Complete the Returning Students Housing Selection under College Life & Auxiliary Services. The process will ask you to select Single Room as your housing option and identify a building preference. Please note that this does not guarantee that you will be approved for a single nor that you have in the building you identify.

Check your email on 4/16 to see if you are successful.

You Are Not Done Yet!

If you are approved, you still need to complete the process to live in a Suite, squat in your current room on campus, or request a double room, based on where you want your single to be,
