically;
C. In circumstances where such actions are punitive or retaliatory.

4. Harassment

Engaging in behavior that is sufficiently severe, pervasive, and objectively offensive that it unreasonably interferes with, denies, or limits an individual’s ability to participate in or benefit from the College’s education program and/or activities, and creates an academic environment that a reasonable person would find intimidating or hostile. Activity protected by the First Amendment will not constitute harassment. Harassment may include:

A. directing unwanted physical or verbal conduct at an individual based on one or more of that person’s protected characteristics or status, including age, color, race, disability, marital status, national/ethnic origin, religion, veteran’s status, sex [including pregnancy], gender expression or gender identity, sexual orientation, political activities or genetic information; or
B. subjecting a person or group of persons to unwanted physical contact or threat of such; or

**Dating Violence**—Any act of violence, including physical, sexual, psychological, and/or verbal violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the victim’s statement and with consideration of the type and length of the relationship and the frequency of the interaction between the persons involved in the relationship. Dating Violence can occur as a single act, or it can consist of a pattern of
violently, abusively, or coercively acts that serve to exercise power and control in the context of a romantic or intimate relationship. Two people may be in a romantic or intimate relationship, regardless of whether the relationship is sexual in nature; however, neither a casual acquaintance nor ordinary fraternization between two individuals in a business or social context shall constitute a romantic or intimate relationship.

6. **Stalking**

Examples include, but are not limited to, repeatedly following such person(s), repeatedly committing acts that alarm, cause fear, or seriously annoy such other person(s) and that serve no legitimate purpose, and repeatedly communicating by any means, including electronic means, with such person(s) in a manner likely to intimidate, annoy or alarm the person. Stalking does not require direct contact between parties and can be accomplished in many ways, including through the use of electronic media such as internet, pagers, cell phones, or other similar devices.

7. **Endangerment**

Acting to create or contribute to dangerous or unsafe environments anywhere on or off-campus. Reckless or intentional acts, which endanger, or put at risk, the welfare of oneself or others are prohibited.

8. **Sexual Harassment**

**A. Sexual Harassment in the Educational Setting** is any unwelcome conduct of a sexual nature and can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment of a student denies or limits, on the basis of sex, the student’s ability to participate in or to receive benefits, services, or opportunities in the educational institution’s program.

**B. Sexual Harassment in the Employment Setting** is any unwelcome sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature when any of the following occurs: (1) submission to such conduct is made a term or condition of an individual’s continued employment, promotion, or other condition of employment; (2) submission to or rejection of such conduct is used as a basis for employment decisions affecting an employee or job applicant; or (3) such conduct is intended to interfere, or results in interference, with an employee’s work performance or creates an intimidating, hostile, or offensive work environment.
9. Rape, Sexual Assault and Sexual Exploitation

A. Sexual Assault I—sexual intercourse or any sexual penetration, however slight, of another person’s oral, anal, or genital opening with any object (an object includes but is not limited to parts of a person’s body) without the affirmative consent of the victim.

B. Sexual Assault II—touching a person’s intimate parts (defined as genitalia, groin, breast, or buttocks), whether directly or through clothing, without the affirmative consent of the victim. Sexual Assault II also includes forcing an unwilling person to touch another’s intimate parts.

C. Sexual Exploitation—Non-consensual, abusive sexual behavior that does not otherwise constitute Sexual Assault I, Sexual Assault II or Sexual Harassment. Examples include but are not limited to: intentional, nonconsensual tampering with or removal of condoms or other methods of birth control and Sexually Transmitted Infection (“STI”) prevention prior to or during sexual contact in a manner that significantly increases the likelihood of STI contraction and/or pregnancy by the non-consenting party; nonconsensual video or audio taping of sexual activity; allowing others to watch consensual or nonconsensual sexual activity without the consent of a sexual partner; observing others engaged in dressing/undressing or in sexual acts without their knowledge or consent; trafficking people to be sold for sex; revenge porn; and inducing incapacitation with the intent to sexually assault another person.

10. Hazing

Any activity expected of someone that humiliates, degrades, abuses, or which endangers the mental, emotional, physical health, or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in an organization or team whose members are or include students at SUNY Potsdam is prohibited. Hazing may occur regardless of the person’s willingness to participate. (Note: A person commits a hazing offense if the person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another engaging in hazing; or intentionally, knowingly, or recklessly permits hazing to occur.)

11. Academic Dishonesty

Conduct including, but not limited to, plagiarism, cheating, multiple submission, forgery, sabotage, unauthorized collaboration, falsification, bribery or use of purchased research service reports without appropriate notation; and theft, damage, or misuse of library or computer resources. Attempts to commit such acts shall also constitute academic dishonesty. Students assume full responsibility for honesty in academic exercises.
(Students should be warned that if found in violation of academic dishonesty they may be subject to two types of sanctions. If the instructor is convinced that the student has been dishonest, the instructor may administer an academic penalty. The student who disagrees with the judgment or penalty may appeal through established academic appeal procedures. Consult the appropriate department chair, school dean, or academic catalogs for details. At the same time, the student may be subject to the proceedings and sanctions of the Student Conduct System outlined in Community Rights and Responsibilities.)

Student Conduct Procedures

1. Introduction

The Student Conduct System addresses charges that are brought against a student or organization that allegedly violates the student Code of Conduct, Community Rights and Responsibilities. The Student Conduct System utilizes a “preponderance of evidence” standard of proof. A preponderance of evidence standard evaluates whether it is more likely than not that a violation occurred.

2. Referrals

A. When an incident occurs and there are allegations that a student violated the code of conduct, a Student Conduct Referral may be filed by any College faculty, staff, and/or student.

B. Individuals who wish to initiate a Student Conduct Referral must meet with a Student Conduct Administrator who will determine if the case has merit to move forward to a referral.

C. If the case is deemed to have merit, then the Referring Party will be asked to put the allegations of misconduct in writing with sufficient detail to support a referral. Any
charge should be submitted as soon as possible after the event takes place, preferably within the academic year in which the alleged infraction took place. While timeliness is preferable, there is no deadline by which a complaint must be filed as long as the referred party is a current student at the College.

D. If there is an allegation of misconduct that the Student Conduct Administrator has determined has merit, the Referred Party will:

   I. Be notified that a complaint has been filed against him/her via College email;
   II. Have an opportunity to meet with a Student Conduct Administrator to review the Student Conduct Referral which includes the code violations;
   III. Learn about the student conduct process and have questions answered;
   IV. Have an opportunity to give their perspective about the incident;
   V. Provide witness information, if applicable;
   VI. Review possible outcomes and sanctions; and
   VII. Receive a copy of the Student Conduct Referral.

E. After the Referred Party has received a copy of the Student Conduct Referral, the Referred Party has the option to take up to three calendar days to review their Student Conduct Referral and decide whether or not to accept responsibility for the charges. After three calendar days, the Referred Party must communicate their decision to the Student Conduct Administrator. The Student Conduct Administrator will determine the manner in which the case will be resolved and will communicate this to the Referred Party.

F. A student who withdraws from the institution prior to an outcome of a pending conduct case should understand that the investigation may continue without the student’s participation and the student can still be found responsible for the violation. Withdrawal from the institution will not protect a student from possible criminal or civil action(s).

3. Resolutions

   Resolutions are the manner in which student conduct cases are resolved. A description of each type of resolution follows:

   A. Administrative Agreement

      I. Sanction Agreement
      The Referred Party acknowledges responsibility for violating the code of conduct and resolves the case with a Student Conduct Administrator by agreeing to an appropriate disciplinary sanction. An application to appeal may not be filed, except for cases of Sexual Misconduct, where the Reporting Party may appeal.
II. Imposed Sanction

If the Referred Party does not wish to accept an appropriate sanction from the Student Conduct Administrator, but the preponderance of evidence standard has been met, a sanction will be imposed. A sanction may also be imposed if the student fails to attend a scheduled meeting with the Student Conduct Administrator. The Referred Party maintains the right to file an application to appeal.

Imposed sanctions may only be applied in cases where sanctions will not result in removal from residence hall, suspension or dismissal.

B. Hearing before a Student Conduct Hearing Board

When the Referred Party is facing removal from residence, suspension or dismissal from the College or at the discretion of the Student Conduct Administrator, a hearing will be scheduled. Regardless of who served as the original Referring Party, the Student Conduct Administrator may later serve as the Referring Party at a Student Conduct Hearing. The Director of Student Conduct and Community Standards will make every effort to schedule hearings around students’ academic schedules only.

Hearings are conducted as follows:

I. Both the Referred Party and Referring Party:
   a. Receive written notice of a hearing date, time and place at least 5 calendar days in advance;
   b. Must represent themselves;
   c. May have one advisor present. The advisor may not address the Student Conduct Hearing Board but may speak privately with the advisee during the proceedings;
   d. Have the right to call witnesses who have direct knowledge of the incident;
   e. Hear the description of incident and conduct charges (the Referred Party will then make a plea of responsible or not responsible for the charges);
   f. Have the opportunity to make an opening statement;
   g. Have the opportunity to ask questions of each other and their witnesses;
   h. May be questioned by the Student Conduct Hearing Board.
   i. Have the opportunity to make a closing statement.

II. The Student Conduct System encourages student involvement in the conduct proceedings and relies on full and open discussion of cases with all parties concerned in order to render a fair judgment. The Student Conduct System is administrative in nature and, as such, is not considered a court of law where formal rules of process, procedure or technical rules of evidence apply.

III. Referrals involving multiple students for the same incident may be resolved at one hearing.
IV. Hearings are regarded as confidential and closed to all but the principals of the case, their witnesses, their advisor and the Director of Student Conduct and Community Standards.

V. An official audio recording will be made of the proceedings. This recording is the property of the College and will not be duplicated or released. Participants are prohibited from making their own recording during the hearing (including but not limited to audio, photographic and/or written recording). The Referred Party and Referring Party may submit a written request to the Director of Student Conduct and Community Standards for permission to listen to the official audio recording in a supervised location on campus. An official written transcript can be provided by the College at the requesting party’s expense.

VI. Evidence to be presented by the Referring Party and Referred Party during any hearing on the charges must be submitted to Community Standards at least two (2) business days in advance of the scheduled hearing. This evidence will be shared with the opposing party. The Student Conduct Hearing Board may exclude evidence that has not been shared or adjourn the hearing to afford all parties the opportunity to review evidence to be presented during the hearing. Community Standards or the Student Conduct Hearing Board will make the final decision related to the admissibility of all evidence.

VII. It shall be the responsibility of the Student Conduct Hearing Board to determine the relevancy of testimony and written evidence.

VIII. Should the Referred Party or Referring Party fail to appear for a scheduled hearing, a finding will be made based upon the information available and sanction(s) imposed, if appropriate.

IX. The primary function of any Student Conduct Hearing Board is to determine, by simple majority, using a preponderance standard, whether the Referred Party has violated the provisions of Community Rights & Responsibilities and if so, determines an appropriate sanction.

X. The Referred Party will be notified, in writing, of the final decision of the Student Conduct Hearing Board and of the right to appeal. Consistent with the provisions of the Family Educational Rights and Privacy Act (FERPA) regulations, and in cases involving sexual offenses or crimes of violence, the Referred Party, Referring Party, and Reporting Individual will be notified of the final decision of the Student Conduct Hearing Board.

XI. The Referred Party’s status at the College is not altered until the appeal decision is final. In certain cases, however, the Chief Student Affairs Officer may determine that the Referred Party’s presence is a threat to the College community and uphold the sanction imposed by the Student Conduct Hearing Board until the appeal is final.
C. Alternative Dispute Resolution

I. Mediation

Mediation is a voluntary process that requires the commitment of all parties. It is appropriate when a violation arises out of a dispute between students. It is generally reserved for first time and less serious violations. The goal is to reach a written agreement to resolve the dispute and to prevent it from reoccurring. The Student Conduct Administrator will act as the mediator, and will retain a record of the mediation efforts and the mediation agreement. If the parties fail to live up to the agreed settlement, or if mediation attempts fail to reach an agreement, a referral will be processed.

D. Procedures for Organizational Hearings

Hearing for organizations will follow the same procedure as hearing for individual students as described in: “Student Conduct Procedures.” Additional guidelines for organizational hearings are as follows:

I. The organization’s President or designee and no more than 2 other organization members shall represent the organization charged throughout the conduct process. All representatives/designees must be current SUNY Potsdam students.

II. SUNY Potsdam may choose to share information with affiliated alumni, affiliated students, and the advisor of the organization. The organization can share information with members and alumni as it relates to the hearing.

III. The past history of an organization will not be admissible in a hearing except in the following cases.
   a. A representative for the organization presents false information during the hearing about the organizations’ past conduct and/or other history.
   b. If, in the past, the organization charged was found to have violated a similar policy ("Past Violation"), the information related to the Past Violation may be considered if:
      i. The previous violation was substantially similar to the present complaint; and
      ii. The previous violation indicated a pattern of behavior and substantial conformity with that pattern by the organization charged.

IV. Should there be a need for sanctioning, the Director or Assistant Director of Campus Life will work with the hearing board to ensure the sanctions are appropriate and educational.

Note: In the case of Greek affiliated hearing and appeal boards, every effort will be made to ensure that at least one member of the Hearing or Appeal Board is/was affiliated
with a Greek community either at SUNY Potsdam or at their previous institution. While
the College will work towards this goal, it is not absolute and the hearing or appeal will
proceed even if there are no hearing or appeal board members available at the scheduled
time.

Cases of Sexual Misconduct

1. Introduction

This section outlines the policy and procedures that will be followed for all cases of sexual
misconduct in addition to procedures described in the student conduct procedures. In
addition, there is also a great deal of additional information and resources on the Title IX web
page: https://www.potsdam.edu/about/safety/title-ix

The College’s Sexual Harassment Policy can be found:
https://www.potsdam.edu/sites/default/files/inline-files/SexualHarassmentPolicy.pdf

will control for cases of sexual misconduct.

444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the

The burden of proof in all sexual misconduct cases is a “preponderance of the evidence” -
whether it is “more likely than not” that, the sexual misconduct occurred. If the evidence
meets this standard, than the accused/respondent MUST be found responsible of a violation of
this code.

A. Students’ Bill of Rights

B. Alcohol and/or Drug Use Amnesty Policy for Sexual Misconduct Cases

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. SUNY Potsdam recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Potsdam strongly encourages students to report incidents of domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to SUNY Potsdam officials or law enforcement will not be subject to SUNY Potsdam's code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

2. Student Conduct Process in Cases Involving Sexual Misconduct

A. Victims/Survivors/Reporting Individuals have the right to request that student conduct charges be filed against the Accused/Respondent. Conduct proceedings are governed by the procedures set forth in the Community Rights & Responsibilities as well as federal and New York State law, including the due process provisions of the United States and New York State Constitutions.
B. Throughout conduct proceedings, both parties of the complaint will have:

   I. The same opportunity to be accompanied by an advisor of their choice who may assist and advise the parties throughout the conduct process and any related hearings or meetings. Both parties will be notified in writing of the delay, the reason for delay, and provide the date of the new deadline or event. Extensions requested by one party will not be longer than five (5) business/school days. With respect to timing, parties should take notice of the following:

      a. The preliminary review of all complaints, including any necessary interviews to be conducted and any necessary interim measures to be put in place, will usually be completed within seven (7) days of receipt of the complaint.

      b. The subsequent, comprehensive review and investigation of the complaint, including interviews with all involved parties and gathering of evidence, will usually be completed within forty (40) days of receipt of the complaint.

      c. Results of the complaint, via either a formal hearing or waiver of hearing will typically be issued within sixty (60) days of receipt of the complaint, or, if longer, within a prompt and timely manner.

      d. Appeals for cases of sexual misconduct will be conducted as per the procedures described in “Appeals of Cases of Sexual Misconduct”.

   III. The right to have their complaint investigated and adjudicated in an impartial and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, the rights of the Respondent, including the right to a presumption that the Respondent is, “not responsible” until a finding of responsibility is made and other issues related to sexual assault, domestic violence, dating violence, and stalking.

V. The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.

VI. The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than ten (10) days except when law enforcement specifically requests and justifies a longer delay.

VII. The right to offer evidence during an investigation and to review available relevant evidence in the case file (or otherwise held by SUNY Potsdam).

VIII. The right to present evidence and testimony at a hearing, where appropriate.

IX. The right to a range of options for providing testimony via alternative arrangements, including telephone/videoconferencing or testifying with a room partition.

X. The right to exclude prior sexual history with persons other than the other party in the conduct process or their own mental health diagnosis or treatment from admittance in college disciplinary stage that determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the disciplinary stage that determines sanction.

XIX. Evidence to be presented by either party during any hearing on the charges must be submitted to the Director of Student Conduct and Community Standards at least two (2) business days in advance of the scheduled hearing. This evidence will be shared with the opposing party. The Student Conduct Hearing Board may exclude evidence that has not been shared or adjourn the hearing to afford all parties the opportunity to review evidence to be presented during the hearing. The Director of Student Conduct and Community Standards or the Student Conduct Hearing Board will make the final decision related to the admissibility of all evidence.

3. Temporary and Administrative Directives

A. When the Accused/Respondent is a student, the College may issue a “No Contact Order” meaning that continuing to contact the protected individual, either directly in person, by telephone, email, text message, or other electronic means of communication, or through a third party (other than an attorney), is a violation of College policy subject to additional conduct charges; if both parties of the complaint observe each other in a public place, it is the responsibility of the Accused/Respondent to leave the area immediately and without directly contacting the protected person. Additional information can be found at: https://www.potsdam.edu/about/safety/title-ix/no-contact-orders

II. The College may establish an appropriate schedule for the Accused/Respondent to access applicable institution buildings and property at a time when such buildings and property are not being accessed by the Victim/Survivor/Reporting Individual.

Sanctions, Temporary and Administrative Directives

Failure to comply with sanctions and directives is a violation of College policy subject to additional conduct charges.

1. Sanctions
   A sanction is a requirement or status that is imposed as a result of either accepting responsibility or being found responsible for violating the student code of conduct, Community Rights and Responsibilities.

   Disciplinary sanctions shall be communicated to students in writing via College email, which is the official means of communication between Student Conduct Administrators and students.

   Sanctions are determined by the seriousness of the code violation and are not necessarily progressive. For example, a student with no prior disciplinary record may be assigned a sanction commensurate with the offense up to and including removal from residence, suspension or dismissal. Failure to complete a sanction may result in a hold being placed on a student’s transcript preventing the student from registering.

   A. Verbal Conduct Warning
      A verbal notice to a student that the behavior is counter to the expectations in the student Code of Conduct. A Verbal Conduct Warning is issued for low-level behavior infractions. This is not considered a formal referral, rather an understanding between the administrator and student with the expectation that the student modifies future behavior.

   B. Written Conduct Warning
      This is a lower level sanction issued as a result of a formal Student Conduct Referral. A student is placed on Written Conduct Warning for a period of four (4) months excluding winter and summer intersessions. This serves as a strong notice to a student that the behavior is counter to the expectations in the student code of conduct. Having an active Written Conduct Warning can affect your ability to hold positions with campus offices and/or organizations and other campus opportunities.
C. **Disciplinary Probation**
   This is a higher-level sanction issued as a result of a formal Student Conduct Referral that does not compromise a student’s housing or their status as a student. Disciplinary Probation generally lasts fifteen (15) weeks (while classes are in session) and includes all the restrictions of the Written Conduct Warning. This is an official notice that advises that the student may risk separation from the college if there are any further violations.

D. **Terminal Disciplinary Probation**
   This is issued as a result of a formal Student Conduct Referral and is imposed for serious violations or a pattern of violations of the student code of conduct. A student is placed on Terminal Disciplinary Probation for a specified period to include until Graduation based on the violation. Having an active Terminal Disciplinary Probation status can affect your ability to hold positions with campus offices and/or organizations and other campus opportunities. Specifically, a student cannot run for or hold certain campus-wide leadership positions including elected or appointed student government offices; hold a position in Residential Life; or serve on the Student Conduct Board.

E. **Removal from Residence**
   Students who have a serious violation of the community standards set in the student code of conduct or the residence license, or because of a series of breaches of the community standards in the Residence Halls will be asked to leave campus residence either permanently or for a period of time. This sanction carries with it the penalty of forfeiting room and board charges for the semester in which the disciplinary action occurs. Depending on the nature of the incident, the student may also receive a disciplinary probation as part of this sanction.

F. **Deferred Suspension**
   This sanction is imposed when the hearing officer/board has found the student(s) responsible for a violation sufficient to warrant suspension but feels there are mitigating circumstances that warrant one final chance. Being found responsible for another violation during the period of deferred suspension, no matter how minor, will result in immediate suspension.

G. **Disciplinary Suspension**
   A student who is suspended from the College is unable to register for and attend classes or to be present on College property for a prescribed period of time. Suspension is a severe sanction and the student forfeits tuition and fees along with room and board if a residential student and does not receive academic credit for the semester in which the suspension occurred. Students who are Disciplinarily Suspended and wish to return to the College must first meet with The Director of Student Conduct and Community Standards to assess their readiness for readmission. Students who are Disciplinarily Suspended with conditions and who wish to return to the College must meet with The Director of Student Conduct and Community Standards to verify the successful completion of the conditions.
H. Deferred Disciplinary Dismissal
This sanction is imposed when the hearing officer/board has found the student(s) responsible for a violation sufficient to warrant dismissal but feels that there are mitigating circumstances that warrant one final chance. Being found responsible for another violation during the period of deferred dismissal, no matter how minor, will result in immediate dismissal.

I. Disciplinary Dismissal
A student who is dismissed (expelled) from the College is permanently separated from the community, prohibited from being on any property of the College and may never return to the institution. The student forfeits tuition and fees along with room and board if a residential student, as well as the academic credit for the semester in which the dismissal occurred.

J. Residence Hall or Campus Restriction
A student may be restricted from appearing in any or all of the residences, buildings or grounds on campus if it is reasonably believed that the student poses a threat to the health or safety of the campus community. Other restrictions may be imposed such as denial of access to specified campus services or programs. A student may also be barred from the entire campus if the Chief Student Affairs Officer or designee reasonably believes the student poses a threat to the health, safety or well-being of the College community.

K. Restitution
If College property is damaged, the appropriate College department and/or personnel will make an assessment of the damage. The responsible student(s) may be billed as appropriate. Restitution for personal property cannot be resolved via the Student Conduct System.

L. Educational Programs & Services
Educational Programs & Services such as Alcohol Education Programs, Drug Education Programs, Community Service, By-Stander Intervention Programs, reflection or research papers, etc., may be used to supplement any other student conduct sanction. It is the sole responsibility of the student to bear any costs associated with these sanctions.

2. Temporary Directives

A. Temporary Suspension
The Director of Student Conduct & Community Standards or designee may take action immediately to suspend a student from the College and remove the student from campus, when in consultation with the Chief Student Affairs Officer, reasonably believes that the continued presence of such student would constitute a danger to the safety of persons or property. The Director of Student Conduct or designee may also temporarily suspend an organization and/or the activities of an organization for an interim period pending conduct charges and proceedings. The
suspension is temporary pending the resolution of the student’s or organization’s Conduct Referral as outlined in: Student Conduct Procedures of the Community Rights & Responsibilities.

B. **Temporary Removal from Residence**
When the Director of Student Conduct & Community Standards or his/her designee reasonably believes that the behavior of a resident student significantly detracts from the educational environment of the residence hall or constitutes a danger to the safety of other persons or property in the residence hall, the Director may temporarily remove the student from campus housing and restrict the student from the buildings and grounds of the residential complexes. The removal is temporary pending the resolution of the student’s Student Conduct Referral as outlined in: Student Conduct Procedures of the Community Rights & Responsibilities.

3. **Administrative Directives**

   A. **No Contact Order**
   A written directive prohibiting certain behaviors with a protected individual, either directly in person, by telephone, email, text message, or other electronic means of communication, or through a third party (other than an attorney). If the accused or respondent and a protected person observe each other in a public place, it is the responsibility of the accused or respondent to leave the area immediately and without directly contacting the protected person.

   B. **Cease & Desist**
   A written directive to both parties prohibiting contact with each other, either directly or through a third party.

   C. **Residence Hall or Campus Restriction**
   A student may be restricted from appearing in any or all of the residences, buildings or grounds on campus if it is reasonably believed that the student poses a threat to the health or safety of the campus community. Other restrictions may be imposed such as denial of access to specified campus services or programs. A student may also be barred from the entire campus if the Chief Student Affairs Officer or designee reasonably believes the student poses a threat to the health, safety or well-being of the College community.

4. **Transcript Notations**
   A. A student who has been suspended or expelled for any violation of the Conduct Code including but not limited to behavior that leads to the death or serious physical injury of another person, hazing, physical abuse, sexual misconduct, and, per New York State Education Law Article 129B, conduct that constitutes a crime of violence (including but not limited to sexual assault) as defined in the Clery Act will have a permanent notation placed on the student’s official college transcript indicating the
disciplinary suspension or expulsion. If a student withdraws from the institution while such a disciplinary matter is pending, a transcript notation will indicate that the student withdrew with student conduct charges pending.

The following transcript notations are used by SUNY Potsdam:

a. Temporarily suspended (date) pending code of conduct hearing
b. Withdrew with conduct charges pending (date)
c. Suspended after a finding of responsibility for a code of conduct violation (date) to (date)
d. Expelled after a finding of responsibility for a code of conduct violation (date)

Transcript notations for a student who is suspended or who chose to withdraw with a pending conduct investigation will remain on a transcript for a minimum of one year. After one year's time, a student may request to have the transcript notation removed by filing an appeal with the Dean of Students or designee.

Transcript notations for students expelled are permanent and cannot be removed.

If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

Other disciplinary records maintained by the Office of Student Conduct and Community Standards are not reflected upon a student's academic transcript, but are maintained in the Office of Student Conduct and Community Standards in accordance with college policy.

B. Transcript Notation Appeals Process
To file an appeal to have the transcript notation removed from an academic transcript a student must submit in writing to the Dean of Students or designee evidence of rehabilitation or other good cause for the transcript notation removal.

Students who withdrew from the College prior to resolution of the conduct process will need to fulfill the sanctions found in absentia before being permitted to appeal.

Appeal decisions will be provided in writing within thirty (30) calendar days of submission.

Student Conduct Appeals

1. Introduction
An appeal is the process to request a review of the original student conduct outcome. The Referred Party has the right to submit one application for appeal to the Director of Student Conduct and Community Standards. In cases of Sexual Misconduct, both parties have the right to appeal. An appeal does not rehear a student conduct case, but rather, determines if the conclusion reached in the original case is valid based on substantiation.
of a procedural error, new evidence, or the severity of the sanction.

Note: Student conduct cases that are resolved through Administrative Resolution: Sanction Agreement are not eligible for appeal, except for cases of Sexual Misconduct.

2. Appeal Grounds
An application for appeal may only be filed on the grounds below and must meet at least one of the three standards to be considered for appeal.

A. **Procedural Error:** Procedural error occurs when the policies outlined in *Community Rights and Responsibilities* are not followed, and as a result, the outcome of the case was significantly impacted. A procedural error and its impact on the case outcome must be clearly described in the appeal.

B. **New Evidence:** This refers to new evidence that was unavailable during the original hearing or investigation that could significantly affect the original finding or sanction. A summary of the new evidence and its potential impact must be included. This does not include information available but not disclosed at the Student Conduct Hearing by choice (i.e., opting not to disclose information for any reason).

C. **Sanction Severity:** A sanction imposed as a result of the original student conduct hearing that is significantly outside of the parameters of the Sanction Guidelines may be appealed. Evidence must show that the sanction is inappropriate based on the infraction.

3. Appeal Procedure

A. An application for appeal must be submitted electronically within seven calendar days of receiving the decision letter via College e-mail. Instructions on how to file an application for appeal are provided in the decision letter. Applications for appeal may not be submitted by a third party.

B. Applications for appeal are reviewed by the Chief Student Affairs Officer or their designee to determine if the appeal was submitted timely for appeal. The original decision and sanction will stand if the appeal is not timely or does not meet the grounds for appeal, and the decision is final.

C. If the application is timely AND meets the grounds, the Appeal Board will review the appeal.

D. Appeal outcomes are determined based on the Referred Party’s approved written application for appeal and the rationale of the original Student Conduct Hearing Board. A simple majority will make the Appeal Board’s decision.
E. Appeal findings shall be recommended to the Chief Student Affairs Officer or
designee who will render a final decision. A written notification of the appeal
decision will be made via College email. This decision is final.

4. Appeals of Cases of Sexual Misconduct
In such cases, both parties will receive written notification of the Student Conduct
Hearing Board’s decision and either party can then submit an application for appeal
within seven (7) calendar days according to the procedures described above under
“Student Conduct Appeals.”

If one party submits an application for an appeal, the non-requesting party will receive
notice that an appeal was submitted and may then submit either their own appeal or a
written response to the requesting party’s appeal within seven (7) days of the
notification. If both parties appeal, the appeals will be considered concurrently. The
appeal(s) shall be considered in accordance with the “Student Conduct Appeal
Procedure.” Both parties will be notified of the appeal decision within thirty (30) days
of the last appeal received, and the decision is final.

Appointment of Student Conduct Hearing and Appeal Boards

All members of the Student Conduct Hearing Board and Appeal Boards shall be
appointed by the Director of Student Conduct and Community Standards.

1) The Director of Student Conduct & Community Standards will select Student
Conduct Hearing Boards and Appeal Board members who are capable of
adjudicating cases in a fair, knowledgeable, and impartial manner.

2) Student Conduct Hearing Board and Appeal Board members will possess or
receive the necessary education and training regarding the subject matter of cases
they will be adjudicating. Training will minimally be done annually. Members of
Title IX Boards are also required to receive annual training on trauma-informed
investigations.

3) The Director of Student Conduct & Community Standards shall choose from a list
of currently trained Student Conduct Hearing Board members and Appeal Board
members.

4) Student Conduct Hearing Board members and Appeal Board members who are
unable to be impartial for whatever reason shall disqualify themselves.
Common Campus Policies

Alcohol Regulations

1. Statement of Purpose

SUNY Potsdam recognizes that a responsible attitude towards the use of alcoholic beverages is a desirable goal and should be encouraged by College policy. These regulations are to act as guidelines to provide members of the College community with an opportunity to develop a realistic and reasoned approach to alcohol use. They presume adherence to New York State Law and respect for the rights of all others in the College community. It is important to note that college policy does not recognize misuse of alcoholic beverages as an excuse for misconduct of any kind.

The SUNY Potsdam Alcohol Regulations apply to all members of the College community and their guests. They are in effect for all campus buildings and the College grounds. They are meant to provide a framework through which responsible use of alcohol is a prime objective.

II. State and Local Alcohol Regulations

A. New York State Law

New York State has taken major steps to deal with alcohol abuse. The penalties for “Driving While Ability Impaired” and “Driving While Intoxicated” have increased substantially (including fines, suspension or revocation of license, imprisonment.) The best advice: If you drink, don’t drive.

It is a crime in New York State to purchase alcoholic beverages for, or to give alcohol to, a person under 21 years of age. The legislature has passed several bills to substantially increase penalties for these offenses.

Effective December, 1985, the minimum legal age for purchase of alcoholic beverages became 21. The College must comply with State law.

Effective October, 1989, a person under the age of 21 who presents an altered New York State driver’s license for the purpose of illegally purchasing an alcoholic beverage may be subject to a suspension of that driver’s license for up to 90 days and may also be required to apply to the Department of Motor Vehicles for a restricted use driver’s license following the suspension.

Effective November, 1989, persons under the age of 21 who present falsified or fraudulently altered proofs of age for the purpose of purchasing or attempting to purchase alcoholic beverages are guilty of a violation.

Effective January, 1990, persons under the age of 21 are prohibited from possessing any alcoholic beverage with intent to consume the beverage. Alcoholic beverages involved in alleged violations of this law may be seized by authorized law enforcement officials.

B. Civil Liability

General Obligations Law of New York State Section 11-100 provides for civil liability against any person knowingly causing intoxication of a person under 21 years of age by furnishing alcoholic beverages to that person or by aiding such a person in procuring alcoholic beverages. Section 11-100 (Dram Act) provides for civil liability against any person selling or procuring alcoholic beverages for an intoxicated person regardless of age.
C. Village of Potsdam

It is a violation in the Village of Potsdam to possess an open container that contains or has contained alcoholic beverages on a street, in a parking lot, on a highway, on a sidewalk, in other public places or in a motor vehicle. This applies equally to the campus premises.

A. The College will not accept use of alcohol as an excuse for misconduct.
B. The violation of New York State law and the ordinances of the Village of Potsdam regarding the use and possession of alcohol is a violation of SUNY Potsdam regulations. New York State law regarding DWI and DWAI is applicable to all College property and the violation of same on College property constitutes a violation of these regulations.
C. Misconduct on College property resulting from the use of alcohol constitutes a violation of these regulations.
D. Possession of any alcoholic beverage by a person under the age of 21 is expressly forbidden.
E. Referrals of alcohol abusers to an appropriate campus program or to the St. Lawrence Health Systems Substance Use Disorder Services may be a provision of any penalty or sanction for violation of these regulations.
F. No vendor shall deliver, or cause to have delivered, alcoholic beverages to the campus except where such delivery is made to a College authorized representative or agent of a licensed vendor (i.e. PACES).
G. Any violation(s) of these regulations shall be dealt with in accordance with Article VI.
H. Alcoholic beverage restrictions are determined by the policy governing the type of area in which alcohol is to be involved (i.e. Thatcher Hall, residence hall room) rather than the type of event (i.e. party, function).

IV. Regulation of Alcoholic Functions
A. Campus-wide Regulations
1. Reasonable amounts of solid, substantial food and non-alcoholic beverages must be available.
2. Availability of alcoholic beverages in PACES leased facilities will be authorized by the Director of Dining Services, or designee, in consultation with the appropriate building administrator. The duration of alcohol service at an event will be determined by the vendor (PACES) as part of their responsibility as a license holder.
3. The College reserves the right to charge supervisory fees, cleaning and damage deposits for the use of College facilities. Fees are payable in advance.
4. Outdoor functions must be approved by the Director of Student Life Facilities.
5. The primary thrust of an activity should not be drinking alcoholic beverages. Advertising should promote a realistic activity and advertising will be limited to designated, controlled and appropriate places.
6. The number of persons attending a function is limited to the legal limit of the area.

B. Residence Hall Regulations – see section on Residence Hall Policies
v. Application Procedure Sale and/or Service of Alcohol
The only group that may sell or serve alcohol on the College premises is PACES (by contract with the State University of New York). The only areas licensed for regular sale of alcoholic beverages are the Barrington Student Union, Thatcher Hall and the Student Union Patio. All other areas require that PACES purchase a one-day caterer’s permit from the New York State Liquor Authority. The permit must be visible at the event and no event will be held without this permit. This requires a significant lead time (please check with the catering office for specifics.) The cost of this permit will be passed on to the sponsoring group. Failure to receive a permit may require the event to be moved to a licensed facility, if available.

vi. Enforcement Procedures
College groups and individuals not in compliance with this policy may be charged under the College disciplinary system.

Animal Policy

- Individuals or groups who do not comply with these guidelines or who, without authorization, remove materials placed by other individuals or groups may be denied access to the campus for posting of materials and may be subject to disciplinary action.

E. Banners
- Banners should be attached to the tack strip on the balcony railing and may not exceed 6’ in height. Banners are limited to on-campus sponsored activities only. Advertising materials should be appropriate for a college campus. Advertising materials shall not refer to the availability of alcoholic beverages (price, quantity, brand, type, specials, etc.), illegal drugs or any tobacco or electronic cigarette/electronic aerosol delivery device products. All banners should include the date of the event and the sponsoring organization. Individuals or groups who do not comply with these guidelines or who, without authorization, remove materials placed by other individuals or groups, will be subject to disciplinary action. All banners must meet New York State Fire Code.

F. College responsibility
- It shall be the responsibility of the Assistant Vice President for Facilities to convene a meeting of all building administrators to fully explain the Campus Posting Policy.
- It shall be the responsibility of a designee of the Assistant Vice President for Facilities to meet with all maintenance supervisors to fully explain the Campus Posting Policy and to require their participation in removing of inappropriate or outdated materials.
- It shall be the responsibility of the Director of Residence Life (or designee) to include appropriate training of the Residence Life staff as relates to this policy in the Residence Halls.

Firearms and Weapons
The rules of the Board of Trustees prohibit the possession of firearms or weapons on a State operated campus of the State University of New York without the written authorization of the campus President (or designee). The Chief of University Police has been appointed as the President's designee for such purpose. The fact that a person is in possession of a valid New York State pistol permit does not authorize that person to have a firearm or weapon on campus without such written authorization of the campus President (or designee). Such authorization may be rescinded at any time but in no event shall it be valid for longer than one academic year.

Sales on Campus
Generally, SUNY does not permit commercial sales on campus (including residence halls) by businesses, staff or students. There are some limited items which may be permitted as "cultural events" if they are sponsored by a campus based organization. These are items which are determined to be craft items and are sold by the craftsperson who created them. Most items, however, are either under contract to our auxiliary service corporation or would present unfair competition to local business.
The SUNY policy states, "No authorization will be given to private commercial enterprises to operate on State University campuses or in facilities furnished by the University other than to provide for food, campus bookstore, laundry, dry cleaning, barber and beautician services, and cultural events. This shall not apply to Faculty-Student Corporation (PACES) activities approved by the University."

The fact that SUNY Potsdam is a public university does not permit individuals or businesses to operate a commercial enterprise on campus, nor does it permit individuals or businesses free access to campus buildings. Additionally, no such commercial activity may occur in the residence halls (as confirmed by the Supreme Court of the United States). Advertisers must comply with the campus posting policy.

Wheeled Vehicle Policy
SUNY Potsdam recognizes that skateboards, rollerblades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as hazard to property. In an effort to continue to provide for the open use of College property of these modes of transportation, the following are adopted:

Trick or stunt riding is prohibited. Trick or stunt riding is defined as repetitive or competitive moves where wheels leave the surface. Vehicles or devices used in such a manner are subject to impounding.

No wheeled vehicle or device for personal transportation may be used in any campus building. Wheelchairs and youth strollers are exempt from this provision.

Skateboards, bicycles, rollerblades and similar wheeled devices are prohibited from any tennis court surface.

Skateboards and rollerbladers using sidewalks will do so safely and will yield the right of way to pedestrians.

Skateboards and rollerbladers using campus roadways will travel in the right lane of traffic only, as close to the right hand curb as is feasible and safe.
Residence Hall Living

The residence halls are a vital part of the collegiate experience and an integral part of the College’s mission. At SUNY Potsdam, students spend a major portion of their time outside of the classroom, and the residence halls are at the center of the students’ day-to-day life. The College’s Residence Life Department believes that a residence hall should contribute to the student’s educational and personal growth. At the core of this philosophy is the sense of community, which staff members strive to create in the halls. You are expected to treat every member of the College community with respect, especially the hall staff, and comply with their requests. Cooperation, commitment to the welfare of the group, and a sense of responsibility to self and others define the community that develops as a result of living and learning together. We believe the essence of this commitment can be seen in the residence halls, which provide an opportunity for exchanging divergent views and beliefs and sharing in the diversity of our campus community.

The key element to a successful residential experience is the willingness to get involved. You can have an impact on the direction of your hall and the College through your participation in activities. We hope that you make the most of this opportunity by accepting the challenge and responsibility of being an active and contributing member of the residential community. The following pages will outline the policies, procedures, and regulations required of all students who live in the residence halls.

Residence Hall Policies & Procedures

Building Access

College issued SUNY ID Cards will allow residential students access to all of the residence halls. The keyless entry system is activated 24 hours a day and students are responsible for carrying their SUNY ID Card at all times. Students may not give their SUNY ID Card or access to their CBORD Mobile ID App to another student for any reason at any time. Students should only allow entry to their own guests into their building.

Checking In

When you check in to your residence hall you will be asked to complete a room condition report (RCR) online (and in multi-person accommodations such as a suite, apartment or Townhouse you will also fill out a common room condition report (C-RCR). This is a record of the room’s contents noting the condition of the room and its furnishings at the time you accept occupancy. Your signature indicates acknowledgement of the conditions noted. You will be assessed a damage charge for any conditions which differ from those specified on the room condition report when you check out.

When you check in, you will receive your room/suite/Townhouse key(s), a variety of information and you will be asked to pay a hall activity fee of $20 for the academic year. All students must be in compliance with the College’s immunization policy, be registered for classes for the upcoming semester, and be in good financial standing with the College at the time of check-in.

Students who are approved in advance to come back early and do not have an approved academic reason to be back will be assessed a $20.00 per day fee. Students in their first semester at Potsdam will not be approved to move in early.
Checking Out

At the end of the school year, or when you officially leave a room, you are responsible for returning the room to its original condition including returning all furnishings. Rooms should be left reasonably clean: door, walls and furniture cleaned, floors swept, and garbage and all personal belongings removed. At the time of check out, you must complete an outgoing (RCR) (and C-RCR if applicable) online. At check out, the staff member will take inventory and record changes to the entering condition. Failure to return keys at the time you are checking out of your room will result in an automatic lock change and a charge of $50.00. Students who move rooms mid-semester, and who fail to return their key, may also be charged for two rooms until the original room key is returned and/or they notify Residence Life that the key has been lost.

The building staff and Associate Director, or designee, will make a final damage assessment by the end of the semester. If damages are assessed, the amount will be added to your student account. See damage section for more information about damage billing. Failure to sign out on the RCR and/or C-RCR does not preclude the ability to bill for damages. Personal items left behind after checkout or separation with the College may be subject to a daily storage fee.

Students are required to check out of their room 24 hours after their last final in the spring semester. Failure to vacate your room by 10am on the Sunday after commencement will result in an additional charge of $150 per day and may also lead to trespassing charges.

Damage

Students are held responsible for damage beyond normal wear and tear to their room, common areas of the residence hall (i.e. hallway, stairwell, bathroom, lounge, etc.) and college provided furnishings. If damage occurs in a common area, the individual(s), if known, can be charged both judicially and financially. Damage amounts will be added to the student’s bill, most commonly at the end of each semester. Students will have until February 1st for fall bills and August 1st for spring bills to appeal IF they have checked out properly and signed their room condition report. Appeals must be made in writing to the Office of Residence Life. Students will be responsible for payment before the start of the next semester. Failing to pay this bill will result in a hold being placed on all official college records. If the individual(s) cannot be identified, the community affected will be subject to the following Community Billing Process.

(1) The Resident Assistant will hold a meeting with all of the members of the living unit to discuss the incident(s) and ask for the cooperation of all residents to discontinue the problem behavior.

(2) If the problem continues, the Residence Hall Director will send a formal warning letter to all residents within the living unit as well as conduct a meeting to further discuss the college policy and violation.

(3) If, after the first two steps are taken and the damage/vandalism continues without being able to identify the responsible person(s), then all of the residents who live within the living unit will be billed to cover any repairs or excessive cleaning. The bill will consist of a listing of all of the damages done to that area divided by the total number of students in that area.
Residence Life can provide students a list of cost for common damages in student rooms. To receive this list, students may request one in writing or visit the Residence Life office in Draime Hall Extension.

Electrical Appliances

New York State Code prohibits cooking within Residence hall rooms and suites as cooking appliances can create significant fire safety hazards. The following items are the only cooking appliances that students are allowed to have and use within student rooms/suites: coffeepots, refrigerators (no larger than 4.0 cubic feet) and microwaves (not to exceed 1000 watts). Since the rooms/suites are not designed for substantial cooking, designated cooking areas are provided in each residence hall. Electrical appliances that are allowed must be plugged directly into a wall outlet or an appliance rated extension cord. All appliances other than refrigerators must be unplugged when not in use. All appliances that are powered by sources other than electricity are not permitted in the residence halls. Window air conditioning units and space heaters are not permitted in the residence halls. Energy Star/energy efficient appliances are recommended for use in the halls. Light fixtures must have the recommended wattage bulb in them.

Entering Student Rooms

SUNY Potsdam recognizes and respects your privacy; however, the College reserves the right to enter apartments, suites, Townhouses, and residence hall rooms for inspection, cleaning, or maintenance purposes at reasonable times. Students agree to allow the College to conduct periodic health and safety inspections. Students will receive notification at least 24 hours in advance from the College staff whenever possible. For routine maintenance requests, students need to give permission for entrance in order for repairs are made. Maintenance may enter a space without permission or advanced notice in situations where immediate damage to the room and/or property may occur.

Upon approval by the Director of Residence Life and/or designee, a room can be entered without notice when there is reasonable cause to believe a violation of College policy has occurred or is taking place. Apartments, suites, Townhouses, and residence hall rooms will be entered any time the halls close and/or at the end of each semester. There may be entry without notice in situations where imminent danger to life, safety, health, or property is reasonably feared.

Students expressly consent to University Police officers entering residence hall rooms to seize illegal substances (e.g. drugs or alcohol possess by a person under age 21), stolen property, contraband, and other items or property forbidden by College policy when such items are discovered by Residence Life staff during health and safety inspections of residence hall rooms. Such items may be seized for possible use as evidence in criminal charges, in charges of misconduct under the College Code of Student Conduct, and/or for proper disposal of such items.

Students do not have the right to enter other students’ room without permission. Staff will not grant access to apartments, suites, Townhouses, or rooms by friends, relatives, or other students. You should keep your door closed and locked and contact a staff member or University Police if you have concerns about who is coming into your living space.
Furniture

Elevation of beds by placing bed frames on cement or wooden blocks, window sills, radiators, or other furniture is strictly forbidden. Students may not stack pieces of furniture (other than bunk beds) whether college-owned or personal. Bunked beds and other furniture may not block or interfere with the operation of the windows or doors.

Students are not permitted to have waterbeds nor lofts in rooms, suites, apartments or Townhouses. Students are not permitted to bring in any of their own furniture unless it is approved in advance by the Residence Life Office.

College provided furniture must remain within the room/suite/apartment/Townhouse and will not be removed nor stored.

Furniture in the common areas of the residence halls is designed for the use of all members of the residential community and may not be removed to individual rooms or suites. Any student found with unauthorized state-owned common area furniture in their room or suite will be subject to action through the student conduct system.

Housekeeping

Each hall’s cleaning staff maintains the public bathrooms and those found in suites and common areas (i.e. lounges, bath-rooms, stairwells, hallways, etc.). They are responsible for the day-to-day general cleaning, but not for cleaning up excessive messes left by students. As members of the residential community, you should encourage fellow residents to share in accepting responsibility for ensuring that excessive messes are cleaned up by the responsible individual(s) and that college property is not damaged. Students are responsible for keeping their room/suite in a neat and orderly condition at all times. Willfully creating a housekeeping problem within a room/suite or common area will be considered a disciplinary matter and the community billing policy may be applied when appropriate (see damage section).

Housing License

All students living on campus sign a full academic year license for room and board and are billed accordingly. Students are not permitted to sublet their rooms. Releases from the housing license are subject to a $250.00 termination fee.

Keys

Upon check-in at the residence halls, each resident is issued a room key (and suite, apartment, or Townhouse key if applicable). If you lose your room key(s), you must go to the Office of Residence Life and request a lock change. Lost keys will result in a lock change and the resident will be assessed a $50.00 charge which includes the lock change and new keys.

Failure to return a room key when checking out of your room will also result in a lock change together with the $50.00 fee. If fees are not paid a hold will go on the student’s account until the fee is paid. Students who move rooms mid-semester, and who fail to return their key, may also be charged for two rooms until the original room key is returned and/or they notify Residence Life that the key has been lost.

All keys remain the property of SUNY Potsdam. Unauthorized use or possession of a master key or any other keys that have not been officially issued to you is considered a serious offense and will result in disciplinary action. Students are responsible for carrying...
their room key at all times. Students may not give their room key to another person for any reason.

**Occupancy**

In the fall semester, the halls will open the weekend prior to the start of classes. Students can return to campus at the start of Winterim for the spring semester. At the end of each semester, the halls will close at 10am on the day after final exams end. All Residence Halls will remain open during both the fall and spring semesters. Students may need to sign up with a residence life staff member to stay over the Winter/semester break in order to have card access to their building. Any student found in a closed area (or open area without registering) during a break or vacation is subject to arrest and/or charges through the conduct office.

Students withdrawing from school during the year must vacate their rooms within twenty-four (24) hours of the date of withdrawal. Special requests will be considered by the Director of Residence Life or designee and may be subject to charges. With the exception of students participating in graduation, students must vacate their rooms within twenty-four (24) hours after their last examination. Requests to remain on campus through commencement must be made through the Director of Residence Life or designee. Students graduating will vacate their rooms by 10am the day after graduation exercises. Registered summer sessions students may be allowed to stay longer, until the summer session housing area is ready for occupancy. Any student who remains in their room past 10am on the Sunday after commencement, without expressed permission by the Director of Residence Life, or designee, will incur in an additional charge of $150 per day. They also may receive charges for trespassing.

Students must be registered for classes in order to live on campus. Students continuing from the fall semester to the spring semester must be registered for classes for the spring semester by the last day of classes in the fall semester. Students who are not registered by this date will be required to move out of their room at the end of the fall semester.

**Property Insurance**

SUNY-Potsdam assumes no responsibility for lost, stolen, or damaged personal property, for any reason at any time, and has no insurance coverage protecting student’s property. It is recommended that the student contact an insurance agent concerning possible protection against such losses or for coverage under a family homeowner’s or renter’s policy.

**Repairs**

If there is something in your room or building that is in need of repair, speak to your RA or Residence Hall Director. They will submit a maintenance request which notifies the maintenance staff of the needed repair. Repairs are handled on a priority basis with safety and security repairs taking precedence. In the event that a maintenance problem is not promptly resolved, it should be brought to the attention of your Residence Hall Director. Continuing unresolved problems should be reported to the Office of Residence Life. Students will need to notify the staff that the College has permission to enter the room when they are not present for routine, requested repairs.

**Residency Requirements**

The State University guidelines pertaining to campus residency mandate that “every
student in full-time attendance at a state operated unit of the University, other than married students or students residing with a parent(s) or guardian, shall be required either to live in a dormitory maintained by such unit or to have permission under such provisions as made therefore by the Director of Residence Life of such unit to live off campus.” Specifically, SUNY Potsdam requires all students who enter as a new, first year students to live on campus for 2 years or 4 semesters and all new transfer students are required to live on campus for their first year or 2 semesters, unless the student:

1. lives with their parent(s) or legal guardian(s) at their official residence (domicile) within a 60 mile radius from campus. Domicile shall be defined by the rules pertaining to official residence in the Office of the College Registrar.
2. has dependent children residing with them.
3. is married.
4. is twenty-one (21) years of age as of September 1, for fall admission or January 1, for spring admission.
5. is a Veteran.

Full time undergraduate students may request to live off-campus by submitting a petition for exemption or release to the Director of Residence Life or designee with a valid reason and supporting documentation.

The residence halls are designed to complement the academic mission of the institution. Thus, students living in the residence halls must be registered students in order to live in college housing. In addition, students must be in good financial standing and have up to date health records, including immunizations. Exceptions to these will be considered by the Director of Residence Life or designee.

Living in a college residence hall requires student status. Students who live in the residence halls are expected to actively engage in activities that will result in satisfactory academic progress. Such activities include, but are not limited to, regular class attendance, completing readings and assignments outside of class, finishing papers and projects in compliance with class syllabi; and preparing for and taking examinations. Failure to be involved in academic work in a purposeful way will jeopardize your ability to live in the residence halls.

### Room Assignments

Students may express preference for a building, room and roommate during the housing sign up process. Whenever possible, Residence Life tries to honor the specific requests of students. Although students may request a particular building and/or roommate, Residence Life cannot guarantee that these requests will be fulfilled. The Office of Residence Life reserves the right to assign or reassign students’ campus housing assignment for administrative purposes and/or for the best interest of the residential community. In addition, The Office of Residence Life can also ban students from certain areas/buildings, including guests of students.

Most students are housed in traditional double rooms. A certain number of suites, apartments, Townhouses, triples, and singles may be available each semester as total occupancy numbers permit. Single rooms can be requested in the Office of Residence Life, including requests for medical singles. If a student is left alone in a double room and is uninterested or unable to secure the room as a single, students may be consolidated with other students in the same situation only within the same residence hall floor/house. Students
left alone in an accidental single must only occupy their half of the room.

Room assignments can be canceled if students do not remain in good academic or financial standing or in compliance with other College requirements (e.g. immunization).

### Room Changes

Students requesting a room change must see their respective Residence Hall Director before making any moves. All Change of Occupancy forms must have the signatures of the Residence Hall Directors in the building where the student currently lives and the building that they wish to move to. Students must officially check-out of their former room and officially check-into their new room. Check-out/check-in must be done with a Resident Assistant who must complete a Room Condition Report for each room (and one for the common area if applicable in suites, apartments, and Townhouses). Once this is accomplished the student must bring the Change of Occupancy form to the Office of Residence Life and obtain their new room key. Failure to return the Room Change Form and old room key to the Office of Residence Life within 72 business hours may result in a hold being placed on the student’s account for charges resulting from a lock change. Students who move rooms mid-semester, and who fail to return their key, may also be charged for two rooms until the original room key is returned and/or they notify Residence Life that the key has been lost.

There are no room changes during the first two weeks of fall and spring semesters and the last 2 weeks of the fall semester.

### Room Charges

Students are billed for the entire academic year in two equal installments. Extra charges will not be levied when single occupancy of a double room has not been requested and is beyond the control of the student. You will be responsible for the full cost of your room whether or not it was your first choice of options or you have been actually living there. Students who withdraw from the College are liable for payment of the room in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Official Withdrawal During Semester Room Liability</th>

<tbody>
<tr>
<td>1st Week</td>
</tr>
<tr>
<td>2nd Week</td>
</tr>
<tr>

</tbody>
</table>

If a student is removed from the residence halls due to disciplinary reasons or failure to comply with College requirements (e.g. immunization), there is no refund.

Student teachers or others with academic commitments assigned outside the Potsdam area for part of the academic year can be offered a semester housing license. Permission for a semester housing license must be granted by the Director of Residence Life, or designee.

### Room Decorating and Personalization

Students are encouraged to personalize their room/suite/apartment/Townhouse as long as it does not cause any damage. All personalization projects must be removed at the time of check-out. Any subsequent damage will be billed accordingly. When in doubt, students should seek permission from the residence life staff before beginning any personalization project.
Storage
There is a limited amount of long-term storage space available in the residence halls during the summer. In order to use storage over the summer, students must be registered for classes and must have a housing assignment for the Fall semester. Items placed in storage may be limited in quantity or size based on space available and must be non-flammable. SUNY Potsdam is not liable for damage, theft or loss of property of items that are in storage areas.

All items must be removed from storage areas by September 15 of the following academic year. Any items not removed by September 15 may be removed and/or discarded. Exceptions to this for student teachers and a semester abroad may be approved by the Associate Director, or designee.

Due to safety regulations, students are not allowed to store bicycles in hallways, lounges, lobbies, basements or stairwells at any time.

Sustainability
All students are expected to comply with all College policies and regulations in regard to recycling. Students are also required to use compact florescent light (CFL) bulbs in all fixtures within the room/suite/Townhouse. Students are asked to use Energy Star or energy efficient appliances within the room/suite/Townhouse/apartment.

Vacations and Breaks
Before departing for vacations or breaks, you must unplug all electrical items, empty your wastebasket, dispose of perishable food, close and lock your windows, leave your blinds open and lock your doors. You should also notify your Resident Assistant as to the time you may be leaving. Staff will inspect rooms to ensure that the above conditions have been met. Students do NOT need to check out or turn in keys for break, recess and vacation periods, unless they are not returning to SUNY Potsdam.

Waste Disposal
Students are responsible for the proper disposal of garbage and waste according to published procedures. This includes, but is not limited to recycling, batteries, computers, printer cartridges, broken glass, medical waste, needles, etc. Central areas are provided in each residential area for this purpose. Personal waste from rooms should not be discarded in bathrooms. Special receptacles for medical waste and needles are available through Student Health Services.

Residence Hall Regulations
Published college policies supersede all residence hall regulations and terms of housing license. Students are responsible for knowing and abiding by all of the information published by SUNY Potsdam. In addition to Residence Life Policies, all items identified as prohibited conduct in the Community Rights and Responsibilities are not permitted in the Residence Halls.
Alcohol

Possession and/or use of alcoholic beverages in the residence halls are governed by New York State Law and College policies. Students of legal drinking age can consume and possess alcohol in rooms/suites of the residence halls only (except those living in FYE and in substance free housing). Students who are under 21 cannot consume nor possess alcohol. In addition, Residence Life Policies for alcohol include:

(1) Individuals over the age of 21 may use and possess alcohol as permitted by law and College regulations, except in areas designated as substance free or in areas otherwise restricted by SUNY Potsdam policies.

(2) Regardless of your age, it is a violation for you to provide, either directly or indirectly, alcohol to someone under the age of 21. This includes your roommate(s) and/or suitemate(s).

(3) Alcohol is not permitted by any person in all public areas of the residence halls (public areas being defined as outside a student room, suite, apartment, or Townhouse). Students who are under 21 cannot possess alcohol anywhere within the residence halls at any time.

(4) It is a violation to possess or use false or altered age documentation to obtain alcohol.

(5) This policy prohibits kegs, beer balls, and other common source containers (i.e. “garbage can” punches) and also does not allow for rapid consumption devices such as beer pong apparatus, beer bongs, tubing, funnels, etc.

(6) Student are not permitted to engage in any type of drinking games in the Residence Halls to include, but not limited to: card games, beer pong, quarters, caps, Beirut, etc.

(7) Students of any age are not allowed to make any form of alcohol in the Residence Halls. Possession of any equipment for the purpose of making alcohol is expressly forbidden.

Bathrooms

Bathroom designations are posted and are for use of the designated gender identity only (except in gender inclusive, co-ed housing areas, suites with baths, and Townhouses). Showers are for single occupancy use only. Creating excessive messes are subject to individual and community billing.

Common Area Spaces

Sleeping and/or storing items, including bikes, in residence hall lounges, hallways, bathrooms, lobbies, and stairwells is not permitted. People found sleeping in lounges may be asked for identification, will be asked to leave, and may be documented.

Decorations

Strict guidelines for the use of holiday decorations have been developed in order to minimize the fire safety hazards inherent in the use of such materials in college residence halls. All students must abide by these guidelines, fire safety policies, posting policies and NY State Building and Fire Codes.

(1) All decorations used must be non-flammable and fireproofed. Lights must be non-heat producing. Electrical cords should be plugged directly into outlets or power strips with surge protectors that are not overloaded.

(2) Live trees, wreaths, corn stalks, hay, etc. are not permitted at any time

(3) The use of candles is prohibited everywhere in the residence halls. Students who wish to light
candles for religious purposes should contact Residence Life.

4. Please do not use washable paint, chalk or spray snow on walls, doors and lounge windows including outside brick walls.

5. Lights and light fixtures cannot be decorated or covered.

6. Decorations may not be hung on sprinklers, heat and smoke detectors and other fire safety equipment.

7. In the event a common area space is being used for a holiday event, the area can be decorated on the day of the event and must be cleaned immediately after it is over.

8. Students are strongly encouraged to practice good energy conservation.

Doors

Safety is a responsibility of all residential students. Propping an exterior door to a residence hall, or tampering with the door which prevents it from properly being secured, is prohibited.

Fire Safety

In addition to the policies that govern Fire Safety, which are located in the Code of Student Rights, Responsibilities and Conduct, there are several Fire Safety policies for the Residence Halls. All fire safety policies are governed by and must comply with the Fire Code and Building Code of New York State. Items that violate the State Code or College Policy may be confiscated.

- Residents are required to maintain at least a 24 inch area of clearance around all fire safety equipment (i.e. sprinklers, fire alarms, smoke detectors, heat detectors, etc.). No items may hang from, nor cover any fire safety equipment.
- All residents and guests must leave the residence halls when the fire alarm system is activated.
- Blocking hallways, stairwells, windows, and other emergency exits or impeding the proper functioning of doors is expressly forbidden. This includes leaving any item (including furniture, footwear, bikes, and personal items) in the hallway (to include entrances and hallways within apartments and Townhouses).
- The possession and use of fireworks is prohibited.
- Items that emit an open flame (e.g. candles, incense and potpourri that require ignition for their use), flammable liquids (i.e. gasoline, ether, paint, butane, propane, etc.), flammable materials (i.e. charcoal, lighter fluid, etc.) hazardous materials (i.e. chemicals from science labs, etc.) are not permitted within the residence halls and must be at least 50 feet away from any building. This includes all machinery, vehicles and equipment that use flammable liquid to operate them (i.e. dirt bikes, motorcycles, etc.).
- Electrically based air fresheners must be plugged directly into a wall outlet.
- Light fixtures must have the recommended wattage bulb in them.
- All forms of halogen lamps and multi-colored floor lamps are not safe and pose a significant fire safety danger. Thus, they are not permitted anywhere in the residence halls.
- The following items are the only cooking appliances that students are allowed to have and use within student rooms/suites: coffeepots, refrigerators (no larger than 4.0 cubic feet) and microwaves (not to exceed 1000 watts).
- The use extension cords or multiple outlets are fire safety hazards and are not permitted. Students must use 3-pronged power strips that have built in circuit breakers, are UL-listed
and be made of 12 gauge or larger wire. Power strips must be plugged directly into the wall.

- Electrical appliances that are allowed must be plugged directly into a wall outlet or an appliance rated extension cord.
- Any type of electric heater and window air conditioning unit is prohibited in the residence halls.

**Guests**

The College does not permit long-term guests or long-term co-habitation of residents with guests. Anyone who does not live in a particular room/suite/apartment/Townhouse is considered a guest of that room/suite/apartment/Townhouse. It does not matter if you are a student here or not; if you are not assigned to live in that space you are a guest. The College’s policy allows for our students to host guests. The intention of the following policy is to allow students greater freedom, while reducing misuse of that freedom at the expense of their room/suite mate(s).

If a resident wishes to have a guest in their room/suite, it must always be with the consent of the other students living in the room/suite/apartment/Townhouse. Overnight guests are limited to 1 person per resident. Any guest that will be here for more than 24 hours must be registered with a member of the Residence Life Staff. An overnight guest will not stay any longer than 72 hours per month. All guests, who are not current SUNY Potsdam students, must be 18 years of age or older. All requests for exemptions to this policy, including siblings less than 18 years of age or older, must be made to your Residence Hall Director for approval and registration well in advance of the guest’s arrival and emergency contact information provided.

It is the responsibility of the host to explain all college policies to their guest(s). The host will be held accountable for the actions of their guest(s). Residents must meet their guests at a building door to give them access to the building. Guests should not be left unattended in the residence halls without their host. Non-SUNY Potsdam students who are in the residence halls without a host and/or without being registered are subject to arrest for trespassing. Hosts will be held responsible for the guest’s activities. A roommate can also be held accountable for their knowledge of behavior of a guest in a room/suite that violates SUNY Potsdam policy.
**Hall & Quad Activities**

Because of the risk of physical injury or damage to facilities, students are encouraged to be careful around residence halls and quad areas. Nerf™ and whiffle balls, hacky sack, Frisbee, soccer, volleyball, and playing catch with a baseball, softball, football or lacrosse ball are permitted within the quad areas. All other athletic activities (playing a game of football, baseball or softball with a bat, lacrosse, etc.) are prohibited in the quad areas and should be restricted to the athletic fields surrounding the halls.

Skateboards, roller blades, bicycles and other wheeled vehicles or devices are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as a hazard to property. Thus, trick or stunt riding is prohibited. Trick or stunt riding is defined as repetitive or competitive moves where wheels leave the surface and those acts that use railings, curbs, stairs, etc. Skateboards and roller blades using sidewalks will do so safely and will yield the right of way to pedestrians.

The above listed physical or recreation activities or others that could be defined as Hall Sports (including metal tipped darts, wrestling, etc.) are not permitted within the residence halls.
