Mailed check payments must be received on or before the due date to avoid late fees. A postmark on or before the due date does not constitute evidence of having paid on time. Credit/Debit Card payments are processed through the student’s on-line billing statement in BearPAWS.

We need a .jpg image, taken in the last six months, with a plain background and space above your head, showing your neck and shoulders. The image must meet passport photo requirements.

What pose should the photos show?
The photo should show a clear, front view, full face of the customer. The customer should be in normal street attire, without hat or dark glasses against a plain white or off-white background. You should have a natural expression, mouth closed, and eyes open and looking directly ahead. Photos in which the face of the person being photographed is not in focus will not be accepted.

How big should the head be in the photo?
Your head should be centered in the photo, and should not be tilted up, down or to the side. It should cover about 50% of the area of the photo.

Can hats or religious headgear be worn for the photo?
Unless worn daily for religious reasons, all hats or headgear should be removed for the photo. In all cases, no item or attire should cover or otherwise obscure any part of the face. Can eyeglasses be worn for the photo? Eyeglasses worn on a daily basis can be worn for the photo. However, there should be no reflections from the eyeglasses that obscures the eyes.

You must bring a government photo ID to pick up your campus card: Passport, NYS driver's license or original birth certificate.

Student Health Services: Mandatory Requirements

***Only Applicable to Students Attending Classes ON Campus***

Student Health Services
119 Van Housen Hall (315) 267-2377
shs@potsdam.edu
www.potsdam.edu/studentlife/healthservices/index.cfm

SUNY Potsdam Student Health Services (SHS) must ensure all new, re-admitted and transfer and non-matriculated students meet state and local health requirements. The submission of these forms is tracked for each student. Failing to comply with the health requirements will result in progressive consequences that include being dis-enrolled from SUNY Potsdam, as New York State Law demands.

To avoid being dis-enrolled all students must please follow these steps:

1. **Have your medical provider send a SIGNED copy** of your measles, mumps, and rubella vaccines to Student Health Services (fax to: 315-267-3260).

2. **Complete four mandatory online Health Forms:**
   a. Set your web browser to accept “pop-ups” from shsweb.potsdam.edu
   b. Log in to BearPAWS using your campus computer account username and password.
   c. Open the “New Student Services” link.
   d. Click on “Student Health Services Portal.”
   e. Complete the 3 forms under “Required Health Information” and fill out the “Insurance” link.

Send in your health information right now while you’re thinking about it. Students who arrive on campus without sending it are subject to progressive consequences and may have to be removed from campus to comply with NY State law. Therefore, each student is monitored carefully to ensure they’ve met the requirements. The information you submit is kept in your confidential medical chart and is only accessible to the staff at Student Health Services. Filling out the online forms should only take you 15 – 30 minutes.

More information regarding the health requirements, including what constitutes “proof” of immunization, is available on the “Health Requirements for Attending” page of the Student Health Services website (http://www.potsdam.edu/studentlife). If you have questions or if you experience any technical difficulties, please call Student Health Services at 315-267-2377 or send an e-mail to shs@potsdam.edu.

Temporary permits are available at the University Police Department, 24-hours per day.
PACES: Bear Express, College Store & Textbooks

Bear Express
A Bear Express account is similar to a debit account. The reason so many students opt to have a Bear Express account is convenience. Bear Express is universally accepted on campus and also in a variety of downtown Potsdam and Canton merchant locations.

Funds are put on the card via the student bill (prior to September 14 and February 15), or with cash, check or credit card at the PACES Business office. Students manage their account balances through BearPAWS. Accounts are automatically opened for most students, and balances should be reviewed, changed or cancelled online prior to the start of each academic semester. Any account changes or cancellations MUST be made by the close of business on the first day of classes of each semester through BearPAWS. Unused balances roll over from semester to semester and balances (over $20) are credited to accounts at the end of the academic year.

The College Store
The College Store is a division of PACES and is located in the Barrington Student Union – it is the place to buy textbooks, school and art supplies, dorm living, educational promotions on computers, insignia apparel and gifts, and other unique merchandise. The store is open six days a week during the academic year, with online shopping and textbook ordering at http://bookstore.potsdam.edu.

***Only Applicable to Students Attending Classes ON Campus***

Viewing the required textbook list for your classes
Step 1: Go to http://bookstore.potsdam.edu
Step 2: Mouse over the “textbooks” box at the top of the page
Step 3: Click on the “textbooks” in the dropdown menu
Step 4: Click on “Continue to Textbook Selection” at the bottom of the page
Step 5: Use the drop down menus to create your course list. You will need to select the term, the department, and the course and section number. Click on “add course” and your class schedule will be displayed in box under “your current course list”
Step 6: Click on “Get Course Materials”
Step 7: Click on the books you want to view/purchase and follow the directions on the screen.

If you submit an order you will receive two emails. The first email is an order confirmation that will list what you requested. It will calculate your bill using all NEW prices. Once the order is filled you will receive another email and it will give you a final price determined by the condition of the books we have in stock (New, Used, Rental, or e-book) and what you received. Please be aware that orders are not filled until two weeks prior to the start of the semester to account for changes in the book list. If you place your order significantly prior to the beginning of the semester there will be a delay between emails.

Hints:
*Have your schedule and P# handy before you begin
*The address the credit card being used must match the address of the customer.
*If you have questions, please feel free to contact, Textbook Manager by email: robbinjl@potsdam.edu
or phone: 315-267-2218.
